Ever heard of a school safety patrol?

School safety patrols are made up of 4th, 5th, and 6th graders who ensure the safety of their classmates:

On the school bus

(getting on and off)

At school

(inside and outside)

At pedestrian crossings

(and on Trottibus routes)

What are the advantages of this school program?

- Safer school travel
- Calmer school environment
- Students who are respectful, responsible, cautious, engaged, and independent
- Stronger sense of pride and belonging
