Building the Foundation for the Future

Mansfield Certification Plus

MoFo is among a select number of firms that has achieved “Mansfield Certification Plus” every year since Diversity Lab’s launch of the Mansfield Rule in 2017. Certification Plus indicates that we have at least 30% women, minority, LGBTQ+, and lawyers with disabilities representation across notable leadership roles within the partnership and lateral hires, as well as in the talent pools from which we select talent for leadership and lateral recruiting opportunities.

Change from the Top

Change from the Top invites CEOs and general counsel from organizations across various industries to join MoFo partners in sharing best practices around diversity and inclusion. The program is designed to provide a unique opportunity for leaders across industries to discuss some of the biggest diversity, LGBTQ+, and women-related challenges they currently face, in the hopes of helping organizations create and sustain more inclusive work environments. MoFo hosted its second biennial Change from the Top diversity and inclusion event in San Francisco on October 10, 2019.

Affinity Mentoring Programs

The Diversity Mentoring Program was designed to support our Black and Latinx associates, who are among the most underrepresented groups in Big Law. Mentors help mentees navigate the firm more effectively while identifying resources and opportunities for their growth and development. This relationship is supported by customized trainings and other resources on effective mentorship.

In August 2022, the D+I Group, in consultation with our partners in the Asian American and Pacific Islander (AAPI) Affinity Network, launched a cross-office mentoring program to help support the unique growth, integration, and development needs of our attorneys in the AAPI Network. Mentors help mentees navigate firm culture while enhancing their personal sense of belonging.

Pipelines Initiatives

155 fellowships have been awarded through the Keith Wetmore Fellowship for Excellence, Diversity, and Inclusion program (formerly the 1L Diversity Fellowship) to students from leading U.S. law schools.

\$50K awarded to each Wetmore 1L Diversity Fellow over a two-year period.

66 pre-law interns have been sponsored by the firm through the Sponsors for Educational Opportunity program.
