

Ready to join us?
Registration is now open at avid.org/virtual-live/

Two days of dynamic professional learning grounded in collaboration, practical implementation, and the real work educators do every day.

Grow Your Impact—From Anywhere!

AVID educators from across the country are coming together online to learn, collaborate, and plan, ensuring they start the school year with ready-to-use strategies and a clear path to advancing college, career, and life readiness for all students.

Live and Interactive

**Communities of Practice
and Inspiring AVID Sparks**

Facilitated by Experts
