Customer's continued use of the Services after the effective date of any such change constitutes Customer's agreement to such revised fees and charges.

Customer also agrees to reimburse Bank for any actual expenses Bank may incur to effect, administer, or revoke any Service(s). In the event any fees or taxes are owed to Bank and are not paid; Bank shall have no obligation to execute any Service for Customer, or to continue any Service(s) previously provided to Customer.

7. Availability of Funds.

Bank's Funds Availability Schedule and Policies, as may be amended from time to time, are incorporated into the Agreement by reference and shall be applicable to all Accounts and the Services provided hereunder.

8. Honoring Transactions and Instructions; Furnishing Information.

(a) Generally.

Bank will honor Customer's transactions and Instructions (including adjustments and cancellations) only when Customer has complied with the Agreement. Bank will be under no obligation to complete any transaction or Instruction that: (i) exceeds Customer's collected or Available Funds on deposit with Bank, even if Bank has done so in the past; (ii) Bank believes in good faith is not in accordance with certain conditions requested by Customer and agreed to by Bank; (iii) Bank has reason to believe may not be authorized by Customer; (iv) involves funds subject to a hold, dispute or legal process preventing their withdrawal; (v) violates, in the opinion of Bank, any provision of any present or future risk control program of the Federal Reserve or any other applicable federal or state Law; (vi) Bank has reason to suspect is a transaction in violation of the Unlawful Internet Gambling Enforcement Act (the "UIGEA"); (vii) does not comply with any other requirement stated in the Agreement or any Bank policy, procedure or practice; and/or (viii) for the protection of Bank or Customer, Bank has reasonable cause, in its sole discretion, not to honor.

(b) Restricted Transactions.

Under UIGEA and related federal Regulations (both state and federal regulations applicable to the Agreement or the Services collectively referenced throughout as the "Regulations") promulgated by the U.S. Treasury Department and Federal Reserve Board, Bank is required to notify its Customer that transactions to fund unlawful Internet gambling activities are prohibited, and as such Bank will either block/deny transactions, and/or close Accounts if it has "actual knowledge" of "restricted transactions." A "restricted transaction" is defined as any transaction or transmittal involving any credit, funds, instrument, or proceeds, that the UIGEA and the Regulations prohibit any Person engaged in the business of betting or wagering from knowingly accepting in connection with the participation of another Person in unlawful Internet gambling. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, Checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

(c) Insufficient Account Balances for Service(s).

When a Service requires Customer's Deposit Account(s) to contain sufficient, good, collected, and Available Funds to cover Customer's obligations for the required Service, Customer agrees to maintain sufficient, good, collected, and Available Funds in those Accounts from which the funds are to be withdrawn or transferred. If there are insufficient funds in the designated Deposit Account to cover the required withdrawal(s), transfer(s), or related fees, except as specifically modified in an applicable implementation document, Bank may: (i) withhold the Service; (ii) in its sole discretion, elect to dishonor any Item or transaction that creates a negative balance and has no duty to notify Customer prior to dishonoring any Overdraft, even if Bank has paid Overdrafts on behalf of Customer in the past; (iii) in its sole discretion, provide the Service, and Customer agrees to pay Bank promptly or on demand the amount of Overdraft and any fees or other costs including those set forth in the Deposit Account Agreement; and/or (iv) require Customer to pre-fund transactions prior to settlement date or effective date. Bank may, in its sole discretion, on occasion provide a Service against insufficient, good, collected, and Available Funds in Deposit Account(s), but Bank is not obligated to do so, and any action by Bank of this nature will not constitute an obligation by Bank to provide the Service in the future.

(d) Inconsistent Name and Identifying Number.

If any funds transfer Instruction by Customer describes the intended recipient of funds inconsistently by name and Account number, Customer agrees that payment by the receiving bank (which may be Bank) may be made on the basis of the Account number alone even if that Account is not owned by the Person or entity named in the funds transfer Instruction. If any funds transfer Instruction identifies an intermediary bank or the payee's bank inconsistently by name and identifying number, Customer agrees that Bank may rely solely on the identifying number as the proper identification of the intermediary bank or the payee's bank even if it identifies a bank different from bank Customer identified by name. To the extent permitted by applicable Law, Customer acknowledges and agrees that its obligation to pay Bank the amount of the funds transfer pursuant to a funds transfer Instruction will not be excused in any circumstance as more fully described below, and that Customer will reimburse Bank for any Losses or expenses Bank incurs as a result of Bank's reliance on the identifying number provided in the funds transfer Instruction.

(e) Account Holder's Liability for Funds Transfers.

In accordance with the applicable provisions of UCC Article 4A as adopted by the State of Arkansas, Customer agrees to be bound by any funds transfer, amendment, or cancellation to a funds transfer issued in Customer's name and received by Bank, whether or not authorized, if Bank accepts the funds transfer, amendment or cancellation in good faith and in compliance with the Security Procedures agreed to herein. In the event that a funds transfer is unauthorized but effective pursuant to the Security Procedures agreed to herein, Bank is entitled to enforce or retain payment for the funds transfer from Customer unless Customer can prove that the funds transfer was not caused, directly or indirectly, by a Person (i) entrusted at any time with duties to act on Customer's behalf with respect to such funds transfer or the Security Procedures; or (ii) who obtained access to Customer's transmitting facilities or who obtained, from a source controlled by Customer and without authority of Bank, information facilitating breach of the Security Procedures, regardless of how the information was obtained or whether Customer was at fault.

(f) Account Reconciliation and Reporting of Discrepancies.

(i) Generally.

The Deposit Account statements provided to Customer by Bank will notify Customer of: (i) the execution of funds transfers and all debits or credits to Accounts of Customer held by Bank resulting from transactions pursuant to the Agreement; and (ii) amounts debited by Bank from the Account(s) for payment of fees for the Services hereunder or other charges pursuant to the Agreement. Customer agrees that Bank will not be required to provide any other Notice to Customer of the execution of any funds transfers, debits, credits, or charges.

(ii) Notification of Discrepancies.

Customer agrees to promptly report to Bank any discrepancies between Customer's records and Bank's records and/or Deposit Account statements and any relevant facts pertaining to a potentially unauthorized or erroneous funds transfer of any kind. (i) For funds transfers, such report should be made within thirty (30) calendar days from the date Customer receives Notice from Bank that the funds transfer was processed or that Customer's Account was debited with respect to the funds transfer. Customer's failure to notify Bank of any such discrepancies may result in Customer forfeiting any interest potentially due on the amount of the unauthorized or erroneous funds transfer due to Customer's failure to provide notification within thirty (30) days as stated herein. (ii) For all ACH transactions that are believed to be unauthorized or erroneous, such report should be made no later than one (1) Business Day following the date of the unauthorized or erroneous ACH Entry so that Bank can return the Item to the Originating Depository Financial Institution (the "ODFI") within the two (2) Business Day period required under NACHA Rules. Failure to do so for debits against an Account will preclude Bank from returning the transaction through the ACH system and re-crediting the Account. At Customer's Request, Bank will attempt to go outside the ACH system and request a credit from the ODFI based on a violation of the ODFI's warranty that the transaction was authorized.

(g) Settlement of Obligations.

To the fullest extent permitted by applicable Law, Customer authorizes Bank to obtain payment of Customer's obligations to Bank under the Agreement from time to time by (i) initiating debit or credit transfers to any of the Deposit Accounts; or (ii) deducting the payment from the amount of any Bank transfer. Such obligations include, without limitation, fees owed to Bank, in conjunction with any of the Services or otherwise, and settlement for funds transfers initiated pursuant to the Agreement. At the time any Deposit Account is closed (whether by Customer, by Bank, or otherwise) or any Service is terminated (whether by Customer, by Bank, or otherwise), Customer agrees that all such fees and other obligations will be immediately due and payable to Bank, and Customer authorizes Bank to withhold the amount of any such fees and other obligations from any Deposit Account. Debiting a Deposit Account or deducting payment from the amount of any Bank transfer is not Bank's exclusive remedy under this or any other section of the Agreement, and Bank will not be deemed to have made an election of remedies by making any such debit or deduction on any one or more occasion.

(h) Cooperation in Loss Recovery Efforts.

Except as otherwise stated in the Agreement, in the event of any damages for which Bank or Customer may be liable to the other or to a third-party with respect to the Service(s), Bank and Customer will undertake commercially reasonable efforts to cooperate with each other (as permitted by applicable Law) in performing Loss recovery efforts and in connection with any action(s) that the relevant party may be obligated to defend or elect to pursue against a third-party.

9. Confidential Information.

Customer agrees to keep confidential all Confidential Information published or made available to Customer by Bank; to disclose any such Confidential information to Customer's employees and Agents only on a need-to-know basis; not to disclose the Confidential Information to anyone else without prior written consent from Bank, except as required by Law or as permitted hereunder and upon termination of Bank's agreement to provide Services to Customer, to return all Confidential Information to Bank, together with any reproductions or extracts of such Confidential Information. Prior to Customer's first use of the Services, Customer agrees to: (a) adopt and maintain safeguarding and security policies and procedures that (i) comply with applicable Laws, Regulations and regulatory pronouncements, including without limitation the Gramm-Leach-Bliley Act and its implementing regulations, and (ii) are acceptable to Bank; (b) adopt and maintain appropriate disaster recovery and business resumption policies and procedures that comply with applicable Laws, Regulations and regulatory pronouncements; and (c) upon Bank's request, provide Bank with copies of such policies and procedures. **Customer agrees to provide Bank with immediate written Notice of any breach of Customer's computer or IT systems or of any unauthorized use or disclosure of, or access to, any Confidential Information of which Customer becomes aware. Such written Notice shall include a reasonably detailed summary of the nature of the unauthorized use, disclosure or access, as well as its effect or anticipated effect on Bank, and any corrective action taken, or to be taken by Customer. Customer expressly agrees to take appropriate actions promptly upon becoming aware of any such breach or unauthorized use, disclosure or access.**

10. Customer Records; Ownership of Data; Response to Data Security Breach Incidents; Responsibility for Loss.

(a) Customer Records.

The Agreement will not relieve Customer of any obligation imposed by Law, contract, or otherwise regarding the maintenance of records or from employing adequate audit, accounting, and review practices. Customer shall retain and provide to Bank upon request all information necessary to remake or reconstruct any deposit, transmission file, or ACH Entry for at least ten (10) Business Days following receipt by Bank of the deposit, transmission file, ACH Entry, or other order affecting any of Customer's Account(s); provided, however, that Bank's records, kept in the ordinary course of business, will be presumed to accurately reflect the contents of Customer's Instructions to Bank and, in the absence of manifest error, will be binding and conclusive.

(b) Ownership of Data.

The parties understand, acknowledge and agree that all data provided by Customer to Bank including, but not limited to, electronic Images of Substitute Checks retained on any processing equipment, processing Software, including Customer's computer used by Customer in conjunction with Remote Deposit Capture, and all data produced, compiled or otherwise provided by Bank to Customer, in any form or format, is the sole and exclusive property of Customer and copies thereof shall be provided to Customer at Customer's Request from time to time and at any time ("Customer-owned Data"). Once Customer-owned Data is delivered by Bank to Customer, retrieved by Customer from Bank, or otherwise created as a by-product of a transaction between Customer and Bank and retained by Customer, such Customer-owned Data is solely within Customer's possession and control.

(c) Response to Data Security Breach Incidents.

