

In 2026,

9 out of 10 AVID seniors in the U.S. were college- and career-ready.

How Do We Know?

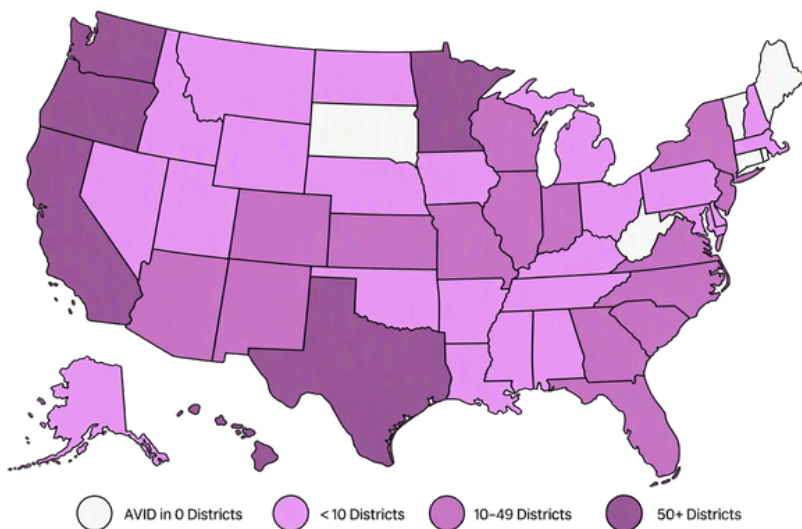

AVID develops intentional readiness by exposing students to rigorous instruction and supporting them in exploring, preparing for, and navigating their chosen postsecondary pathways.

How Does This Happen?

AVID trains educators in inquiry-based instruction that develops student agency, academic success and critical thinking skills, and the ability to engage and collaborate with others.

96% of educators said they planned to implement strategies learned in their AVID professional learning.

AVID National Demonstration Schools

AVID is a national nonprofit that has been closing the opportunity gap in education for more than 45 years. Since its founding, 3.65 million students have been enrolled in the AVID Elective and AVID Elementary, with an additional 7 million taught by AVID-trained educators across subject areas. AVID is implemented in nearly 7,000 K-12 schools across the United States, plus schools in Washington, D.C., the Department of War Education Activity (DoWEA), the U.S. Virgin Islands, Canada, and Australia.
