How does easyfundraising work?

easyfundraising partners with over 7,000 brands, so when an online shopper makes a purchase, the brand donates a percentage of what they've spent to your PTA for free. Everyone is welcome; you don't have to be a charity to register.

Is it really free?

Yes, partnering with easyfundraising allows brands to be a part of something good. Giving donations to your PTA is their way of saying thank you to your supporters for shopping with them.

Can anyone register to support our PTA?

Yes, anyone can – teachers, governors, parents, and carers are all welcome. You can even look outside of your school to the local community.

How will our PTA be paid?

Providing you have raised over £15, we total up all the donations every three months and send them to you by bank transfer or cheque. If your PTA hasn't raised over £15 in the previous three months, the amount simply rolls into the next payment instead.