Customer has the sole responsibility for security and protection of Customer-owned Data. In the event of any security breach incident involving any potential or actual unauthorized access or acquisition of Customer-owned Data (e.g., computer hacking, Virus attack, or theft or Loss of any equipment containing Customer-owned Data), it is Customer's sole responsibility to determine whether Customer has the obligation, under applicable Law, to notify potentially affected individuals whose sensitive Personally Identifiable Information ("PII") may have been compromised by the security breach incident. Customer must conduct, at its sole cost and expense, any audit and forensic investigation of such security breach incident. Customer bears the sole responsibility for any and all costs of complying with required data breach notifications to individuals, credit bureaus, and/or governmental entities as required by applicable Law, and any and all costs for credit report monitoring or fraud monitoring associated with such security breach incident.

(d) Responsibility for Loss.

If, despite Customer efforts, Customer suffers any damage or Loss as a result of any unauthorized access or data security breach (e.g. computer hacking, Virus attack, or theft or loss of equipment or other information containing Customer-owned Data), and regardless of whether such unauthorized access or breach results from the activities of Customer's employees, Agents, subcontractors, or any unaffiliated

third-party, any such Loss or damage shall be the sole responsibility of Customer regardless of channel of access (e.g., online or mobile access).

11. Corporate Authority; Partnership Authority.

Customer represents, warrants and agrees that (i) the execution, delivery and performance by Customer under the Agreement are within Customer's powers, have been duly authorized by all necessary action and do not contravene Customer's governing documents (if any) or any Law or contractual restrictions; (ii) no Authorization, approval or other act, and no notice to or filing with any governmental authority or regulatory body is required for the execution, delivery and performance by Customer of the Agreement; (iii) the Agreement constitutes the legal, valid and binding obligation of Customer and that the Agreement is enforceable against Customer in accordance with the terms of the Agreement; (iv) no information furnished by Customer to Bank in connection with the Agreement is inaccurate in any material respect, contains any material misstatement of fact, or omits any fact necessary to make such statements not misleading, as of the date it is dated, or if not dated, the date it is given to Bank; and (v) Customer has not been induced to enter into the Agreement by any representations or statements, oral or written that have not been expressly incorporated herein by reference. Customer agrees to deliver to Bank, upon execution of the Agreement and at any time upon Bank's request, a certified copy of a duly adopted resolution, unanimous consent or other similar corporate or entity document or official record authorizing the execution of the Authorization and Agreement and the granting of authority to the Person(s) identified therein.

In the event that Customer obtains any Services under this Agreement for any of Customer's Related Entities, Customer agrees that such Related Entities are bound by this Agreement. In addition, Customer makes the following additional representations and warranties to Bank each time that a Customer's Related Entity is authorized to obtain Services under this Agreement: (i) if Customer is a Parent of any Subsidiary Related Entity listed, that Customer is authorized under applicable governing documents to exercise both the voting power and equity of the Related Entity, and that no third-party holds any veto power or approval right over (A) Customer's ability to appoint a majority of the directors, managers or other members of the Related Entity's governing body, (B) Customer's ability to determine the Related Entity's strategy and direction, or (C) Customer's ability to bind the Related Entity to this Agreement; (ii) if Customer is a Subsidiary of any Parent Related Entity listed, that Customer has been duly authorized by the Parent to enter into this Agreement, to bind the Parent to this Agreement and to take all necessary actions to obtain Services under this Agreement, and that no third-party holds any veto power or approval right over Customer's ability to fulfill Customer's obligations under this Agreement; (iii) if Customer is an Affiliate of any Affiliate Related Entity listed, that Customer is duly authorized by its governing documents, or by actions of the Affiliate Related Entity, to enter into this Agreement, to bind the Affiliate Related Entity to this Agreement, and to take all necessary actions to obtain Services under this Agreement, and that no third-party holds any veto power or approval right over Customer's ability to fulfill Customer's obligations under this Agreement. Customer further represents and warrants that it has all requisite authority to bind such Related Entities to this Agreement and all related documentation, and that Customer shall be responsible for activities carried out by such Related Entities under this Agreement.

12. Linking of Eligible Accounts for Related Entities.

Once Customer enrolls in Business Online Banking Services, Customer can access Eligible Accounts through the Online Banking System and may link certain Eligible Accounts of Related Entities. Eligible Accounts may change from time to time. Eligibility is based on Account type and the relationship of the Customer to the Account. By enrolling in Business Online Banking Services and utilizing the Online Banking System, Customer may be able to link Eligible Accounts for which Customer is an owner (including joint accounts) and authorized to do so and those that are considered Eligible Accounts by providing the required documentation to Bank. Customer must represent and warrant to Bank, in the sole satisfaction of Bank, that Customer has the authority to act on behalf of the Eligible Accounts and Related Entities and that each Related Entity has, through appropriate corporate or entity resolution, undertaken each and every obligation required of a corporation or an entity under the Law.

If Customer and Customer's Related Entities share the same Codes and Security Procedures, Customer acknowledges the increased security risk and Customer assumes the additional risk resulting from such common use. It is Customer's responsibility to establish policies and procedures with Customer's Related Entities to mitigate such risk.

Customer represents that any Users in regard to linked Eligible Accounts who initiate and transmit Instructions to Bank in electronic form, have the full authority to act in regard to such Eligible Accounts pursuant to this Agreement. Customer agrees that Bank may act upon and shall incur no liability in acting upon any such Instructions as reasonably understood by Bank to be authorized by Customer. Customer agrees that Customer is responsible for and Bank may rely upon the accuracy and authenticity of all data and other information furnished to Customer or Bank by Customer's Users, including Users for Customer's linked Eligible Accounts. Customer understands that by electing to link Eligible Accounts and to use a common Online ID, passcode or token for Business Online Banking Services for all such linked Eligible Accounts, Customer does so at Customer's risk and that of the Related Entities and the Bank assumes no liability for the same. Customer should only link Accounts for which Customer is authorized to do so and is further authorized on such Accounts to use all the functions of Business Online Banking and the Services for each Eligible Account. Customer agrees to inform Bank if Customer's authority over any linked Eligible Account decreases. Bank is not liable if Customer's authority over any Eligible Account decreases until it is informed of the change in authority using the Notice requirements set forth herein and Bank is given a reasonable time to act upon such Notice.

13. Use of Servicers.

(a) Customer's Use of Servicers.

If Customer designates and provides Authorization for a Servicer to use one of the Services in relation to Customer's Account(s) on Customer's behalf, Customer shall notify Bank of such Servicer and the authorized representative(s) of such Servicer (herein "Servicer Representative") to whom Bank is to provide all components of, and information relating to, the Security Procedures associated with the Service(s) so that the Servicer may access and use the Services on Customer's behalf.

Customer authorizes the Servicer to designate individual User(s) to have access to Customer's information and Account(s) and authority to initiate and transmit Instructions to Bank on Customer's behalf using any method of designation accepted by Bank. Customer acknowledges that Bank reserves the right to decline to accept any Instructions or to execute any transactions for Customer's Account(s) in Bank's sole discretion and Bank shall not be required to accept Instructions or to otherwise act with respect to Customer's Account(s) unless indemnified to Bank's satisfaction.

Customer represents that the Servicer and such Servicer Representative(s) who initiate and transmit Instructions to Bank on Customer's behalf in electronic form, have the full authority to agree to any terms and conditions that are required to use the Services in electronic form. Customer agrees that Bank may act upon and shall incur no liability in acting upon any such Instructions as reasonably understood by Bank, provided such Instructions reasonably appear to be genuine to Bank. Customer agrees that Customer is responsible for and Bank may rely upon the accuracy and authenticity of all data and other information furnished by Customer's Servicer and Servicer Representatives.

Bank strongly recommends that Customer develop strong internal controls for administering and tracking any and all Servicer(s). Customer understands that Bank recommends that both Customer and such Servicer(s) review their internal controls, anti-Virus and "malware protection" on a regular basis to reduce the opportunity for fraud. Customer acknowledges that the use of a Servicer may create an increased security risk for Customer and Customer assumes all risk resulting from the same.

It is Customer's responsibility to establish policies and procedures with any such Servicer to mitigate any risk presented. Bank strongly recommends that Customer develop strong internal controls for administering and tracking any and all Servicer(s) who have authority to perform transactions on Customer's Account(s). Customer understands that Bank recommends that both Customer and Servicer review Customer's and Servicer's internal controls, anti-Virus and "malware protection" on a regular basis to reduce risk and opportunity for fraud.

Customer assumes all responsibility for being regularly informed of any Servicer's actions with regard to the Services and Customer's Account(s) and all other circumstances related to authorizing such Servicer and Servicer Representatives to access Customer's Account(s) information and initiate and transmit Instructions on Customer's behalf. Bank has no duty to advise Customer of such risks or information that may be known to Bank regarding such circumstances or risks.

By requesting Bank allow a Servicer to act in regard to the Services related to Customer's Account(s), Customer expressly agrees to indemnify, protect, hold harmless and defend Bank and its Affiliates, directors, officers, shareholders, employees, and Agents, individually and collectively, from and against any and all damages, expenses, liabilities, Losses or costs (including attorneys' fees and court costs), of whatever kind or nature, including those claimed by third-parties, arising from the Servicer(s) acting on Customer's behalf in regard to the Service(s) related to Customer's Account(s). Customer understands and agrees that in the event of a fraudulent or unauthorized transaction initiated by a Servicer that Customer will not have any recourse against Bank and Customer accepts liability for all the acts of such Servicer and Servicer Representative(s), including but not limited to, the negligent, grossly negligent, willful or fraudulent acts of such Servicer(s) and Servicer Representative(s) in relation to any Service(s) under this Agreement or any agreement with the Bank and Customer's Account(s).

(b) Bank's Use of Servicers.

Bank's ability to provide certain Services depends on its ability to provide access to third-party networks and other third-party services. In the event Bank determines, in its sole discretion, that it is unable to provide a third-party network or Service(s) access, Bank may discontinue the related Service or may provide the Service through an alternate third-party network or vendor and shall have no liability for the unavailability of such Service.

14. Licensing of Technology.

Customer agrees to use, and warrant that Customer's Related Entities or Servicers will use the Services and any Software, programs, applets, scripts, and macros related to technology ideas and know-how either owned by Bank or licensed to Customer by Bank and used in connection with the Services at any time, including all modifications, updates, new releases and replacements thereof (the "Technology") in accordance with the Agreement and solely for Customer's own internal business purposes. The Technology is subject to the Confidential Information provisions of the Agreement and there is no transfer of title to, and ownership of, the Technology.

15. Recording of Calls.

Customer acknowledges and consents to Bank's recording transmissions by, or telephone conversations with, Customer and Customer's employees and Agents, including any Related Entity of Customer or Servicer, regarding the Agreement, the Services or the Account(s). Customer agrees that Bank may retain the recordings by any reasonable means for the period of time that Bank deems to be necessary or appropriate, in Bank's sole and absolute discretion. However, unless included as part of particular Security Procedures, neither Customer nor Bank has an obligation to record any telephone conversations or data transmissions or to retain for any period of time any telephone conversations or data transmissions that may have been recorded. Bank will not be liable to Customer if Bank does not record or retain a record of a transmission or conversation regarding the Agreement, the Services, or the Account(s).

Customer is responsible for obtaining any required consents from Customer's Users for these recordings. If Bank's records about a Request are different from Customer's records, Bank's records will govern. Bank's records include Bank's written records and any tape recordings relating to any Services hereunder.

