ALL PRODUCT HANDBOOK

Helping People Live Better Healthier Lives

Amway India is one of the leading FMCG Direct Selling companies, which manufactures and sells over 140 world-class quality consumer products in the nutrition, beauty, personal care, home, and consumer durables categories. Our state-of-the-art manufacturing facility in Tamil Nadu indigenously develops and manufactures quality products in India, for India. Amway's range of world-class products are exclusively sold by Amway Direct Selling Partners through online and offline channels.

Amway, with a global presence in over 100 countries, has been in operation for over 65 years. Its flagship brand, Nutrilite, with its rich heritage spanning over 90 years has pioneered and perfected the plant-based approach to supplementation that brings together the Best of Nature, and the Best of Science. Our global family of more than 800 scientists, engineers, and technicians work relentlessly to develop and deliver world-class products to you and perform more than 5,00,000 quality tests per year, demonstrating our dedication to delivering products with safety and efficacy that are top-notch. Amway holds more than 750 global patents and a few patents pending for its products, which reflects our focus on innovation and our rigorous testing processes.

Nutrilite by Amway is the only global vitamin and dietary supplements brand to grow, harvest, and process plants in our own certified organic farms. Nutrilite owns at least 6000 acres of organic farms in the U.S., Mexico, and Brazil. The plant concentrate that goes into Nutrilite comes from these Nutrilite-certified farms.

In India, Amway has 21 NutriCert Certified partners spread across eight states to actively source ingredients to support Indian and global requirements. All Nutrilite products have a strong legacy of scientific research, which makes them an effective way to live a better and healthier life.

Message from the Head, Amway India

For over 25 years in India, Amway has inspired millions to live healthier lives. In today's world, where health and wellbeing are more important than ever, Amway, powered by Nutrilite, is at the forefront of providing holistic health and wellbeing recommendations that help people fulfill their overall wellbeing goals. Our need-based recommendation approach, tailored to individual lifestyles, delivers deeper insights, driving positive behavioral change towards a healthier life – all backed by our high-quality wellness products.

We understand the importance of staying healthy in today's fast-paced world, and therefore, we constantly evolve and enhance our scientific capabilities to offer innovative products that empower people to lead healthier lives. Prioritizing your health span is crucial for your well-being, and our objective is to help you live a healthier and more fulfilling life.

Fostering belief in our products, our company, and most importantly, in ourselves, is key to our success. Amway's range of over 140 world-class quality products across five categories i.e., nutrition, beauty, personal care, home care, and consumer durables is a testament to our unwavering commitment to excellence.

Our flagship brand, Nutrilite, the world's #1 selling vitamins and dietary supplements brand*, has championed the plant-forward approach to supplementation, bringing together the best of nature and the best of science. We are one of the world's largest owners and operators of organic farms. The organic ingredients used to make Nutrilite supplements have a unique seed-to-supplement story and can be traced back to certified organic farms where the ingredients are grown. Our mission has always been to provide the best products to consumers, and this handbook represents the pinnacle of our dedication to that mission.

Our commitment to innovation, quality, and the wellbeing of consumers remains our driving force. And together, as One Team One Goal, we will continue to evolve, push boundaries, and strive for excellence, in line with our vision of helping people live better, healthier lives!

Stay healthy! Stay Safe!

Rajneesh Chopra

Amway's State-of-the-Art Manufacturing Plant in Madurai

Amway's first manufacturing facility in India is located at Nilakottai in the Dindigul district of Tamil Nadu. In line with our commitment to 'Make in India', India is one of two key global manufacturing hubs for Amway, along with China, in addition to the company's U.S. based manufacturing operations. Amway has invested more than 30% of USD 335 million, allocated for global expansion, in India. In addition, the company has an in-house R&D facility at the plant which is a significant value-addition in Amway's Global Supply Chain. In line with the philosophy of the Indian government, this facility is designed as per the most stringent environmental and quality standards by following the best available sustainable and energy efficiency practices. Most of the products sold by Amway in India are being made in India.

Highlights of the manufacturing facility

The plant has one of the biggest roof-top solar plants in Tamil Nadu, and the company is targeting to conserve 30-50,000 cubic meters of rainwater every year. Amway manufacturing facility has won the prestigious LEED Gold Certification from the U.S. Green Building Council for being one of the most environment-friendly and sustainable facilities in the country. This plant is amongst the few manufacturing plants in the country with a Zero Discharge Waste Facility. All in all, the world-class green manufacturing facility is designed to achieve energy optimization and operational efficiency.

