

The Power of Art

Art can transform our lives. This fall, the More Than Pink Walk comes to Hamilton Place. Our community will gather to walk for those who cannot and to celebrate life, hope, love, and our incredible fundraising efforts to save lives, prevent breast cancer and find a cure. With your imagination, creativity, and talent, we will flood the mall with encouraging artwork which will be given to patients at different hospitals after the walk.

Instructions: Please cut out the Susan G. Komen ribbon logo. Next, let your imagination run wild! Think pink, think hope, think encouragement, and think about the healing power of art. Decorate your ribbon in whatever way your imagination leads you. Be sure your ribbon can hang on the wall. It will be taped on the back, so make sure it is not too heavy and a piece of tape will hold it on a wall for an entire week. Please feel free to write your name and school on the back of your art.

Once you have finished, please bring your creation to the Hamilton Place Mall Management Office, located down the hallway by Dick's Sporting Goods. We will be collecting art up until September 1st, 2022. All artwork will be on display starting September 24th through October 1st at Hamilton Place.
