

LIMITED PRODUCT WARRANTY

XPEL, Inc. (the "Company") expressly warrants to the owner that, for a period of 10 years (the "Warranty Period") from the date of initial installation, the XPEL MARINE Window Film (the "Product(s)") will cover defects such as: adhesive failure, bubbling, peeling, cracking/crazing and delamination. This Limited Warranty only applies to the Company's Products which are professionally installed in the manner recommended by the Company on a marine vessel.

The Company will, at its option, remove or replace the Product without charge if the Product fails or does not perform as warranted solely due to a manufacturing defect within the Warranty Period, subject to the exclusions set forth in this Limited Warranty. If the Company elects to replace the Product, the Company will have an authorized installer of its choice remove and reapply the Product to areas determined by the Company in its sole discretion to be covered by this Limited Warranty. The Company will cover parts and Labor not exceeding the amount of the original invoice. The replacement of the defective film is the exclusive remedy for all Products covered under this Limited Warranty. During the entire Warranty Period, the Company's obligation as to repair or replacement shall be limited to repair or replacement with the Products that are available at the time of the repair or replacement and shall further be limited to the repair or replacement of only the specific Product that fails due to a manufacturing defect. Any repaired or replaced Product shall also remain subject to the original Warranty Period, and any repair or replacement shall not extend the original Warranty Period in any manner or start a new warranty period. If the same Product is not available, the Company may replace it with a similar product at its sole discretion. These are the exclusive remedies for all Products covered under this Limited Warranty.

You may obtain coverage under this Limited Warranty by providing Company with proof of warranty card, a copy of the original receipt for the Product identifying coverage areas, along with a detailed description of the purported defect. For service under this Limited Warranty, you must notify the authorized Company installer who performed the installation of the Product, in writing, providing the claimant's name, phone number, address, and the installation address (if different), a description of the product involved and the nature of the defect.

This Limited Warranty is transferable only when the new owner submits to the Company proof of the original date of installation. Transfer of the Limited Warranty only entitles the new owner coverage for the remainder of the original Warranty Period.