Amway India follows best-in-class good manufacturing practices (GMP) at its manufacturing facility. We use a stringent quality control process to ensure top quality products. The plant is equipped to maintain air and water quality* to create a conducive environment which ensures product safety and efficacy. Throughout the product cycle, there is zero direct human contact. The integrated quality assurance approach helps in controlling and eliminating contaminants and particulate matter, making sure we deliver world-class products.

Amway India supports a comprehensive CSR program around the manufacturing plant covering a gamut of initiatives such as an extensive water conservation project and a village healthcare program. While the former is focused on improving the groundwater level in seven villages in the Dindigul district, the latter aims to provide quality healthcare to the people living in and around the manufacturing facility. Under this project, over 350 free medical camps have been conducted across 26 villages, benefiting over 1 lakh villagers in the district. Additionally, the company has set up three telemedicine centers in the district to ensure consistent healthcare support to the villagers. These centers are providing free medical treatment to more than 1,500 patients every month.

*Air quality as per ISO class 100000 standard and water quality as per the injectable standards

 NUTRILITE®

NUTRITION

**NUTRILITE® IS THE
WORLD'S #1 SELLING
VITAMIN AND DIETARY
SUPPLEMENT BRAND.***

NUTRILITE® has a history that dates back to the early decades of the 20th Century, where a man by the name Carl Rehnborg set out on a mission. He realised that plant-based compounds played a crucial role in nutrition. His work led to the development of unique health supplements which could fill the nutritional gaps in a person's regular diet.

Over the years, NUTRILITE® has pioneered the plant-based approach to dietary supplementation through phytonutrients, as they provide key health benefits. Phytonutrients are the organic compounds found in plants that offer a range of health benefits and promote healthy ageing. They play an important role in supporting immune, brain, bone, joint and eye health - as well as supporting energy production.

While it is best to eat whole fresh fruits and vegetables, NUTRILITE® products help fill the nutritional gap which arises due to inadequate intake of fruits and vegetables that one needs.

In keeping with NUTRILITE®'s strong belief in the goodness of phytonutrients and the use of only the best sources, many of the plant concentrates that go into NUTRILITE® products come from its own farms or NUTRILITE® certified farms. NUTRILITE® is the only global vitamin and dietary supplement brand to grow, harvest and process plants on their own certified organic farm.* Nutrilite® owns nearly 6,000 acres of organic farmland in Mexico, Washington and Brazil. NUTRILITE® conducts more than 25,000 tests each month and more than 500,000 quality evaluations are performed each year for product purity and quality.

Today, the NUTRILITE® brand offers a complete range of health supplements and other products designed to address the nutritional needs of different age groups and has a presence in more than 60 countries across the world.

WELLBEING

NUTRILITE

GOODNESS OF NATURE &

POWER OF PROTEIN

NUTRILITE® All Plant Protein Powder

NUTRILITE® All Plant Protein Powder is a tri-blend of soy, wheat, and yellow pea protein (8g protein per 10g serving). Each serving provides 80% protein that is 100% plant-sourced. Protein is the building block of the human body and is a constituent in all living cells, like muscles, bones, cartilage, skin, and other body parts. Our body uses it to build, repair, and maintain such cells and tissues. Nutrilite All Plant Protein Powder provides all 9 essential Amino Acids that our body cannot produce. It is neutral in taste and therefore can be easily added to any food or beverage.

High digestibility score of 1.0 through PDCAAS* established by WHO**

*Protein Digestibility Corrected Amino Acid Score (PDCAAS) is a global standard established by the World Health Organisation (**WHO) with a score of 1.0 representing the highest score possible for a quality protein source.

Nutrilite Range is under Nutraceutical/Health Supplement/FSDU categories. Nutrilite products are not for medicinal use. Not to exceed recommended daily usage. Chyawanprash by NUTRILITE®

We lead very hectic lives. All day long, we are always in a rush, which results in our diet and eventually our health taking a severe beating. More and more people nowadays face adverse issues such as lack of energy, compromised immunity, constant tiredness or fatigue, and coughs and colds. These are mainly caused by the lack of a balanced diet, the increase in pollution levels, and, basically, the failure to lead a healthy lifestyle.

But including just a little extra in our daily diet can help us stay healthy and active. What is this little extra? The all-new Chyawanprash by Nutrilite.

