

# A GIFT THAT KEEPS GIVING

**PRESENTED TO:**

Benjamin Franklin memorably described the power of compounding this way: "Money makes money. And the money that money makes, makes more money."

**FROM:**

Compounding returns can seem abstract if one cannot literally see cash flows being reinvested back in, yielding additional gains and dividends for investors.

**AMOUNT:**

**SECURITY:**

With this gift, I hope that you'll see in a real way how wealth is created through the magic of compounding, long-term investing, and patience.
