

SYSTEM DECOR - SYSTEM FOR INDOOR & OUTDOOR USE

System Decor är vårt basystem, enkelt att använda och även lämpligt inomhus. De tunna kablarna är enkla att dölja. Användaren bestämmer bara det totala antalet lampor och med ett begränsat sortiment är det lätt att ha hela utbudet i butiken. För lättanvända och smäckra dekorationer, välj System Decor.

System Decor is our basic system, easy to use and suitable also indoors. The slim cables are easy to conceal. The user only has to think about the maximum number of bulbs and with a limited assortment, it is easy to carry the full range in the shops. For easy to use slender decorations, choose System Decor.

System Decor ist unser Basissystem. Es ist benutzerfreundlich und auch für Innen angemessen. Die dünnen Kabel sind einfach zu verstecken. Der Benutzer muss nur an die Gesamtanzahl der Brennstellen denken. Durch ein gezielt begrenztes Sortiment ist es den Geschäften möglich, das volle Spektrum ohne großen Aufwand anzubieten. Wählen Sie System Decor für eine dezente, elegante Dekoration.