16. Information, Reports, Receipts, and Images.

Certain Services include statements, reports and other information relating to the Account(s) and the Services that Bank makes available from time to time. Any such information reported prior to final posting or settlement is subject to correction in case of error. Various types of Information and reports provided electronically are current as of different dates and times (e.g., they may be reported in real-time, may be updated periodically throughout the day or have prior day status). Customer agrees that Customer will be commercially reasonable in determining when information and reports were last made current. Bank will not be responsible for any Losses Customer may suffer as a result of Customer's misinterpretation of how current information may be. Information regarding balances of any credit facilities that Customer may have with Bank may not include any applicable pre-payment premiums or other costs, expenses or fees, which may be due and owing to Bank under applicable loan documents.

Certain Services may involve transmission of files or information between Bank and Customer. Bank has no obligation to confirm receipt of (or failure to receive) any file or information unless Bank specifically agrees otherwise. Regardless of whether Bank has agreed to confirm receipt, if Customer expects to receive, but does not receive, any such confirmation, Customer must communicate with Bank directly to verify whether or not Bank actually received the file or information. Bank will not be liable for Customer's failure to receive any file or information that Bank transmits to Customer by facsimile or other electronic means.

In connection with certain Services, Bank may endeavor to capture Images of Items deposited into or presented for payment from the Accounts, remittances or other documents. However, Bank will not in any way be liable for Bank's failure to do so. Customer agrees to verify the readability, clarity and quality of all information and Images made available to Customer by Bank, including, without limitation, electronic Images. Customer agrees that Customer will notify Bank within forty eight (48) hours of Bank's delivering or making information or Images available, if the quality of the information is insufficient and that Customer is in need of a replacement of the information or Image provided.

17. Systems; Equipment.

Customer is responsible for purchasing, maintaining, and using equipment and software that is compatible with Bank's System as set forth herein. Customer is responsible for the security and integrity of Customer's equipment, software, and Internet service, and Customer agrees to provide such security as may be necessary to protect Customer from unauthorized access to the System, including, but not limited to, by acquiring and maintaining adequate anti-Virus and spyware protection. Customer is responsible for all charges incurred in connecting to Bank's System and for all charges for any service provider providing an internet connection. Bank is not responsible for any Losses or delays caused by Customer's Internet service provider. Bank has no liability or responsibility for any Losses incurred by Customer as a result of any Software or equipment used by Customer in conjunction with the Services and transactions contemplated hereby.

IN ADDITION TO OTHER WARRANTY DISCLAIMERS CONTAINED ELSEWHERE HEREIN, TO THE EXTENT PERMITTED BY APPLICABLE LAW OR REGULATION, BANK MAKES NO WARRANTIES THAT CUSTOMER'S EQUIPMENT, SOFTWARE, OR ANY INTERNET BROWSER USED BY CUSTOMER IN CONNECTION WITH THE SERVICES ARE MERCHANTABLE OR FIT FOR A PARTICULAR PURPOSE AND BANK HEREBY DISCLAIMS ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, (INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE) WITH RESPECT TO THE SERVICES. ANY PROBLEMS WITH CUSTOMER'S EQUIPMENT, SOFTWARE, OR INTERNET BROWSER MUST BE RESOLVED DIRECTLY WITH THE MANUFACTURER OR OTHER SUPPLIER. BANK DOES NOT WARRANT THAT CUSTOMER'S USE OF THE SOFTWARE, EQUIPMENT, OR SERVICES WILL BE UNINTERRUPTED OR THAT OPERATION OF THE SERVICES WILL BE ERROR-FREE OR SECURE.

18. Customer's Use of the Business Online Banking System.

Customer's use of the Bank's Business Online Banking System and the Internet is entirely at Customer's own risk. Bank makes no representation, warranty or endorsement with respect to: (a) information placed on the Internet by third-parties; (b) the security or continued availability of the Internet or of any Internet website, including without limitation Bank's website or Bank's Business Online Banking

System; or (c) the Services, products or information made available over the Internet by others whose sites may be accessed, directly or indirectly, as a result of Bank's Services.

Customer understands and agrees that: (a) Internet Services, including, but not limited to, Bank's website and Bank's Business Online Banking System are provided to Customer on an "as is" basis, without warranties of any kind; (b) Bank, Bank's Affiliates, Internet service providers, and licensors will not be liable for any errors, defects in, or the untimeliness or lack of authenticity of, any information provided over the Internet; (c) Customer will comply with all Laws applicable to Customer's Internet activities; (d) Customer will not transmit any information that may give rise to civil liability; (e) Bank may monitor Customer's email and Internet communications with Bank's employees; and (f) Bank's Internet service will be subject to the additional qualifications and operating Rules, if any, set forth on Bank's website, Bank's Business Online Banking System, or as otherwise established by Bank in Bank's sole discretion.

As stated below, information from Bank on transfers to or from Customer's Accounts will be reflected on Customer's periodic statements and will be available to Customer online and such will be deemed sufficient Notice to Customer of the same. Customer agrees to notify Bank immediately if Customer discovers: (a) any error or discrepancy between Customer's records and the information Bank provides to Customer about Customer's Accounts or transactions (e.g., in a statement, confirmation, or electronic report); (b) unauthorized transactions involving any Account; (c) a breach in the confidentiality of the Codes; or (d) other problems related to the Services. Customer must send Bank a written Notice of any discrepancy or other problem, including a statement of the relevant facts, within a reasonable time (not to exceed sixty (60) days from the date Customer receives information reflecting the problem). If Customer fails to notify Bank within sixty (60) days, Customer agrees that, in addition to any other limitations on Bank's liability, Customer will be liable for all Losses up to the amount thereof (as well as any loss of interest), that result from Customer's failure to give Bank such Notice or that might have been prevented by Customer giving Bank such Notice.

Customer specifically acknowledges and agrees that the maximum sixty (60) day period described in this section is a reasonable period of time for Customer to detect errors and discrepancies involving Customer's Accounts and transactions and that Bank has agreed to provide Services to Customer, at the fees and charges established for such Services, in reliance upon this time period being commercially reasonable.

Notwithstanding the above, Bank is entitled to rely on any Notice or other communication from Customer believed by Bank in good faith to be genuine and to have been initiated by an authorized representative of Customer and such communication will be deemed to have been authorized by Customer. The parties agree that Bank's records of telephonic or electronic Instructions shall be conclusive evidence of the actual Notice or Instructions given by Customer and recorded by Bank.

Bank will have a reasonable time to act upon any Notices, Instructions, or forms Bank receives related to the Agreement or the Services.

Except as otherwise expressly provided in the Agreement, Bank is not required to act upon any Notice received from any party or to provide any Notice or advice to Customer or any other Person.

Any Notice is deemed given: (i) on the day of delivery if personally delivered or delivered by a courier service on a Business Day before 5:00 p.m. local time in the place of delivery; (ii) on the next business day if delivered after 5:00 p.m. local time in the place of delivery; (iii) if mailed by First Class U.S. Mail to Bank, on the Business Day Bank actually receives the Notice; or (iv) if delivered by electronic mail to Bank, on the Business Day Customer receives electronic confirmation of receipt from Bank, if the confirmation is received by 5:00 p.m. local time in the place of delivery or receipt, and otherwise, on the next Business Day.

(b) Notices to Customer.

Information on transfers to or from Customer's Accounts will be reflected on Customer's periodic statements and will be available to Customer online and such will be deemed sufficient Notice to Customer of the same.

To the extent permitted by applicable Law, Bank may give Notice to Customer by electronic means (including, but not limited to, Customer's confirmed email address on file with the Bank or an electronic banner within Online Banking), mail, or national courier, in Bank's sole discretion. Any written Notice required or permitted to be given hereunder shall be given by: (1) registered or certified mail, return receipt requested, postage prepaid at the address on file with the Bank; (2) Customer's confirmed email address on file with the Bank; (3) Customer's confirmed facsimile on file with the Bank; or (4) a nationally recognized courier service to the addresses of Customer on file with the Bank. Notice shall be effective upon receipt.

Any Notice is deemed given: (i) on the day of delivery if personally delivered or delivered by a courier service on a Business Day before 5:00 p.m. local time in the place of delivery; (ii) on the next business day if delivered after 5:00 p.m. local time in the place of delivery; (iii) if mailed by First Class U.S. Mail to Customer, on the day on which Bank mails it; or (iv) if delivered by electronic mail to Customer on the day that Bank sent the electronic mail message to Customer.

(c) Notices Generally.

In the event that the parties agree that Notice may be given orally for a specific aspect of a Service or with respect to a particular matter arising under the Agreement, such oral Notice must be confirmed in writing or electronically subject to the provisions above. Customer agrees that there is risk in acting on oral Notice and Bank's records of the oral Notice controls.

Each party may rely upon the other party's current contact information in its possession until a written notification of change is received and the receiving party has had a reasonable time to act to amend its records accordingly. It is Customer's responsibility to provide Bank, in writing, with any changes to Customer's contact information, including without limitation, Customer's facsimile number, or email address, in a timely manner so as to afford Bank a reasonable time to act to implement such changes.

20. Security Procedures.

(a) Security Procedures under the Agreement.

Where required for any Service, Customer will agree to one or more Security Procedures that must be used by Customer in connection with the Service(s). Security Procedures offered by Bank are described herein and in documentation related to the applicable Service. As part of the Security Procedures, Bank may employ various authentication Technologies. As part of Bank's "Online Banking Services" and "Treasury Management Services" for commercial Customers, Bank employs various security and authentication Technologies to ensure that Contracting Executive(s), Administrator(s) (if applicable), and Users are communicating directly with Bank, and also to ensure that Customer's computer is communicating with a legitimate Bank computer. Such Bank authentication procedures and Technologies include, but are not limited to, use of Customer Online Banking Services User IDs, passwords, tokens and other "Additional Authentication Information" ("AAI") that Bank may require Customers to provide at Bank's sole discretion. Such AAI is required as a component of various Online Banking Services authentication procedures that Bank may employ, including, but not limited to, tokens, security questions and responses and/or use of other hardware-based and software-based security and authentication tools, programs and procedures. Customer is responsible for the establishment and maintenance of its internal procedures reasonably adapted to insure the confidentiality and security of Security Procedures. CUSTOMER UNDERSTANDS AND AGREES THAT CUSTOMER WILL BE RESPONSIBLE FOR MAINTAINING SECURITY AND CONTROL OVER ALL USER IDS AND PASSWORDS OF CUSTOMER'S USERS, AND SHALL USE SECURITY FOR SUCH ITEMS COMPARABLE TO THE SECURITY

If Customer or its employees or Agents have reason to believe that any Security Procedure has or may have become known by unauthorized Persons (whether or not employed by Customer), Customer shall immediately notify Bank by telephone and confirm such oral notification in writing to Bank within twenty-four (24) hours of the oral notification. Bank will replace the Security Procedures in accordance with Bank's standard security requirements related to the applicable Service(s). To the maximum extent permitted by applicable Law, Customer will be solely liable for all transactions, including funds transfer Instructions and other communications, initiated before Bank has received such notification and has had a reasonable opportunity to act on such notification. Bank reserves the right to modify, amend, supplement, or cancel any or all of the Security Procedures, at any time and from time to time in Bank's discretion. Bank will endeavor to give Customer reasonable Notice of any change in Security Procedures; provided that Bank may make any change in Security Procedures without advance Notice if Bank, in Bank's judgment and discretion, believe such change to be necessary or desirable to protect the security of Bank's Systems or assets. Customer's implementation and use of any changed Security Procedures after any change in Security Procedures shall constitute Customer's agreement to the change and agreement that the applicable Security Procedures, as changed, are commercially reasonable and adequate for the purposes intended. Customer acknowledges that the purpose of Security Procedures is to authenticate the identity of the Person initiating the action, not to detect errors in any transmission or content. Bank is not responsible to detect Customer errors in regard to the Service(s) utilized by Customer or Customer's Account(s) and Customer should not rely on Bank's Security Procedures to detect or otherwise protect Customer from error in regard to the Service(s) or Customer's Account(s). Customer represents that for the Service(s) it Requests, it considers the Security Procedures implemented by the Bank to be commercially reasonable with respect to the size, type, and frequency of funds transfers Customer anticipates issuing and the information which will be transmitted by Customer.

