Important information for contact lens wearers: ACUVUE® Brand Contact Lenses are available by prescription only for vision correction. An Eye Care Professional will determine whether contact lenses are right for you. Although rare, serious eye problems can develop while wearing contact lenses. To help avoid these problems, follow the wear and replacement schedule and the lens care instructions provided by your optometrist. Do not wear contact lenses if you have an eye infection or experience eye discomfort, excessive tearing, vision changes, redness or other eye problems. If one of these conditions occurs, contact your optometrist immediately. For more information on proper wear, care and safety, talk to your optometrist and ask for a patient instruction guide or call the ACUVUE® Support Team on 000 800 100 8692
