

We make healthcare easier

Health Advocate offers a unique level of healthcare, insurance and well-being support to help you reach your best health. Our experts will do the work to ensure that you get the right information and assistance at the right time. Our services are completely confidential and available to you, your spouse, dependents, parents and parents-in-law at no cost.

Take the hassle out of healthcare

- Find the right in-network doctors and make appointments
- Review medical bills to find errors or duplicate charges; resolve claims and billing issues

Support for every type of medical condition

- Explain health conditions, diagnoses and treatments; research treatment options
- Answer questions so you can make the right choices for your care

Coordinate medical care and services

- Facilitate any necessary pre-authorizations and coordinate benefits
- Provide in-hospital support and arrange post-discharge services and care

Research and arrange second opinions

- Identify and connect you with leading specialists and Centers of Excellence
- Arrange for the transfer of medical records, lab results and X-rays

Eligibility for HealthAdvocates (HA) is limited to U.S. based colleagues and worksite employees (WSE) currently enrolled in TriNet sponsored medical plans. Eligible TriNet colleagues and U.S. based WSEs' eligible family members also may be able to utilize HA. A previously eligible colleague, WSE or family member may still receive HA services, provided they were eligible on the underlying claim's date of service. HA is not an ERISA-covered group health insurance plan. HA is free for eligible colleagues and WSE from May 1, 2022 until April 30, 2024.
