

# Same-day Care Options

Start with Virtual Urgent Care and be seen quickly.

In an emergency, call 911 or go to the nearest emergency department.

	<b>Virtual Urgent Care</b>	For <b>24/7/365</b> , virtual urgent care, download the Spectrum Health app or log in to MyChart. <b>No more than \$50/visit.*</b>
	<b>Walk-in Clinic</b>	10+ convenient locations including 2 within Meijer (Hudsonville & Wyoming). <b>Most open 7 days a week and after hours.</b>
	<b>Primary Care Provider</b>	Call office to <b>schedule same day or next day appointment.</b> <b>After hours support available 24/7</b> to help with other care options and to schedule appointments.
	<b>Urgent Care</b>	<b>Urgent care locations are open 8 a.m. to 8 p.m. 7 days a week</b> , except select holidays. You can <b>view wait times</b> at all locations and <b>save your spot in line.</b> Most have radiology and laboratories on site.
	<b>Emergency Room</b>	<b>Call 911 or go to the nearest emergency department. For emergencies or life threatening situations</b> , such as severe breaks and burns, symptoms of stroke or heart attack, or serious head injuries.

\* Prices and \$ icons are intended to help inform you of your care options and their relative price to each other. These amounts reflect approximate price only, which is what you would expect to pay without insurance coverage. Pricing varies depending on the complexity and severity of your condition. If you have insurance, direct questions on coverage and relevant prices to your insurance provider. Prices noted do not include additional services such as labs, radiology, other tests or other ancillary services needed as a result of the visit. Prices reflected are as the date of publication and are subject to change. For more information on Spectrum Health prices, please visit [spectrumhealth.org/about-us/average-prices](https://spectrumhealth.org/about-us/average-prices)

## Understand walk-in clinic and urgent care versus the emergency department

Walk-in clinics and urgent care are for moderate injuries or illness that need care right away but aren't true emergencies. Always go to the emergency department if you believe your condition to be life-threatening.

Urgent Care	Emergency Department

### Call 911 or go to the nearest emergency department if you have any of these symptoms:

- Sudden dizziness, numbness or paralysis, difficulty speaking, loss of consciousness
- Chest pain or palpitations with dizziness, shortness of breath, sweating, nausea, vomiting

### Poison control

Call 800.222.1222 for ingestion or overdose.