(b) Customer's Data Security Obligations.

With regard to obtaining any Services under this Agreement, Customer must comply with the Computer (as defined herein) hardware, software, and Security Procedure requirements as set forth in these General Provisions and/or as set forth in any Service specific provisions or any supplemental information and/or Instructions provided by Bank. Bank reserves the right as encryption Technology develops to impose further reasonable requirements to maintain the appropriate level of security for the Services and transactions contemplated hereunder and Customer agrees to abide by such requirements. Furthermore, Customer understands and acknowledges that if Customer does not follow commercially reasonable hardware, software, physical access and physical storage security procedures regarding any Customer-owned Data (defined herein), including such data containing the sensitive Personally Identifiable Information ("PII") of any individual, the security of Customer's transactions and/or Customer-owned Data (including sensitive PII) may be compromised. Customer understands, acknowledges, and agrees that installation, maintenance and operation of Customer's Computer (hardware and software) and related security procedures, including, but not limited to, data security protection, firewalls and anti-Virus software, is Customer's sole responsibility, and that Customer is solely responsible for securing, encrypting, protecting, and otherwise safeguarding Customer-owned Data.

(c) Limitation on Liability.

Customer understands, acknowledges and agrees that Bank is not responsible for any Loss or damages resulting from any errors or failures of Customer's Computer or data processing systems, including, but not limited to any computer Virus or malware attack (such as a keystroke logging program or similar malware), any attack by a Person attempting or actually gaining unauthorized access to Customer-owned Data, or any Internet-related problems that may be associated with Customer's access and use of the Services.

(d) Serious Potential Threat to Customer's Business; Notification to Bank.

Customer acknowledges and agrees that the threat of fraud resulting from theft of electronic data is a serious potential threat to Customer's business and, accordingly, Customer will take all reasonable steps to make certain that its Computers and data security systems are protected from unauthorized access or use, and in an event of any unauthorized access or use, Customer will take all reasonable steps to immediately inform Bank of the security breach.

(e) Responsibility for Loss.

If, despite Customer efforts, Customer suffers any damage or Loss as a result of Customer's failure to comply with its data security obligations, and regardless of whether such damage or Loss results from the activities of Customer's employees, Agents, subcontractors or any unaffiliated third-party, any such Loss or damage shall be the sole responsibility of Customer.

21. Cooperation.

Within ten (10) Business Days after receipt of a written request from Bank, Customer agrees to furnish such financial statements or other documents and information as Bank may reasonably request.

22. Audit Rights.

Customer agrees to permit Bank, and Bank's authorized representatives, (i) to visit and inspect any of Customer's locations for the purpose of evaluating physical, information security and operational controls, (ii) to examine and make excerpts from Customer's books and records relating to Customer's Account transactions with Bank, (iii) to audit Customer's compliance with the Agreement, the Law and the Rules and Regulations (including the Check 21 Act, FRB Regulation CC, National Clearing House Association (NACHA), American National Standards Institute X9 Specification, UCC Articles 3 and 4, and any network association agreements as are currently in effect and as amended from time to time); and (iv) to discuss Customer's Transactions and Accounts with Customer's officers and employees, all in such detail and at such times and as often as Bank may reasonably request; provided, however, that Bank shall give Customer reasonable Notice prior to any such visitation, inspection or audit. Bank shall endeavor to avoid disrupting Customer's normal business operations during any visit to Customer's locations.

23. General Representations and Warranties.

Customer represents and warrants that, (i) Customer has taken all necessary actions to authorize the execution and delivery of this Agreement; (ii) the Person signing the documents establishing Customer's Account relationship is duly authorized to do so; (iii) Customer has obtained all Authorizations of any governmental body required to establish or maintain Customer's business and such Authorizations are in full force and effect; (iv) Customer's acceptance of this Agreement and its Terms and Conditions and Customer's performance of Customer's obligations under this Agreement and its Terms and Conditions will not violate any Law, ordinance, charter, by-law, or Rule applicable to it or any agreement by which Customer is bound or by which any of Customer's assets are affected; and (v) all information, documents, statements (written or oral), agreements and work papers furnished or to be furnished in writing to Bank by Customer related to ("Customer Information"), including without limitation any Customer Information containing any representation, warranty, covenant or agreement made in respect of Customer, Customer's Related Entities or their business and operations, is or will be at the time of delivery to Bank accurate and complete in all material respects. Customer understands and agrees that Bank may rely on such Information in connection with transactions effected for credit to Customer's Accounts.

24. Liability for Related Entities and Actions of Third Parties.

Customer agrees that Customer will be liable to Bank for any and all actions taken or not taken with respect to the Services or the Accounts, (i) by or on behalf of any of Customer's Related Entities, or (ii) by any Servicer or other third-party engaged by Customer to act on Customer's behalf with respect to any Service or Account, without regard to whether Customer knew of or authorized Customer's Related Entity's, Customer's Servicer's or other third-party's actions in advance. This assumption of liability by Customer is also applicable to the Confidential Information provisions in the Agreement.

In any instance in which Customer provides, or asks Bank to provide, a third-party payroll provider or other Servicer with Customer's Checks drawn on Bank, Customer will reimburse Bank for all Checks negotiated, whether or not authorized by Customer. In addition, Customer agrees that Customer will indemnify Bank, Bank's Affiliates, directors, officers, shareholders, employees, and Agents, individually and collectively against any and all Losses resulting from any actions taken by such third-party with respect to the Checks provided to it by Customer or at Customer's Request, unless such Losses result solely from Bank's gross negligence or willful misconduct.

25. Limitation of Liability.

To the maximum extent permitted by applicable Law, Customer agrees that Bank is not liable for any error or delay on the part of any third-party used by Bank in connection with the Services. Bank will be responsible only for performing the Services expressly provided for herein, and shall be liable only for Bank's fraud, willful misconduct, or gross negligence in performing the Services. Bank shall not be responsible for Customer's acts or omissions or for those of any other Person, including without limitation any Federal Reserve Bank, Automated Clearing House, transmission or communications facility or any intermediary, Receiver or Receiving Depository Financial Institution, and no such Person shall be deemed Bank's Agent.

Bank's ability to provide certain Services (*e.g.*, in connection with electronic data interchange) is dependent upon Bank's ability to obtain or provide access to third-party networks. In the event any third-party network is unavailable or Bank determines, in Bank's discretion, that Bank cannot continue providing any third-party network access, Bank may discontinue the related Service or may provide the Service through an alternate third-party network. In such situations, Bank will have no liability for the unavailability of access.

Bank will not be liable for any Losses that Customer may incur due to Customer's failure to comply with the Agreement, including any applicable Security Procedures, provisions regarding deadlines or conditions for initiating transactions or restrictions, or conditions regarding access to information or data by any means. Bank will have no liability to Customer for Customer's, Customer's Related Entities' or Customer's Servicer's selection, operation or maintenance of the Services, including the Security Procedures. Customer represents and warrants that Customer has acquired appropriate equipment, Internet browser, software and/or communication facilities required to use the Services and maintain appropriate security in connection with the Services.

Bank will have no obligations to Customer other than those clearly stated in the Agreement. Bank will be liable to Customer only for Bank's gross negligence or willful misconduct. Without in any way limiting the foregoing, Bank will have no liability for any damage to Customer's or Customer's Servicer's computer systems caused by a Virus or any similar problem (herein throughout "Viruses") that result from the use of the Services. Although Bank does not warrant that the Services will be free from all Viruses, Bank has employed efforts to check for the most commonly known Viruses prior to making the Services available. Nonetheless, Customer, Customer's Related Entities, and Customer's Servicers are solely responsible for protecting Customer and Customer's systems, including network servers and technology-related assets, against unauthorized access or intrusion including, Viruses, malicious or criminal acts or network attacks, and to correct defects and/or problems, which affect the functioning of network, operating or other systems.

In the event of any damages for which Bank may be liable to Customer or to a third-party pursuant to the Services provided under this Agreement, Customer will undertake reasonable efforts to cooperate with Bank, as permitted by applicable Law, in performing Loss recovery efforts and in connection with any actions that Bank may be obligated to defend or elect to pursue against a third-party.

IN NO EVENT SHALL BANK BE LIABLE FOR ANY CONSEQUENTIAL, EXEMPLARY, SPECIAL, INCIDENTAL, PUNITIVE OR INDIRECT LOSS OR DAMAGE WHICH CUSTOMER MAY INCUR OR SUFFER IN CONNECTION WITH THE SERVICES OR THE AGREEMENT, WHETHER OR NOT THE LIKELIHOOD OF SUCH DAMAGES WAS KNOWN TO OR CONTEMPLATED BY BANK AND REGARDLESS OF THE LEGAL OR EQUITABLE THEORY OF LIABILITY WHICH CUSTOMER MAY ASSERT, INCLUDING WITHOUT LIMITATION, LOSS OR DAMAGE FROM SUBSEQUENT WRONGFUL DISHONOR RESULTING FROM BANK'S ACTS OR OMISSIONS PURSUANT TO THE AGREEMENT.

Customer agrees that Bank will not be liable for events or circumstances beyond Bank's reasonable control, and the liability of Bank will be limited to correcting errors caused by Bank and in no event shall the cumulative liability of Bank to Customer for all claims relating to, arising out of, or stemming in any way from the Services, this Agreement or the relationship between Customer and Bank with respect thereto, including any cause of action in contract, negligence, tort, strict liability or otherwise, exceed the total amount paid by Customer to Bank as fees for the Services only during the three-month period immediately preceding the origination of the claim giving rise to the liability.

In no event shall Bank, Bank's directors, officers, shareholders, employees, or Agents be liable or responsible for consequential, exemplary, punitive, special, or incidental damages or Losses, including lost profits. Bank makes no representation or warranties of merchantability or fitness or suitability of the Services or Software products for a particular purpose or as to the suitability or compatibility of Bank's Software, equipment, or communication interfaces with those used by Customer.

26. Indemnification.

To the maximum extent permitted by applicable Law, Customer hereby agrees to indemnify, defend, release, and hold harmless Bank and its Affiliates, directors, officers, shareholders, employees, and Agents, individually and collectively, from and against any and all claims, costs, Losses or damage, including reasonable attorneys' fees and expenses, that Bank may sustain or incur or which may be asserted against Bank by reason of or as a result of any action taken or omitted by Bank in connection with Bank's providing Services to Customer hereunder, even if such Losses arise from Bank's negligence, but excluding any Losses arising out of Bank's willful misconduct or gross negligence, unless otherwise specified in the Agreement or any applicable Deposit Account Agreement. Customer also hereby indemnifies and holds Bank and its Affiliates, directors, officers, shareholders, employees, and Agents, individually and collectively, harmless for any claim, cost, Loss or damage caused directly or indirectly by Customer's failure to comply with the terms of this Agreement or any agreement with Bank related to Customer's use of the Services or Customer's Account(s) with Bank or caused by Customer's breach of any representation or warranty contained herein.

