

District Director Benefits of Membership

Your District Director membership provides access to learning, resources, and support that strengthen your ability to lead coherent, systemwide implementation. These benefits help District Directors align efforts, support continuous improvement, and create the conditions for every student to experience high-quality AVID learning opportunities.

- » Support through collaboration and coaching from an AVID Implementation Strategist to ensure quality implementation and sustainability
 - Partner with an AVID Implementation Strategist to strengthen continuous improvement efforts and build the systems and practices that support long-term success.
- » Complimentary registration for one AVID Path to Schoolwide® training, one AVID Summer Institute™, and one AVID Virtual Live™ session annually
 - Deepen expertise in a key area of implementation aligned to district needs and goals.
 - To establish a strong foundation for continued learning, completion of the District Director Leadership learning series is recommended before participating in other summer Communities of Practice.
- » For District Directors who have a Demonstration School in their district, 50% off of an AVID National Conference registration
 - Celebrate implementation excellence while connecting with educators and leaders who are advancing college and career readiness for all students.
- » District Director workshops and networking
 - Connect with fellow District Directors and other leaders to exchange ideas and strengthen leadership practices that support coherency with systemwide implementation.
- » Access to AVID Professional Learning Modules (APLMs)
 - Extend learning through ready-to-use, AVID-focused modules that support implementation priorities, build educator capacity, and provide just-in-time learning throughout the year.
- » Complimentary access to the District Director library
 - Access curated resources that help educators strengthen instruction and support student success across content areas.
