# 10 Ways to Reconnect with Planet Earth and Nature

People and Planet

Here are 10 things you and your family can try together.

1

Hug a tree or lie in the grass.

2

Walk barefoot on the grass.

3

Plant a tree or a flower garden.

4

Take a dip in the ocean with your kids.

5

Grow your own herbs.

6

Open your window on a breezy day - even if it's a few degrees too cold or too warm, love the fresh air in whatever form it comes.

Organize your friends/family for a beach cleanup together.

Meditate outside – even just closing your eyes and seeing what you notice helps develop thoughtfulness for the planet.

Visit a national park – take inspiration from preservation.

Put the phone down and look up. How good is the world today?