Customer further understands and agrees that Customer is required to indemnify Bank's technology partners and hold harmless their Affiliates, directors, officers, employees and Agents against any Third-Party Claims, suits, proceedings, actions or demands, including claims of another financial institution, business entity or governmental authority, and all losses, liabilities, damages, fines, penalties, costs and expenses, including court costs and reasonable attorneys' fees and expenses, arising from such claims, to the extent such claim is related to Bank or Customer's use of the Services, including but not limited to, the Mobile Banking Services, the Mobile Deposit Service, the Mobile Banking Application or Bank's technology partners' applications relating thereto, unless such claim directly results from an action or omission made by Bank's technology partners in bad faith. Customer understands and agrees that this paragraph shall survive the termination of this Agreement.

For purposes of this indemnification provision, "Customer" includes Customer's directors, officers, employees, Servicers, Contracting Executives, Administrator(s) (if applicable), and Base User(s). Customer will indemnify, defend and hold Bank harmless as well as Bank's Affiliates or Bank's respective officers, directors, employees, Agents and assigns from and against all Losses arising directly or indirectly, out of or relating to the following:

- Customer's breach of any agreement, representation, warranty or obligation under the Agreement;
- Customer's violation of any Law in connection with Customer's fulfilling Customer's obligations under the Agreement;

- Customer’s alleged infringement of a third-party’s patent, trademark or copyright, or alleged misappropriation of a third-party’s trade secret;
- Provision by Customer of incorrect or incomplete data to Bank;
- Any action that Bank takes in accordance with Instructions that Bank reasonably believed to have been authorized by Customer, whether or not transmitted using a Security Procedure;
- Customer’s failure to perform Customer’s covenants, duties or obligations under the Agreement; provided, however that Customer will not be required to indemnify Bank for any such Losses to the extent that they are caused directly by Bank’s gross negligence or willful misconduct;
- Any actions taken by Customer’s Related Entities, Servicers or other third-party providers; or
- Any damage caused to Bank’s computer Systems resulting from any Viruses or similar programs transmitted from Customer or Customer’s Servicer’s systems to Bank’s Systems through Customer’s use of the Services or Bank’s Systems.

In any case where Bank seeks indemnification for third-party Losses (herein referred to as a “Third-Party Claim”), the following procedures will apply:

- Bank will give prompt written Notice to Customer of each Third-Party Claim, specifying the amount and nature of the claim (herein referred to as a “Notice of Claim”). If the Notice of Claim is given or the failure to provide the Notice of Claim does not prejudice Customer’s interests, Customer, at Customer’s own expense and using counsel of Customer’s own choosing, will promptly defend, contest, and otherwise protect against any such Third-Party Claim.
- If Customer is defending against the Third-Party Claim, Bank may, but will not be obligated to, participate in the defense of the Third-Party Claim, at Bank’s own expense and using counsel of Bank’s own choosing, but Customer will be entitled to control the defense unless Bank has relieved Customer in writing from liability with respect to the particular matter. Bank will cooperate and provide such assistance as Customer reasonably requests in connection with Customer’s defense and will be entitled to recover from Customer the reasonable costs of providing such assistance. Customer will inform Bank on a regular basis of the status of such Third-Party Claim and Customer’s defense of it.
- In any Third-Party Claim in which Customer controls the defense, Customer will not, without Bank’s prior written consent, compromise or settle such Claim, suit or proceeding if: (i) such compromise or settlement would impose an injunction, obligation or other equitable relief upon Bank; or (ii) such compromise or settlement does not include the third-party’s release of Bank from all liability relating to such Third-Party Claim.
- If Customer fails to timely defend, contest, or otherwise protect against any such Third-Party Claim, Bank may, but will not be obligated to, defend, contest or otherwise protect against the Third-Party Claim, and make any compromise or settlement and recover from Customer the entire costs Bank expended, including reasonable attorneys’ fees and costs of counsel and all amounts paid as a result of the Third-Party Claim and the compromise or settlement of it.
- Customer’s obligation to indemnify Bank’s officers, directors, shareholders, employees and Agents in accordance with this section may be enforced exclusively by Bank and nothing in the Agreement will be construed to grant such officers, directors, shareholders, employees and Agents any individual rights, remedies, obligations or liabilities with respect to Customer.

27. Intellectual Property.

All Bank Proprietary Property and intellectual property provided by Bank remains Bank’s exclusive property. Customer acknowledges that the Services are Bank’s intellectual property and that Bank owns all rights, title and interest in same, or Bank has otherwise obtained the authority to provide the Services to Customer. Nothing in the Agreement expressly or implicitly waives or diminishes any of Bank’s rights, title or interest to or in Bank’s intellectual property, trademark, service mark, trade dress, copyright, or patents related to or reflected in the information and intellectual property provided by Bank.

Bank represents that to the best of its knowledge, Bank has all necessary rights and approvals to provide the Services to Customer, and that the Services do not infringe upon any copyright, patent, trademark, or other intellectual property rights of any third-party. As to any demands, claims or suits by a third-party arising out of any alleged infringement of any such intellectual property or other rights, Bank’s entire

liability to Customer shall be to use Bank's best efforts to provide Customer with a non-infringing alternative or to obtain a license from such third-party at a royalty rate that Bank determines to be reasonable. If Bank cannot provide Customer with a non-infringing alternative or obtain a license at a reasonable rate, Customer agrees to cease using any Service at Bank's request.

Customer acknowledges and agrees that all intellectual property, trademarks, trade names, service marks, copyrights, programs, specifications, Software, Systems designs, applications, routines, techniques, enhancements, Software codes, test keys, security devices, Security Procedures, documentation, manuals, ideas and formulas (collectively, referred to throughout collectively as the "Bank Proprietary Property") utilized or developed and provided by Bank in connection with the Agreement and the Services provided hereunder, whether online via Bank's website or otherwise, are proprietary property of Bank having great commercial value to Bank. Customer shall have no ownership interest in Bank Proprietary Property or other rights related thereto, and Customer agrees to keep Bank Proprietary Property confidential at all times. Customer may use Bank Proprietary Property only for the purposes for which it was provided by Bank and shall notify Bank immediately of any breach of this section of which it becomes aware. Bank may require Customer to license specific Software in order to receive a particular Service. Unless agreed to the contrary between the parties with regard to certain Services, with such agreement approved by Bank in Bank's sole discretion, upon termination of the Agreement or any applicable Service, such license in Bank's Proprietary Property and any licensed Software shall automatically expire and Customer agrees to immediately cease using any Bank Proprietary Property and any licensed Software relating to the Service or Services affected by such termination. Additionally, and unless contrary to prior agreement regarding the Software, Customer agrees to erase any Software comprising Bank Proprietary Property and relating to the Service or Services terminated to the extent such Software is stored in Customer's computers, and, at the request of Bank, to return all copies of all items relating to Bank Proprietary Property which are in the possession of Customer. Alternatively, and at Bank's option, Customer will destroy all copies of all items relating to Bank Proprietary Property which are in the possession of Customer and, upon request from Bank, provide written certification to Bank that such destruction has occurred.

28. Duties Limited.

Bank has no duties or responsibilities except such duties and responsibilities as are specifically set forth herein, and no covenant or obligation shall be implied against Bank. Bank's duties and responsibilities hereunder shall be performed in accordance with applicable Laws and Bank shall have no obligation to take actions which in Bank's reasonable opinion are either inconsistent with, or prejudice or impair Bank's rights under, any such Laws.

29. Requests for Instructions.

Bank may, at any time, request Instructions with respect to any matter arising in connection with Bank's duties and obligations hereunder, and shall not be liable for any action taken or permitted by Bank in good faith in accordance with such Instructions. Such request for Instructions may, at Bank's option, set forth in writing any action proposed to be taken or omitted by Bank with respect to Bank's duties or obligations hereunder and the date on or after which such action shall be taken, and Bank shall not be liable for any action taken or omitted in accordance with a proposal included in any such request on or after the date specified therein (which shall be at least five (5) days after the date of Customer's receipt of such request) unless, prior to taking or omitting any such action, Bank has received Instructions in response to such request specifying the action to be taken or omitted. Bank may apply for and obtain the advice and opinion of Customer's counsel, or of Bank's own counsel, at Customer's expense, and shall be fully protected with respect to anything done or omitted by it in good faith in conformity with such advice or opinion. Customer is responsible for the correctness, both as to content and form, of all information submitted to Bank. If any information is not readable, out of balance, cannot be processed, or is otherwise inaccurate, incomplete, or inadequate, it is Customer's sole responsibility to correct and resubmit the information to Bank upon receipt of notification of such occurrence from Bank.

30. Delegation; Subcontracting.

Bank may delegate any of Bank's duties and obligations hereunder to any delegatee and may employ Agents, subcontractors, or attorneys-in-fact: provided however, that no such delegation, subcontracting, or employment shall discharge Bank from Bank's obligations hereunder. Bank shall have no liability or responsibility whatsoever if any delegatee, Agent, subcontractor or attorney-in-fact shall have been selected or approved by Customer. Notwithstanding the foregoing, nothing contained herein shall obligate Bank to effect any delegation or to employ any Agent, subcontractor, or attorney-in-fact.

31. Termination.

(a) By Bank with Cause.

Bank may, in its sole discretion, terminate the Agreement in its entirety or with respect to one or more specified Service(s) effective immediately if: (i) Customer fails to maintain adequate collected and available balances to cover all transactions, costs and expenses relating to one or more Service(s); (ii) there is an occurrence of a material change in Customer's credit and/or risk analysis criteria as determined by Bank in its sole and absolute discretion; (iii) Bank at any time determines that Customer or Customer's third-party vendor or Servicer does not meet Bank's risk or other qualification requirements; (iv) Bank discovers any willful misconduct (including but not limited to writing or knowingly passing bad Checks, or engaging in any kind of fraudulent activity) on the part of Customer or any other party with respect to electronic Images submitted by Customer if Customer utilizes Bank's Remote Deposit Capture Services or originated electronic entries if

Customer utilizes Bank's ACH Services; (v) Customer is in default of any terms of a Service specific provision of this Agreement where such default gives Bank the right to terminate, immediately or otherwise, the Agreement or a specific Service; (vi) Customer has selected a particular Service, but Customer has not used such Service for a period of time deemed to constitute an inactive Service by Bank (in Bank's sole discretion); (vii) Customer is in default of any terms of the Agreement or any other agreement with Bank; or (viii) Customer is in violation, in the opinion of Bank, of any applicable federal or state Law, including the provisions of the Unlawful Internet Gambling Enforcement Act. In any of these events, Bank's sole obligation shall be to provide Notice of its termination of the Agreement to Customer as soon as is commercially reasonable.

(b) By Either Party for Any Reason.

Either party may terminate the Agreement, with or without cause, in its entirety or with respect to one or more specified Service(s) at any time, upon thirty (30) days written Notice to the other of its intent to do so.

(c) Rights and Responsibilities upon Termination.

