How does easyfundraising work?

easyfundraising partners with over 8,000 retailers, so when an online shopper makes a purchase, the retailer donates a percentage of what they've spent to your school for free. Everyone is welcome; you don't have to be a charity to register.

Is it really free?

Yes, partnering with easyfundraising allows retailers to be a part of something good. Giving donations to your school is their way of saying thank you to your supporters for shopping with them.

Can anyone register to support our school?

Yes, anyone can – teachers, governors, parents, and carers are all welcome. You can even look outside of your school to the local community.

How will our school be paid?

Providing you have raised over £15, we total up all the donations every three months and send them to you by bank transfer or cheque. If your school hasn't raised over £15 in the previous three months, the amount simply rolls into the next payment instead.
