

# 8x8 Contact Center for Microsoft Dynamics 365

# **Improve Productivity and Enhanced Experience**

8x8's easy-to-deploy integration with Microsoft Dynamics 365 enhances your team's effectiveness by creating one system of engagement. The combination enables agents to communicate and manage customer information within Dynamics 365. The results are increased productivity for your agents and a more personalized experience for your customers.

"Our 8x8 solution can handle any kind of customer contact: phone, online, chat, voicemail, email. Customers get to choose how they want to communicate, and we're able to give each of them the excellent service they deserve."

> –Uf Tukel, Co-President and Founder of WMPH Vacations

# **Key Benefits**

#### **Enhanced user experience**

Auto call logging and screen pops with caller information as the call arrives provides context for every conversation and hence better experience.

## **Increased productivity**

Integration gives the user all relevant information in one place and increasing first-call resolutions.

of all the customers interactions happen over the phone.<sup>1</sup>
