

Video interviews

Our **top 10 tips** to help you prepare for a video interview.

01

Don't wait until the deadline.

02

Find a quiet place. Turn off your phone.

03

Check the background. Avoid dark space or bright lights behind you.

04

Check your connection. Make sure your device is properly charged.

05

Use a laptop or desktop.

06

Familiarise yourself with the format.

07

Imagine you are talking to a real interviewer. Look presentable. Have the camera at eye level.

08

Don't let the countdown on the screen panic you.

09

Speak clearly.

10

Relax and be yourself. **Smile!**