Formulated from a time-tested Ayurvedic recipe comprising a total of 32 Ayurvedic herbs, contains no added flavours and preservatives. It is made using 16 organic ingredients that have been isolated using DNA Fingerprinting technology, so that every spoonful of Chyawanprash contains nothing but goodness. It guarantees Purity, Safety and Potency, offering a wide range of benefits that ensure a better quality of life.

Chyawanprash by Nutrilite is suitable for individuals over 6 years of age. Including a daily dose of Chyawanprash by Nutrilite helps support your immunity, helping your body combat coughs and colds, and boosts strength and stamina, thereby keeping you feeling rejuvenated and energised with regular use. Furthermore, it even improves digestion, eases respiratory discomfort, supports memory and heart health, and, overall, makes you feel younger with regular use.

MADE WITH 16
ORGANIC
INGREDIENTS

No
Preservatives

Ayurvedic medicine. No artificial colours, flavours or preservatives added. This product is no substitute for a varied diet. Please do not exceed the recommended usage. Children under 6 years of age, pregnant or lactating women or any one with a medical condition should consult with a physician before using this product. Close tightly after every use. Store in a cool dry place (below 25°C), away from direct sunlight. Consume within 60 days after opening the jar. Product is required to be stored out of reach of children.

NUTRILITE

NUTRILITE® Glucosamine HCL with Boswellia

NUTRILITE® Glucosamine HCL with Boswellia contains a blend of glucosamine HCL with Boswellia and Bromelain. NUTRILITE® Glucosamine HCL contains Cherry concentrate and Citrus Bioflavonoids complex. Glucosamine is the main building block for semi-fluids that lubricate joints. Boswellia and Bromelain support healthy connective tissues. Glucosamine HCL used in this formula delivers more active glucosamine than sulphate.

NUTRILITE® Cal Mag D Plus

NUTRILITE® Cal Mag D Plus is a stronger new formulation that combines 4 essential nutrients - Calcium, Vitamin D, Magnesium, and Zinc. While the Calcium is brought in from one of the most concentrated botanical sources of Calcium in the world, Vitamin D is critical for Calcium absorption from the gut to the bloodstream in your body. Magnesium supports Calcium absorption by regulating Calcium levels in your body, and Zinc supports a healthy immune system.

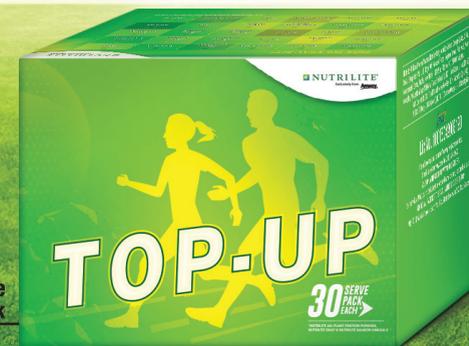

Nutriline Range is under Nutraceutical/Health Supplement/FSDU categories. Nutriline products are not for medicinal use. Not to exceed recommended daily usage. NUTRILITE

Intended for adults with weakened immunity

NUTRILITE® Vitamin C Cherry Plus

Do you fall sick frequently? Or easily catch colds or get the flu? Face respiratory or breathing issues, or catch frequent respiratory, digestive, or skin infections? If your answer to any of these is "Yes", then you may have a weakened immune system, which can be improved by supplementing your regular diet with an adequate intake of Vitamin C. Your immune system may not function optimally when a lack of Vitamin C is present, causing improper lung function, poor functioning of the gut leading to diarrhoea, and many other health hazards. Your body needs an adequate supply of Vitamin C to help fight infections. Which is why **NUTRILITE® Vitamin C Cherry Plus** is a good choice of supplement for you. Packed with the goodness of Acerola Cherries which are one of the richest sources of Vitamin C, its unique Extended Release mechanism ensures that your body gets a steady 8-hour supply of Vitamin C. This helps support your immune system, resulting in increased microbial killing ability of immune cells, reducing the duration of coughs and colds, cutting down stress-related oxidants, and promoting the growth of collagen-producing cells. So now get antioxidant protection with 400 mg of vitamin C, that's more than 9 oranges & 8 lemons* and it contains no added colours, flavours, or preservatives.

