

CloudCME® SMS Texting-Recording Attendance

These instructions assume that you have an active account in CloudCME®. If you do not, please set up your account first. You can only record your attendance 30 minutes prior to the meeting, during the activity and/or 60 minutes after the meeting (individual activities may vary).

Step 1: First, you must pair your mobile phone to your account in CloudCME®. Text your email address, entered in your Profile, to **(844) 420-1171**. You will receive a message that looks like the one below, that your phone number has been updated. This is a one-time operation.

Step 2: To record your attendance to an activity, text the activity id or code that has been provided for your activity¹. You will receive a message back that verifies your activity attendance has been recorded.

¹ You must text an SMS text message not an iMessage, if using iOS.

NOTE: You can only record attendance once to an activity. If you try to record your attendance an additional time, you will receive the following message.
