

Go.Compare donations – Travel Insurance Terms and Conditions

Please note that the terms and conditions below set out the rules that will apply and the criteria required to be satisfied for you to be eligible for a donation (“a donation”) from Gocompare.com Limited (Company No. 05799376) of Future, 4 Callaghan Square, Cardiff, UK, CF10 5BT (“Go.Compare”) when purchasing a travel insurance policy (“Insurance Policy”) via the easyfundraising website or app. Go.Compare reserves the right to change or modify any of these terms and conditions, at any time and in its sole discretion.

Eligibility

You will only be eligible for a donation and a donation will only be rewarded if Go.Compare is able to link your purchase to the easyfundraising website or app. This means you must:

- a. Log into your easyfundraising account (“**Your Account**”);
- b. Click from easyfundraising directly to the Go.Compare travel insurance webpage; and
- c. Generate a brand-new quote and purchase an Insurance Policy immediately (meaning in the same session and without exiting your browser).

(together, an “**Eligible Purchase**”).

- Editing or using a previously saved quote from your Go.Compare account will not track and you will not be eligible for a donation.
- If you, or your insurer, cancel your policy before the donation is deposited in Your Account you will not be eligible for a donation.
- Please ensure you are not using ad blockers or cookie blockers, as this will prevent your Insurance Policy purchase from being tracked and may mean you are not eligible for a donation.

Terms

- A donation can take up to 150-180 days to be tracked and approved as an Eligible Purchase (“**Validation**”).

If you haven't heard anything within this timeframe, please contact the donation programme you used to purchase the insurance; easyfundraising.

- A donation may initially track in Your Account at a lower rate or at £0.00. This will update to the correct rate upon Validation.
- Should you have any queries relating to this donation programme, please check the easyfundraising FAQ: <https://support.easyfundraising.org.uk/hc/en-gb> or contact easyfundraising's Customer Support team. Please note Go.Compare or the insurer will be unable to assist with any query relating to a donation.
- Personal data supplied during the course of purchasing an Insurance Policy via the Go.Compare Website via the easyfundraising link will only be processed as set out in both [Go.Compare's privacy policy](#) and easyfundraising's privacy policy <https://www.easyfundraising.org.uk/privacy/>
