**IFMA COEX - Gen Z Loves Plant-Based Protein, April 2021

It's gotta be good to-go

Did you know 75% of customers eat seafood away from home at least once a month and 46% consume it at least once a week?* And these days, more people are enjoying their seafood via take-out, so it has to be great to-go. All our solutions hold up exceptionally well on the road, and can seamlessly integrate into your operation.

*Technomic Centre of the Plate

A partner you can rely on

66% of your customers are planning to eat more seafood in the next 6 months and 41% want to increase consumption.* That means your menu needs seafood. With our rock-solid supply chain, you'll always have it.
