ACCIDENTS AND ILLNESS CAN STRIKE AT ANY TIME!

PET INSURANCE CAN BE A LIFESAVER

WE HAVE THE COVERAGE YOU NEED. CHOOSE THE PLAN THAT'S BEST FOR YOU.

ACCIDENT & ILLNESS PLAN

OUR MOST POPULAR PLAN

COVERAGE OF \$7,500 PER YEAR (MORE PLAN) OR \$15,000 PER YEAR (MAX PLAN)

This plan provides comprehensive veterinary care and treatment for your pet in the event of accident or illness, including consultations, examinations, emergency care, hospitalization, medication, surgery, anesthesia and consultations with specialists recommended by a licensed veterinarian.

ACCIDENT PLAN

COVERAGE OF \$5,000 PER YEAR

This plan covers emergency veterinary care and treatment for your pet for conditions caused by an accident.

PREVENTIVE CARE

Available only in Quebec, you can think of our unique Preventative Care Options program as a "preventive subscription" to your veterinarian's office, including all your pet's routine and seasonal care.

Sign up and start enjoying the benefits of our Preventive Care Options program. Simply pay your monthly payment and make an appointment with your veterinarian. Then send us your reimbursement request, together with the appropriate invoices.

We reimburse 100% of costs, for all eligible veterinary services and treatments, with no deductible!

Please note that the availability of preventive care programs varies from province to province. The "Flex Care" program is not offered in Quebec, and related documentation is only published in English.

To learn all the details of our plans, see the Accident & Illness User Guide or the Accident User Guide.

WE STAND OUT FROM THE PACK. HERE'S WHAT MAKES US DIFFERENT:

No breed exclusions: Every breed can receive coverage, even for health conditions that are associated with that breed, provided they aren't pre-existing when your coverage starts.

Coverage that's clear from the start: we examine your pet's health records and inform you of anything that isn't covered right when you purchase your policy. That means no unpleasant surprises when you submit a claim down the road.

No pet is too old for coverage! There's no maximum age to sign up, as long as your pet meets the requirements for older animals. (although it's a great idea to start early, when there are likely fewer pre-existing conditions to worry about).

Our policies cover surgeries, diagnostics, medications, hospital stays, examinations and taxes, up to the selected annual benefit amount, with a single annual deductible.

We're a Canadian company, and our headquarters, call centre and authorized agents are located in Canada.

We cover alternative therapies including hydrotherapy, homeopathy and chiropractic treatment. That means you don't have to purchase additional coverage.

All Pets Plus Us plans come with our lifetime guarantee. Once your pet is enrolled for coverage, their benefits are automatically guaranteed to renew each year.