Food for special dietary use • Not for medicinal use • Product is required to be stored out of reach of children • Please do not exceed the recommended daily usage • Product not for parenteral use • Adolescents, elderly, pregnant or lactating women or anyone with a medical condition should consult with a physician before using this product • Not suitable for infants & children

*As per, IFCT 2017, NIN, ICMR

NUTRILITE® Echinacea - Citrus Concentrate Plus

NUTRILITE® Echinacea - Citrus Concentrate Plus contains Echinacea blend, comprising Echinacea purpurea root, Echinacea aerial parts, and Echinacea angustifolia root. Echinacea helps support immune health.*

*Already in healthy range

Nutriline Range is under Nutraceutical/Health Supplement/FSDU categories. Nutriline products are not for medicinal use. Not to exceed recommended daily usage. NUTRILITE® Biotin - Cherry Plus

NUTRILITE® Biotin-Cherry Plus is for adults who want Biotin supplementation. Biotin takes part in the regulation of sebum excess at the root of hair and thus contributes towards limiting hair loss and stimulating their regrowth. Biotin helps maintain healthy skin and mucosa, and it also helps toward improvement of brittle nails.

Food for Special Dietary Use, food for supporting healthy hair, skin and nails (13.5). Not for medicinal use. Product is required to be stored out of reach of children. Please do not exceed the recommended daily usage. Product not for parenteral use. Adolescents, elderly, pregnant or lactating women or anyone with a medical condition should consult a physician before using this product. Not suitable for infants & children.

NUTRILITE® Cherry Iron

Presenting the all-new Nutriline Cherry Iron with higher nutrient value*. Packed with Iron, Vitamin C, and Dietary Folate to offer everyday support for your Iron needs. **NUTRILITE® Cherry Iron** from Amway helps bridge the gap between your iron requirements in your daily diet. These tablets deliver benefits from iron sources like Ferrous Bisglycinate, and Ferrous Fumarate, plus the goodness of Mustard Greens. Mustard Green is one of nature's richest plant source of iron. Research suggests that absorption from Ferrous Bisglycinate is 2-3 times higher than from other forms, like ferrous sulphate. Additionally, Vitamin C supports Iron absorption. The added Dietary Folate provides additional benefits for women.

*As compared to previous Nutriline Cherry Iron.

Nutriline Range is under Nutraceutical/Health Supplement/FSDU categories. Nutriline products are not for medicinal use. Not to exceed recommended daily usage. Not to be used as a substitute for varied diet. Products are required to be stored out of reach of children. Images shown are for pictorial representation only. Please refer individual product label for product category & further information. For further information, please visit www.amway.in Images are for representation purposes only

NUTRILITE® Fiber

Fiber forms an essential component of a diet. Recommended daily intake of Fiber for an Indian diet is 40 g per day, which is reducing due to people moving towards consuming refined food.

NUTRILITE® Fiber comes with a blend of three natural soluble fibers, namely resistant maltodextrin, partially hydrolysed guar gum, and inulin. It blends easily with water and is also a tasteless, low-viscosity liquid that helps meet the daily requirements of Dietary Fiber when consumed with a regular diet.

NUTRILITE® Milk Thistle Plus

NUTRILITE® Milk Thistle Plus contains a blend of three herbs: Milk Thistle, Dandelion Root and Turmeric. These ingredients help support normal physiological functioning of liver already in healthy range.

Nutriline Range is under Nutraceutical/Health Supplement/FSDU categories. Nutriline products are not for medicinal use. Not to exceed recommended daily usage. Not to be used as a substitute for varied diet. Products are required to be stored out of reach of children. Images shown are for pictorial representation only. Please refer individual product label for product category & further information. For further information, please visit www.amway.in

NUTRILITE® Garlic

NUTRILITE® Garlic contains Allicin, the key component in Garlic, which helps maintain blood lipid levels already within the normal range. Nutriline Garlic is sourced from mountain-grown garlic and concentrated at low heat to retain more of its benefits. It is known to support normal blood cholesterol. It also comes with an 'enteric coating' that helps the tablets to move through the stomach without getting destroyed and gets absorbed in the intestine, thereby minimising odour. It also contains peppermint, which is known to be a soothing herb.

NUTRILITE® CH Balance

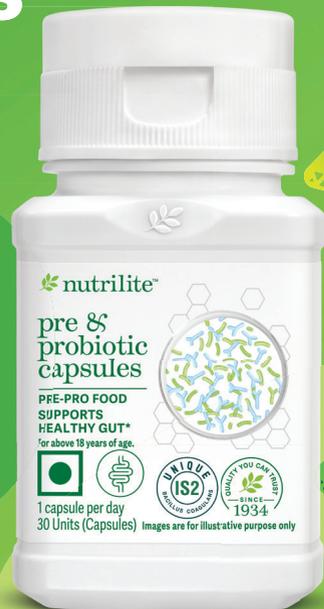

Sometimes, while we try to strike a balance amongst work, family, and health, it results in creating an imbalance in our nutritional intake. Modernisation has already made a lot of people shift from healthy traditional diets to fatty, junk foods. **NUTRILITE® CH Balance**, made with naturally sourced green tea extract, is considered to be beneficial in maintaining cholesterol levels that are already in the normal range.

