

RE: Welcome to the CAA-Quebec school safety patrol

Hello,

Congratulations on being selected to be on our school safety patrol. You were selected for your admirable qualities like punctuality and a sense of responsibility. Congrats and welcome to the team!

As you know, your role will be to ensure the safety of your classmates. If you ever have questions about this important job, feel free to talk to your patrol chief. You can also visit caaquebecfoundation.org. In the “Being a Patroller” section, you’ll find an overview of the patrol regulations and your responsibilities.

Thank you for your participating in the program. Wear your safety patroller belt with pride and set an example for the other students. Who knows—maybe you’ll be named Safety Patroller of the Year!

Thanks again!