In the event of termination of the Agreement or any Service hereunder, the rights and responsibilities of the parties shall continue through any applicable settlement period including Customer's responsibility to pay Bank for Service(s), and to maintain a Reserve Account as applicable or as otherwise stated in this Agreement, with respect to transactions processed prior to the effective date of termination unless otherwise expressly stated herein. If this Agreement, or any Service, is terminated by Bank, Bank may accelerate all amounts due and to become due under this Agreement, and Customer shall promptly make full payment to Bank of all amounts due and amounts incurred under this Agreement. If Customer utilizes the Remote Deposit Capture Service, termination of this Agreement for any reason shall automatically terminate the limited license to the processing Software granted in the Remote Deposit Capture section, and Bank has the right to demand immediate return of the processing Software, the processing equipment, and all documentation. In the event that Customer fails to return such Items upon the written demand of Bank within a reasonable period of time, Bank may, at Bank's discretion, exercise its right to enter the premises of Customer to remove such Items.

(d) Inactive or Dormant Enrollment

Customer acknowledges and agrees that Bank may consider Customer's enrollment in Online Banking inactive or dormant in the event Customer has not logged into Online Banking for a period in excess of one hundred eighty (180) days. Once Customer's enrollment has been placed on inactive or dormant status, Online Banking transactions may be declined. Customer may not be able to access Online Banking, and Customer will be required to re-enroll in Online Banking in order to continue using it.

Upon termination, Bank's sole obligation, which shall arise only after, and not before, Customer has paid to Bank all out-of-pocket expenses, fees, compensation and other amounts owed by Customer to Bank, shall be to deliver to Customer such records, if any, as may be owned by Customer, in the form and manner kept by Bank on such date of termination, and to pay to Customer any monies held for Customer's Account(s) hereunder.

32. Compliance with Legal Requirements.

Customer agrees that Customer will not initiate any transactions that violate any Laws. Customer represents that only lawful transactions will be originated with Bank.

Customer makes a continuing representation and warranty to Bank that, as of the effective date of the Agreement, any transaction Customer initiates will be with requisite corporate authority and licenses and Customer will comply with all Laws necessary for all transactions. Customer further represents and warrants that Customer is in compliance with all applicable domestic and foreign Laws, orders, and Regulations including, but not limited to, those relating to Regulations of OFAC. At Bank's request, Customer will provide Bank with compliance certificates.

Customer acknowledges that Bank may be subject to Regulations of OFAC. In the event Bank determines in Bank's sole discretion, which determination shall be conclusive, that performing any Service could subject Bank to any potential claim or violation of the OFAC Regulations, Bank shall take any and all actions required under the OFAC Regulations in connection with such Service including, without limitation, making any and all reports required under the OFAC Regulations, and shall immediately cease all performance with respect to any such Service until such time as Bank determines in Bank's sole discretion that performance of such Service would not be proscribed by the OFAC Regulations. Bank shall notify Customer of any determination made hereunder (unless such Notice is prohibited by OFAC Regulations), which Notice shall designate the Service affected and the implicated provisions of the OFAC Regulations; provided, however, that failure to so notify Customer shall not in any way require Bank to perform any Service or otherwise fail to comply with the OFAC Regulations. Bank reserves the right to temporarily suspend processing of a transaction for enhanced compliance reviews, which may result in a delay in settlement and/or availability. Customer shall hold Bank harmless from any liability whatsoever incurred by Customer in connection with a cessation of any Service under this section. Without limiting the generality of this section, Customer agrees to indemnify Bank and hold Bank harmless from and against any liabilities, damages, claims, costs, Losses and expenses that Bank incurs in relation to the OFAC Regulations as a result of Bank's performance of the Services on Customer's behalf.

If Customer's business is subject to compliance with the federal Bank Secrecy Act, the U.S. PATRIOT Act and similar state and federal Laws, Customer agrees as follows: to establish a compliance program to ensure that Customer fulfills any compliance requirement or obligation that Bank has under all applicable U.S. federal and state Laws, Regulations, Rulings, and other requirements relating to anti-money laundering, including, but not limited to, the federal Bank Secrecy Act, the U. S. PATRIOT Act and any Regulations of the U.S. Treasury Department to implement such Acts, as amended from time to time (collectively, the "Anti-Money Laundering Laws"), including, (i) a customer identification program, in compliance with 31 C.F.R. § 1010.100, et seq., as amended from time to time, that seeks to verify the identity and business of each new client Customer may have, and (ii) a policy for identifying and reporting to Bank and to the appropriate federal and state law enforcement authority any suspicious transactions by any of Customer's clients with respect to the use of Bank's Services. Bank and Bank's designees shall have the right to review and audit Customer's program for compliance with Anti-Money Laundering Laws and Customer shall make any changes to such compliance program that are requested by Bank from time to time. Customer agrees to maintain all records relating to the implementation of Customer's identification program and Customer's compliance with the Anti-Money laundering Laws in the United States for a period of seven (7) years after the termination of the Agreement. Customer shall provide Bank with a copy of any records relating to Customer's anti-money laundering compliance program immediately upon Bank's request. Customer may be asked to certify, upon request from Bank during the effective period of the Agreement that Customer has implemented an anti-money laundering program and that Customer will perform the requirements of a customer identification program as established in the Agreement and as required by 31 C.F.R. § 1010.100 et seq., with respect to any of Customer's clients using Bank's Services.

33. Right to Rely.

The parties acknowledge and agree that Bank is entitled to and may rely upon, (i) any communications or Instructions that Bank reasonably believe were transmitted by Customer's Contracting Executives, Administrator(s) (if applicable), Base User(s), or an Authorized representative of Customer (ii) any written communication that Bank reasonably believes was sent by the individual whose name appears on the communication, and (iii) any Instruction received using a Security Procedure selected by Customer that Bank reasonably believes was transmitted by Customer's Contracting Executive, Administrator(s) (if applicable), Base User(s) or an Authorized representative of Customer.

34. Governing Law.

This Agreement shall be governed by and construed in accordance with federal Law and the Laws of the State of Arkansas and Customer consents to the jurisdiction and venue thereof and therein. If state and federal Law are inconsistent, or if Arkansas law is preempted by applicable federal law, federal law shall govern. If any provision of this Agreement is determined by a court of law to be illegal or unenforceable, such provision will be enforced to the maximum extent possible and the other provisions will remain effective and enforceable. Customer and the Bank confirm that this Agreement and all related documentation is and will be in the English language. The application of the United Nations Convention on Contracts for the International Sale of Good is hereby expressly waived and excluded.

35. Waiver of Jury Trial.

Customer knowingly, willingly, and irrevocably waives its right to a jury trial in any dispute with Bank related to or arising the Agreement and any other agreement with the Bank related to the Account(s) or the Services, as the same may be amended from time to time in Bank's sole discretion.

36. Waiver of Class Actions.

Customer agrees that the transactions utilizing the Service arise from a unique relationship between Customer and Bank such that any alleged damage or Losses that may arise as a result of an alleged violation of this Agreement or the Laws and Regulations governing this Agreement are not the same for all Persons utilizing the Services and therefore not appropriate for class action treatment. CUSTOMER WAIVES CUSTOMER'S RIGHT TO PARTICIPATE IN A CLASS ACTION AGAINST BANK EITHER AS A MEMBER OF A PUTATIVE CLASS OR AS LEAD PLAINTIFF IN ANY DISPUTE AGAINST BANK.

37. Legal Fees.

In the event of any dispute arising out of or related to the terms of this Agreement, the prevailing party shall be entitled to recover its reasonable attorney's fees, court costs and experts' fees, in addition to any other recovery awarded by the court.

38. Captions.

The captions of the sections hereof are for convenience only and shall not control or affect the meaning or construction of any of the provisions of this Agreement.

39. Entire Agreement.

Unless otherwise stated herein, the Agreement, together with the Application(s) and any exhibits and schedules attached hereto or thereto, represent the complete and exclusive statement of the agreement between Bank and Customer with respect to the Services and supersede any prior agreement between Customer, Bank, or a predecessor with respect to the provisions hereunder. In the event performance of the Services in accordance with the Agreement would result in a violation of any present or future Laws to which Bank is subject, and which governs or affects the Services, then the Agreement shall be deemed amended to the extent necessary to comply with Law, and Bank shall incur no liability to Customer as a result of such violation or amendment. No course of dealing between Customer and Bank will constitute a modification of the Agreement, the Rules, or the Security Procedures or constitute an agreement between Customer and Bank, regardless of whatever practices and procedures Customer or Bank may use.

40. Enforceability.

Upon execution of any related Service Applications, the Agreement will constitute a binding and legal obligation of the parties enforceable against each party in accordance with its terms.

41. No Waiver.

Bank shall not be deemed to have waived any of Bank's rights or remedies hereunder unless such waiver is in writing and signed by Bank. No delay or omission on Bank's part in exercising any rights or remedies hereunder shall operate as a waiver of such rights or remedies or any other rights or remedies. A waiver on any one occasion shall not be construed as a bar or waiver of any rights or remedies on future occasions.

42. Binding Effect.

The Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors and permitted assigns. The Agreement is not for the benefit of any third-party and no third-party will have any right against Bank or Customer hereunder unless otherwise expressly stated herein. By written Notice to Bank, Customer may elect to jointly use the Services by, among, between, or on behalf of Customer, and Customer's Related Entities. In such case, Customer represents and warrants to Bank that Customer directly or indirectly through one or more intermediaries, control, or are controlled by, or are under common Control with, each such Related Entity. Customer agrees that Customer is responsible for any and all obligations of any such Related Entity to Bank incurred in connection with the use of the Services.

43. Amendments.

Bank may amend or modify the Agreement or any of the Services at any time at Bank's sole discretion. Any use of the Services after Bank provides Customer with Notice of any such change will constitute Customer's agreement to such change(s). Further, Bank may, from time to time, revise or update the Agreement and/or related materials, which may render prior versions of the Agreement obsolete. Consequently, Bank reserves the right to terminate the Services and the Agreement as to all such prior versions of the Agreement and/or related materials and limit access to and compliance with only Bank's most recent revisions and updates.

44. Severability.

Headings are used herein for reference purposes only and shall not be deemed a part of the Agreement. In the event that any provision of the Agreement shall be determined to be invalid, illegal or unenforceable to any extent, the remainder of the Agreement shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by Law.

45. Remedies Cumulative.

Each and every right granted to Bank hereunder or under any other document delivered hereunder or in connection herewith, or allowed it by Law or equity, shall be cumulative and may be exercised from time to time. No failure on Bank's part to exercise, and no delay in exercising, any right will operate as a waiver thereof; nor will any single or partial exercise by Bank of any right preclude any other or future exercise thereof or the exercise of any other right. Customer agrees that money damages may not be a sufficient remedy for Customer's breach of the Agreement and that Bank shall be entitled to specific performance in addition to any other remedies, at Law or in equity, as a remedy for any breach.

46. Assignment.

Customer may not assign all or any part of its rights or obligations under the Agreement without Bank's prior express written consent, which may be withheld in Bank's sole discretion. No assignment will be valid or binding on Bank, and Bank will not be considered to have "knowledge" of it, until Bank consents and the assignment is noted in Bank's records. By noting the assignment, Bank does not, however, have any responsibility to assure that the assignment is valid. Bank may assign or delegate all or any part of its rights or obligations under

the Agreement, including, without limitation, the performance of the Services described herein. The Agreement will be binding on and inure to the benefit of the successors and permitted assigns of either party.

47. No Third-Party Beneficiaries.

Unless Bank otherwise expressly agrees in writing, this Agreement is for the benefit of Customer and Bank and is not intended to grant, and shall not be construed as granting, any rights to or otherwise benefiting any other Person or any other third-party.

