4 in 1 Laundry Solution

1 Product 4 Actions

Pre-treats

Seeps deeper to remove tough stains

Cleans

Cleans clothes effectively and easily

Softens

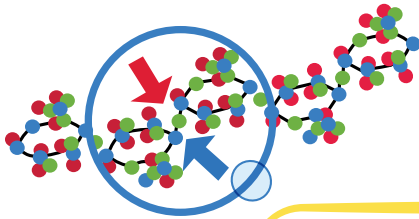

A natural softener to keep clothes soft after every wash

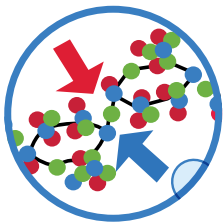

Brightens

Fluorescent whitening agent to whiten and brighten clothes, preventing color fading

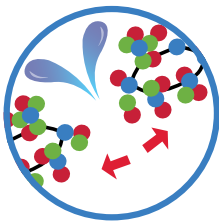

Effective stain remover with two powerful enzymes

Enzymes attack protein
and carbohydrate stains

Break them into smaller
pieces

Cleaning agents lift the
stains off fabric

Great Value for Money

The new improved SA8 Concentrated Laundry detergent gives competitive cost per use value. Its **low foaming formula** makes rinsing easy.

1L of SA8
cleans up to
**100 wash
loads***

1L of SA8
can give
**100 bucket
washes***

It allows you to stay away from stocking multiple products for cleaning, brightening and softening.

*When used as per use directions mentioned in the product label.
