Product: XPEL 3-Pack / Paint, Paint Protection Film & Glass Care Kit

Description: This XPEL 3-Pack Care kit is a convenient solution for cleaning and maintaining your vehicle's paint, tinted glass, and PPF. It comes neatly packed in an XPEL Soft Case, making storage and transport a breeze. The case holds four essential products: XPEL Ceramic Boost, Detail Spray, Anti-Static Window Tint Cleaner, and a large 16x16 inch microfiber towel. Each one of these XPEL CARE products is designed to clean, protect, and enhance the look and shine of your car's exterior. Use the ceramic boost to maintain your car's PPF with a hydrophobic water-repelling cleansing. Detail Spray is great for spot cleaning between car washes and the Anti-Static Window Tint Cleaner ensures your treated glass stays crystal clear.

What's Included in the Kit:

- 2oz (59ml) Bottle of XPEL Ceramic Boost
- 2oz (59ml) Bottle of XPEL Detail Spray
- 2oz (59ml) Bottle of XPEL Anti-Static Window Tint Cleaner
- (1) 16x16 inch Black/Gold XPEL Microfiber Towel

Signature Features:

Ready to Go: This 3-Pack Kit includes everything you need to get started.

Ideal for PPF Maintenance: Products included in the kit are essential for maintaining and cleaning surfaces treated with XPEL ULTIMATE PLUS and STEALTH PPF.

Convenient Soft Case: 3-Pack kit comes neatly packed in an XPEL Soft Case for easy storage and transport.