B. Business Online Banking.

1. Generally.

Bank agrees to provide various Services and transaction functions to Customer on selected Customer Deposit Account(s) through Bank's Online Banking.

2. Security Procedures.

For avoidance of doubt, the Security Procedures as set forth in the Agreement apply to Bank's Business Online Banking.

3. Customer's User ID and Password.

A User ID, password, token, Codes and any applicable AAI are used to initiate transfers and payments through Online Banking. Customer authorizes Bank to follow any Instructions entered through Online Banking using Customer's User ID and password. Because Customer's password can be used to access money in Customer's Accounts, Customer should treat the password with the same degree of care and secrecy that Customer uses to protect cash and other sensitive personal financial data. Customer agrees not to allow access to its User ID and/or password to any unauthorized individuals. Customer acknowledges that the security measures described above are commercially reasonable. Customer authorizes and directs Bank to transfer funds on the basis of the Account number(s) provided even if such number(s) identify a Person or Account Customer did not intend.

4. Authorization Control.

Customer is responsible for controlling access to Online Banking and for any limitations placed on Customer's authorized Users of Online Banking.

Bank is not obligated to enforce or attempt to correct any authorized User limitation which has been set by Customer and is outside the scope of the controls and limitations that Bank represents it can enforce (for example, Bank is not responsible for enforcing the confidentiality of Account information by an authorized User should that User copy or reproduce Account information derived from his or her use of Online Banking and divulge that information to an unauthorized third-party). Customer understands that Persons designated by Customer may utilize Online Banking without regard to any restrictions otherwise applicable to an Account (e.g., if a Person is authorized in Online Banking to access and view Account information, that Person can do so whether or not they have been authorized to do so according to the Application).

5. Balance Inquiries and Transfers.

Customer may use Online Banking to check the balance of its Accounts and to transfer funds between or among its Accounts. Certain types of Accounts with Bank may have transfer limitations. If any of Customer's Accounts are subject to such limitations, those limitations will apply to transactions that Customer initiates through Online Banking. The total of all transfers made from an Account on a single day through Online Banking may not exceed the amount of funds available in the Account. The balance shown on Online Banking may include deposits still subject to verification by Bank. The balance shown also may differ from Customer's records because it may not include deposits in progress, outstanding Checks, or other withdrawals, payments, or charges. If Customer has Overdraft privilege, it will be accessed for transactions initiated with Online Banking.

6. Cutoff Times.

A transfer completed through Online Banking before the applicable Deadline or Cutoff Time as set forth on the Bank's current Schedule of Deadlines and Cutoff Times on a Business Day is posted to Customer's Account the same day. All transfers initiated after the applicable Deadline or Cutoff Time as set forth on the Bank's current Schedule of Deadlines and Cutoff Times on a Business Day or a day that is not a Business Day, will be posted on the next Business Day. The Bank's current Schedule of Deadlines and Cutoff Times can be found by clicking on the Resource Center tab found in the Business Online Banking System.

7. Funds Availability.

When Customer Requests a transfer of funds or payment from an Account through Online Banking, Bank is not required to honor Customer's Request if the amount of the requested transfer or payment exceeds the amount of collected funds in the Account. If sufficient collected funds are not available in the Account at the time Customer Requests a transfer or payment, Bank can either (i) make the transfer or payment, in which case Customer will be liable for the deficit, or (ii) refuse to make the transfer or payment. In either case, Customer will be liable for any fee applicable to the withdrawal or attempted withdrawal of money from the Account in accordance with Customer's Account Terms and Conditions.

8. Hours of Operation.

Generally, Online Banking is available twenty four (24) hours a day, seven (7) days a week. At certain times, Business Online Banking may not be available due to System maintenance or circumstances beyond Bank's control and Bank shall not be liable for any claims, Losses, or other damages incurred as a result.

9. Equipment.

Customer is responsible for obtaining, installing, maintaining, and operating all equipment used to perform transfers and payments through Online Banking. Bank will not be responsible for any errors or failures from the malfunction or failure of Customer's equipment. EXCEPT AS SPECIFICALLY PROVIDED IN THIS AGREEMENT OR TO THE EXTENT APPLICABLE LAW REQUIRES A DIFFERENT STANDARD, BANK WILL NOT BE RESPONSIBLE FOR ANY LIABILITY, LOSS, INJURY, OR DAMAGE (WHETHER DIRECT, INDIRECT, SPECIAL, CONSEQUENTIAL OR PUNITIVE) IN ANY WAY ARISING OUT OF (A) ANY ERROR IN THE INSTALLATION, MAINTENANCE, OPERATION OR USE, OR ANY CONFIGURATION PROBLEM OR INCOMPATIBILITY, OF CUSTOMER'S COMPUTER, RELATED EQUIPMENT OR SOFTWARE, (B) ANY FAILURE OR MALFUNCTION OF CUSTOMER'S COMPUTER, RELATED EQUIPMENT OR SOFTWARE, (C) ANY FAILURE OR MALFUNCTION OF, OR ANY COMPROMISE OF DATA SENT USING, ANY TELEPHONE, INTERNET ACCESS, OR OTHER SERVICE CUSTOMER USES TO CONNECT TO ONLINE BANKING OR (D) ANY VIRUS OR SIMILAR PROBLEM RESULTING FROM THE USE OF ONLINE BANKING.

10. Customer User Profile.

It is Customer's sole responsibility to ensure that the contact information in Customer's User profile is current and accurate. This includes, but is not limited to, name, address, phone numbers and email addresses. Changes can be made by contacting Bank.

11. Text Messages and/or Calls to Customer.

By providing Bank with a telephone number (including a wireless/cellular and/or mobile telephone number), Customer consents to receiving calls from Bank and Bank's service providers at that number INCLUDING THOSE MADE BY USE OF AN AUTOMATIC TELEPHONE DIALING SYSTEM ("ATDS"), and/or text messages from Bank for our everyday business purposes (including identify verification). Customer acknowledges and agrees that such telephone calls include, but are not limited to, live telephone calls, prerecorded or artificial voice message calls, text messages, and calls made by an ATDS from Bank or Bank's Affiliates and Agents. Please review Bank's Privacy Policy for more information.

12. Electronic Mail and Secure Messaging.

Customer may communicate with Bank through electronic mail (referenced throughout "email"); however, Customer should not use email for confidential matters and Customer should never include full Account numbers or other detailed information regarding any of Customer's Accounts that Customer has with Bank in any email communication. If Customer sends Bank an email, Bank may not receive it immediately. Bank will have a reasonable time to act upon any email Request or Notice, and reserves the right to reject any transaction or Request received by email. For immediate assistance, Customer should call Bank. Customer acknowledges that, even though email may be encrypted, Bank cannot ensure that it will not be intercepted or affected by the actions or omissions of others, such as third-party networks or Persons with access to the Internet. As such, Bank recommends that Customer not send Account data or other sensitive information to Bank by email.

Bank will never initiate an email communication that requests confidential information about Customer or Customer's Accounts, or that requests passwords for any Account. If Customer receives an email purporting to be from Bank and requesting any such information, Customer should not respond to that email, but should notify Bank immediately.

13. Account Transfers.

Transfers of funds between Accounts that are initiated prior to the established cut-off time on a Business Day will be effective as of the close of business on that Business Day. Transfers which are initiated after the established cut-off time on a Business Day or on a non-Business Day will be effective as of the close of business on the following Business Day or, if later, the date specified. Customer, by initiating the transfer of funds from an Account, represents and warrants to Bank that the balance of collected funds in the Account is equal to or greater than the

amount of the transfer. Bank will verify the availability of collected funds in the Account at the time of the transfer Request. If there are insufficient collected funds in the Account, Bank will refuse the transfer. If an Overdraft is created as the result of a transfer Request, Customer agrees to reimburse Bank for the amount of the Overdraft immediately upon demand and to pay such charges as Bank may impose as a result of the Overdraft. Customer agrees to notify Bank promptly if an initiated transfer is not completed.

Transfers to/from Customer's Accounts are subject to the following Rules and limitations: (1) Transfers made against uncollected, insufficient, or unavailable funds will be subject to applicable fees and may be reversed the next Business Day. (2) Once initiated and processed, transfers cannot be cancelled. Once funds are delivered to any recipient, transfers are non-reversible and non-refundable to Customer.

14. Alerts.

Your enrollment in Bank's Online Banking and/or Mobile Banking (the "Service") includes enrollment to receive transaction alerts and notifications ("Alerts"). Alerts are electronic notices from us that contain transactional information about your Account(s). Account Alerts and Additional Alerts must be managed and/or added online through the Service. Bank may add new Alerts from time to time, or cancel old Alerts. Bank will usually notify you when Bank cancels alerts, but is not obligated to do so. Bank reserves the right to terminate its Alerts Service at any time without prior Notice to Customer.

(a) Methods of Delivery. Bank may provide alerts through one or more channels ("endpoints"): (a) a mobile device, by text message, (b) a mobile device, by push notification; (c) an email account, by an e-mail message; or (d) via your Bank OZK Online Banking message Inbox. Customer agrees to receive Alerts through these endpoints, and it is Customer's responsibility to determine that each of the service providers for the endpoints described in (a) through (c) above supports the email, push notifications, and text message Alerts provided through the Alerts Service. Please be advised that text or data charges or rates may be imposed by your endpoint service provider. Alert frequency varies by Account and preferences. Customer agrees to provide to Bank a valid mobile phone number or email address so that Bank may send Customer Alerts. If Customer's email address or mobile device number changes, Customer is responsible for informing Bank of that change. If Customer notifies Bank of such a change, within a reasonable time thereafter, Customer Alerts will be updated to reflect the changes that Customer communicates to Bank with regard to Customer's primary and secondary email addresses or mobile device number.

(b) Alerts via Text Message. To stop account alerts via text message, text **"STOP" to 41952** at any time. To stop Online System alerts via text message, text **"STOP" to 86434** at any time. To stop text banking alerts via text message, text **"STOP" to 226563** at any time. Alerts sent to your primary email address will be unaffected by this action. To restore alerts on your mobile phone, just visit the text banking, account alerts, or online system alerts enrollment pages in Bank's Online Banking System. For help with SMS account alerts via text, text **"HELP" to 41952**. For help with SMS Online System alerts via text, text **"HELP" to 86434**. For help with SMS text banking alerts via text, text **"HELP" to 226563**. In case of questions, please contact customer service at 800-274-4482. Our participating carriers include (but are not limited to) AT&T, SprintPCS, T-Mobile®, U.S. Cellular®, Verizon Wireless, MetroPCS.

(c) Limitations. Bank provides alerts as a convenience to Customer for information purposes only. An Alert does not constitute a Bank record for the deposit or credit Account to which it pertains. Bank strives to provide Alerts in a timely manner with accurate information. However, Customer acknowledges and agrees that Customer's receipt of any Alerts may be delayed or prevented by factor(s) affecting Customer mobile phone service provider, internet service provider(s) and other factors outside Bank's control. Bank neither guarantees the delivery nor the accuracy of the contents of each such Alert. Customer agrees hold Bank, its directors, officers, employees, agents, and service providers harmless for losses or damages, including attorneys' fees, that may arise, directly or indirectly, in whole or in part, from (i) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (ii) inaccurate or incomplete content in an Alert; or (iii) Customer's reliance on or use of the information provided in an Alert for any purpose.

