

# Miranda Hillard, MD

## Assistant Program Director

What I love most about HDVCH and this residency is...the learning environment for residents to hone specific interests. Also, we just attract good people that support one another!

---

### About Me

- I am the mother to 2 beautiful children. I am a staunch supporter of all things Ohio (especially Toledo). My husband and I own a home in Nicaragua and try to steal away to our tech-free, eternal-spring oasis whenever possible.

### My Training

- Undergraduate: University of Michigan; Bachelor in Anthropology-Zoology, minor in Spanish.
- Medical School: University of Toledo College of Medicine.
- Residency: Children's Hospital of Michigan.

### My Clinical Interests

- Newborn care
- Culinary Medicine and Lifestyle Medicine
- Medical Education
- Cleft Palate and non-operative pediatric plastic surgery
- AGP clinic – I enjoy taking care of our Hispanic patients

### My Hobbies

- Right now it's chasing my almost 2yo in his hotwheels every night.
- Cooking, mostly whole-food plant based. Ask me about my bean club 🌱
- Yoga and hiking/long walks. Traveling. Piano.
