DESCRIPTION

Overview

Effective September 1, 2024, XPEL we will be phasing out the older version of XPEL ULTIMATE PLUS (XUP). Moving forward, only the new and improved XPEL ULTIMATE PLUS (XUPL) will be available.

XUPL film features include:

- Quick Release Liner – for easy removal
- Improved Adhesive – for better repositioning
- Improved Self-Healing Topcoat – for enhanced stain resistance and longevity

These enhancements provide an improved installation experience while maintaining the same robust paint protection performance you've come to expect from XPEL ULTIMATE PLUS.

For more technical product details on XUPL, please view this [Technical Data Sheet](#) or contact your XPEL Territory Manager.
