

The

NOT MY

RIDE kit

Posters with a clear message

Your guests need to make it home safely from the party. Here are three humorous posters that remind them how. Make sure to include phone numbers for taxis and safe ride services in your area. Put them in strategic locations like the bathroom, party room, and front door!!

We suggest printing them on 11x17 paper!

Fun stickers

These stickers are funny too! Put them on your guests' clothes or their drinks. Cut them out individually and leave them out at the party. Your friends are sure to have fun sticking them on each others' backs.

We suggest printing the round stickers on **Avery 22807** paper and the rectangular ones on **Avery 6578**.
