

OUTSIDE

3. BAKE PIZZA

Add toppings as desired, then bake the pizza, and enjoy a perfectly cooked, bubble-free crust.

CLEANING

Hand-wash with warm soapy water. For deep cleaning, remove the roller head from the handle and separate each individual roller piece while washing. Dry before reassembling.

Pizza Docker Use & Care

INSIDE

1. PREPARE DOUGH

Roll out your pizza dough to the desired thickness on a lightly floured surface.

2. DOCK DOUGH

Gently press and roll the Pizza Docker over the entire surface of the dough, creating small perforations.
