**INSTRUCTIONS FOR PATIENT:**

**Bring this form with you.**

**Picture IDENTIFICATION is required.**

**DRUG TEST** - If you are required to give a urine specimen for a drug test as a part of a physical examination **DO NOT URINATE** just before arriving.

**ALCOHOL TEST** - Avoid eating, drinking, belching or putting anything in your mouth 15 minutes before the test.

**TB SKIN TEST** - Notify the Spectrum Health Occupational Health staff before the test if you have ever had a positive skin test. If you receive a TB skin test, you **MUST RETURN** to the Spectrum Health Occupational Health location after 48 hours but before 72 hours to have this test read.

**AUDIOMETRY** - OSHA requires that persons receiving audiometric testing should not be exposed to loud noise, without hearing protection, for a least 14 hours before an audiometric test is performed.

**BLOOD TESTS** - Verify with your employer, prospective employer or with a Spectrum Health Occupational Health location whether fasting is required before having blood drawn for laboratory analysis.

**PULMONARY FUNCTION TESTING** - **DO NOT** eat a heavy meal, smoke or use an inhaler up to an hour before a pulmonary function test is performed.

**Submit by Email**

**Children are not allowed in the clinical area due to the procedures being performed.  
If you bring a child, they may be required to wait in the waiting room the entire time (this is up to the provider).**

**All visits with a doctor REQUIRE an appointment. Scheduling an appointment for other services is highly recommended and will shorten your wait time.**
