

XPEL New Solar & Security Films Extended Warranty Program is Here!

Differentiate your business with added protection and peace of mind for your customers!

We're excited to introduce a new XPEL-backed extended warranty program for Solar & Security Films in the U.S. and Canada.

This new offering extends and supplements the original glass manufacturer warranty, helping address common concerns like seal failure and glass breakage, giving homeowners more confidence in their investment. This added protection will help make your business stand out by providing customers with greater peace of mind.

By offering this additional layer of protection, you can:

- Build greater trust with homeowners
- Reduce hesitation during the sales process
- Differentiate your services from competitors
- Increase overall project value
