Frequently Asked Questions

1. What are your hours?

The youth clinic is open Monday and Tuesday from 8 a.m. to 5:30 p.m. and Thursdays from 9 a.m. to 5:30 p.m. Social work also provides virtual counseling appointments on Wednesdays from 1:30 to 4:30 p.m.

2. Where is the youth clinic located?

The youth clinic address is 420 Lincoln Street, Lakeview, MI 48850, but the entrance and parking lot are next to the Kelsey Hospital ambulance bay on 3rd Street.

3. Does the youth clinic only accept Lakeview students?

No, the youth clinic is open to any student ages 10-21 from any school.

4. Is the youth clinic only for students without insurance or without a primary care provider?

No, the youth clinic is for students with and without insurance and students with or without their own doctor. We will bill insurance, but if a student is unable to pay their deductible or co-pay we will cover that cost with our grant funds from the State of Michigan. If a student has a doctor, we can still see them for urgent needs or chronic conditions. If they don't have a primary care provider, the provider at the youth clinic can be their provider.

5. What care does the youth clinic offer?

We can provide care for sick visits (sore throat, UTI, rash, etc.) or chronic conditions (asthma, diabetes, obesity, etc.). We also have a highly qualified mental health care provider (MSW) who can offer counseling and mental health care. We also offer sports physicals and immunizations.
