

Teefenson Chua

Chief Operating Officer

Paypal Pte Ltd

Teefenson is the Chief Operating Officer at PayPal Pte Ltd and Director of Global Entity Management. With over 15 years of experience in the financial services industry, Teefenson has held leadership roles at Deutsche Bank, Credit Suisse, and HSBC, where he developed deep expertise in corporate and investment banking, fixed income, currencies, credit, and global transaction banking.

As a Certified Practising Accountant (CPA) and a graduate of Harvard Business School Online's Disruptive Strategy programme, Teefenson brings a unique perspective on innovation and strategic transformation in the financial sector. His current role at PayPal places him at the forefront of payment innovations and regulatory considerations, making him a key voice in discussions about the future of finance.