(d) Alert Information. As Alerts delivered via SMS, email and push notifications are not encrypted, Bank will never include Customer's passcode or full Account number. Customer acknowledges and agrees that Alerts may not be encrypted and may include Customer's name and some information about Customer's Accounts, and anyone with access to Customer's Alerts will be able to view the contents of these messages.

15. Check Management.

The stop payment feature of the Business Online Banking System is an online entry System for issuing stop payment Requests between Customer and Bank. If Customer attempts to place a stop payment Request for an Item that has already been paid prior to Customer's entry of the Request, or if Bank has insufficient time to act on Customer's Request, Bank will not be liable for any Losses incurred by Customer arising from such payment. Customer agrees to accurately provide the Check number, date of Item, amount and payee when placing a stop payment Request. It is Customer's responsibility to print and retain all confirmations via Online Banking. Bank will not be responsible for the failure to place a stop payment or to stop payment on any Item if any of the information required is incomplete or inaccurate. In addition to the foregoing limitations, Bank will not be responsible for Losses incurred as a result of payment of an Item at any of Bank's locations on the same day that an online stop payment is placed. Stop payments on electronic drafts cannot be completed through Online Banking.

16. Loan and Credit Line Payments/Advance.

If permitted by Bank, this feature allows payments to be made from a Deposit Account to a Credit Account or from a Credit Account to a Deposit Account. Customer, by initiating a payment from a Deposit Account, represents and warrants to Bank that the balance of collected funds in such Deposit Account is equal to or greater than the amount of the payment. By initiating a payment from a Credit Account to a Deposit Account, Customer represents and warrants to Bank that all conditions of lending as provided in the documentation relating to such Credit Account have been satisfied in accordance with the terms thereof. Bank will verify the availability of collected funds in a Deposit Account and the availability of Customer's credit line at the time of payment Request. If there are insufficient collected funds in the Account or the amount of the payment exceeds Customer's available credit, Bank will refuse the payment. If an Overdraft is created as a result of a payment Request, Customer agrees to reimburse Bank for the amount of the Overdraft immediately upon demand and to pay such charges as may be imposed by Bank as a result of the Overdraft. Customer agrees to notify Bank promptly if an initiated payment is not completed.

17. eStatements.

Customer may elect to receive Bank statements via electronic delivery in lieu of receiving statements by paper delivery in the mail. These electronically delivered Bank statements are called "eStatements." BY ELECTING TO RECEIVE ESTATEMENTS, CUSTOMER AGREES TO THE TERMS OF THIS AGREEMENT.

To receive eStatements, a computer with Internet access, a compatible web browser such as Internet Explorer or Mozilla Firefox, and a valid email address is required. Customer is also responsible for providing updated contact information to Bank, such as changes to email addresses. Email addresses can be updated within the eStatement Service under the Profile section.

Once enrolled, Customer authorizes Bank, at Bank's discretion, to electronically deliver Customer's eStatements and important disclosures and Notices about Customer's Account(s), including those that Bank is required to provide Customer under all applicable Laws where electronic delivery is permitted now or in the future. This may include, but may not be limited to, the following:

- Customer's periodic Deposit Account statements with Images of Customer's cancelled Deposit Account Checks;
- Disclosures regarding Customer's Accounts that are required to be provided at the time of Account opening;
- Notices regarding changes to Customer's Accounts;
- Amendments to any agreements and/or disclosures governing Customer's Accounts;
- Periodic security tips and alerts and other messages of interest;
- Information concerning new deposit products which may interest Customer.

eStatements will be available from the first Account statement cut-off date. Customer's normal statement cut-off date will not change when Customer elects to receive eStatements. Customer's eStatements will be available through Online Banking within two (2) Business Days after Customer's statement cut-off date.

Bank will use reasonable efforts to deliver Customer's eStatement and disclosures in a timely manner and in accordance with applicable Law. However, Bank shall incur no liability if Bank is unable to deliver Customer's eStatement or disclosure because of the existence of any one or more of the following circumstances:

- Bank's website or the Online Banking System is not working properly and Customer knows or has been advised by Bank of the malfunction, or
- Circumstances beyond Bank's control (such as, but not limited to, fire, flood, interruption in telephone service or other communication lines, interference from an outside force, legal restriction or delays in mail service) prevent proper delivery and Bank has taken reasonable precautions to avoid those circumstances.

Customer must promptly review eStatements, electronic disclosures and any accompanying Items and notify Bank immediately of any suspected error, alteration or other irregularity, unauthorized access, or Customer is unable to view or print eStatement or disclosures. It is Customer's duty to exercise reasonable promptness in examining the eStatements and the Items referenced therein to determine whether any payment that has been made was not authorized because of an alteration of an Item or because a purported signature by or on behalf of Customer or other signatory on the Account was not authorized. The statute of limitations governing these responsibilities will commence at the time Bank sends email notification that the eStatements are available.

Customer has the right to withdraw consent to receive eStatements at any time by contacting Bank. eStatements will be discontinued within ten (10) working days and paper delivery of statement(s) will resume. There is no fee to withdraw consent to receive eStatements.

Each eStatement and disclosure will be available online for eighteen (18) months from the date it is made available. All eStatements and disclosures are retained by Bank for at least seven (7) years. Customer has the right to Request a reprint of any previous Bank statement. Bank reserves the right to charge additional fees for reprinted statements.

The "Bank Reports" feature is an electronic method of report delivery which may replace a paper report. By signing up for this Service, Customer authorizes Bank to electronically deliver certain reports set forth on Customer's Application, as the same may be changed by Customer from time to time upon thirty (30) days written Notice to Bank. Any electronic disclosure or communication made by Bank in connection with this Service will be considered made when transmitted by Bank. To discontinue receiving Bank Reports electronically, Customer must contact Bank.

Regulatory or other Bank disclosures, Notices, marketing information, confirmations, or changes to the Account(s) for which Customer has elected to receive eStatements may occur. Please regularly review disclosures.

Commercially reasonable measures, consistent with industry standards, will be used to maintain security of eStatements and Notices. The chief security feature guarding the use of eStatements is the unique combination of Customer's secret User ID, Codes and password. By using eStatements, Customer agrees to protect the security of its User ID, password, Codes and any other numbers, marks, signs, keys, or other means of personal identification of Customer as a Bank Customer.

By enrolling in eStatements, Customer understands and agrees that it will NOT receive statements in paper form delivered by regular United States Postal Service mail unless Customer specifically discontinues eStatements as described above. Customer agrees that electronic delivery will satisfy Bank's requirement to provide Customer a periodic statement of its Account(s). Bank retains the right to discontinue the eStatements Service at any time. eStatements will be discontinued if the email Notice to Customer is returned undeliverable for two (2) or more months. If eStatements are discontinued, Bank will resume paper delivery of statements via the United States Postal Service and Customer's Account will be subject to the terms and conditions applicable to that Account type with a paper statement.

C. Business Bill Pay Services.

1. Generally.

Bank agrees to provide "Business Bill Pay Services" to Customer for the Deposit Accounts enrolled in Business Bill Pay Services in the Application. Customer must be enrolled in Bank's Online Banking Services to access Bank's Business Bill Pay Services. The Business Bill Pay Services allow Customer to direct Bank to make payments from Customer's designated Deposit Accounts to the "Billers" Customer chooses.

2. Payment Scheduling.

The earliest possible Scheduled Payment Date for each Biller (typically four (4) or fewer Business Days) will be designated within the Online Banking Services when Customer is scheduling the payment. Therefore, the Online Banking Services will not permit Customer to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments Customer must select a Scheduled Payment Date that is no later than the actual Due Date reflected on its Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, Customer must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period.

3. Business Bill Pay Services Guarantee.

Due to circumstances beyond the control of Bank, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to Customer's Account(s). The Bank will bear responsibility for late payment related charges only up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Payment Scheduling" in this Agreement (herein "Business Bill Pay Services Guarantee"). Bank otherwise bears no responsibility in regard to any delays in handling and posting payments.

4. Payment Authorization and Payment Remittance.

By providing Bank with names and account information of Billers to whom Customer wishes to direct payments, Customer authorizes Bank to follow the Payment Instructions that it receives through the Online Banking Services. In order to process payments more efficiently and effectively, the Bank may edit or alter payment data or data formats in accordance with Biller directives.

When Bank receives a Payment Instruction, Customer authorizes Bank to debit Customer's Payment Account and remit funds on Customer's behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by Customer. Customer also

authorizes Bank to credit Customer's Payment Account for payments returned to Bank by the United States Postal Service or Biller, or payments remitted to Customer on behalf of another authorized User of the Business Bill Pay Services.

Bank will use reasonable efforts to make all Customer's payments properly. However, Bank shall incur no liability and any Business Bill Pay Services Guarantee shall be void if Bank is unable to complete any payments initiated by Customer because of the existence of any one or more of the following circumstances: (i) If, through no fault of Bank, Customer's Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of Customer's Overdraft Account; (ii) The payment processing center is not working properly and Customer knew or has been advised by Bank about the malfunction before Customer executes the transaction; (iii) Customer has not provided Bank with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller; and/or; (iv) Circumstances beyond control of Bank (such as, but not limited to, acts of God, such as severe acts of nature or weather events including fire, flood, hurricanes, explosions or interference from an outside force, war, acts of terrorism, epidemics, pandemics or acts of governmental authorities) prevent the proper execution of the transaction and Bank has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if Bank causes an incorrect amount of funds to be removed from Customer's Payment Account or causes funds from Customer's Payment Account to be directed to a Biller which does not comply with Customer's Payment Instructions, Bank shall be responsible for returning the improperly transferred funds to Customer's Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

5. Payment Methods.

Bank reserves the right to select the method in which to remit funds on Customer's behalf to its Biller. These payment methods may include, but may not be limited to, an electronic payment, an electronic to Check payment, or a laser draft payment (funds remitted to the Biller are deducted from Customer's Payment Account when the laser draft is presented to Bank for payment).

6. Payment Cancellation Requests.

Customer may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within Online Banking Services. There is no charge for canceling or editing a Scheduled Payment. Once Bank has begun processing a payment it cannot be cancelled or edited, therefore a stop payment Request must be submitted.

7. Stop Payment Requests.

Bank's ability to process a stop payment Request will depend on the payment method and whether or not a Check has cleared. Bank may also not have a reasonable opportunity to act on any stop payment Request after a payment has been processed. If Customer desires to stop any payment that has already been processed, Customer must contact Bank. Although Bank will make every effort to accommodate Customer's Request, Bank will have no liability for failing to do so. Bank may also require Customer to present its Request in writing within fourteen (14) days. The charge for each stop payment Request will be the current charge for such Service as set out in the applicable fee schedule.

8. Prohibited Payments.

The following types of payments are prohibited through Business Online Banking Services, and Bank has the right but not the obligation to monitor for, block, cancel and/or reverse such payments:

- Payments to or from Persons or entities located in prohibited territories (including any territory outside of the United States); and
- Payments that violate any Law, statute, ordinance or Regulation; and
- Payments that violate the Agreement, or any Bank Agreement, or any other Bank document; and

If Customer attempts to initiate a deposit in excess of these limits, Bank may reject Customer's deposit. The Image is not deemed "received" by Bank until it is posted to Customer's Account. Bank may refuse to process any Image Customer sends to Bank for any reason or no reason at all. Funds from Items deposited through the Mobile Deposit Service will be made available to Customer pursuant to Bank's Funds Availability Schedule and Policies.