Nutriline Range is under Nutraceutical/Health Supplement/FSDU categories. Nutriline products are not for medicinal use. Not to exceed recommended daily usage. Not to be used as a substitute for varied diet. Products are required to be stored out of reach of children. Images shown are for pictorial representation only. Please refer individual product label for product category & further information. For further information, please visit www.amway.in

NUTRILITE

NUTRILITE® Bilberry with Lutein

Age related macular degeneration (AMD) is a natural process with ageing and gets accelerated due to poor diet, smoking, hereditary reasons, UV rays, stress, working conditions, and other lifestyle factors. Poor macula causes oxidative stress within the retina & leads to vision-related challenges. Support your eye, functioning already in healthy range, with **NUTRILITE® Bilberry with Lutein** that contains a blend of nutrients - Lutein, Bilberry extract, Black Currant extract, Vitamin A, and Spinach concentrates. Vitamin A in the formula provides additional nutritional benefits. Lutein provides antioxidant protection for the retina. Vitamin A is known to help maintain good eyesight at night.

NUTRILITE® Multi Carotene Softgels

Free radicals originating through exposure to things such as air pollution, junk food, smoke, etc. have the potential to cause serious cellular damage. But their effects can be minimised by antioxidants. Carotenoids are known for their antioxidant properties. **NUTRILITE® Multi Carotene Softgels** is a fat-soluble blend that contains all-natural carotenoid compounds from three concentrates: dunaliella salina algae, tomato, and marigold flowers. These ingredients can support skin, eye, and immune health by providing antioxidant support.

NUTRILITE® Natural-B with Yeast

NUTRILITE® Natural B with Yeast provides 7 essential B Vitamins plus Inositol. It comprises an enhanced Yeast Premix that has been enriched with B Vitamins. Range of B Vitamins support critical metabolic functions and help support energy production. It is a natural and convenient way to support your diet.

NUTRILITE® Concentrated Fruits and Vegetables

Phytonutrients are beneficial towards improving our health by balancing and protecting the cells and normal functions of the body, along with supporting a healthy immune system. **NUTRILITE® Concentrated Fruits and Vegetables** is a product specifically formulated to relate with a healthy intake of phytonutrients from fruits and vegetables. It is a good way to supplement your diet and gain important health benefits.

Ready to serve nutritious fruit beverages made with fruit and vegetable juice & pulp (no concentrates used). These beverages contain clinically proven immunity supporting ingredient* and have no added sugar* or preservatives. You can choose from two unique blends -

Nutrilite® B Natural ABC (Apple, Beetroot, Carrot)

A nutritious blend of fruits and vegetables and Nutrilite® certified apple extract, Nutrilite® B Natural ABC is a combination of apple, beetroot, and carrot juice. It has Vitamin C, that is known for its antioxidant properties. It provides the goodness of dietary fibre and contains only 25Kcal per 100ml.

Nutrilite® B Natural Mixed Fruit

A nutritious blend of 21 Vitamins & Minerals from Nutrilite® Daily and Nutrilite® certified apple extract, Nutrilite® B Natural Mixed Fruit has 2x polyphenols** and is made with a combination of 6 Indian fruits. Provides goodness of dietary fibre and has Vitamin C known for its antioxidant benefits.

*Ingredient refers to Green Coffee Extract. **Contains naturally Occurring sugars. ***Compared to B Natural Mixed Fruit Beverages. No fruit is added in the product. Fruit juice & pulp is used. Images are for representation purpose only.

Sunfeast Protein Shake by Nutrilite®

9 out of 10 people are protein-deficient*. Which is why they often suffer from problems such as loss of energy and fatigue. Sunfeast Protein Shake by Nutrilite® #NUTRIBEV helps support your protein intake. Ensuring 30%** of your daily protein needs, it comes with 9 essential amino acids and 18 grams of protein in one pack! It's made from natural milk protein, filled with the goodness of chia fibre sourced from Nutrilite's organic farms, comes in a delicious coffee flavour, provides casein and whey and is rich in calcium that helps support bone health. No added sugar (contains naturally occurring sugars), low in fat, no artificial colors, flavors and added preservatives.

*Mahajan Manish. Protein Consumption in Diet of Adult Indians : A General Consumer Survey (PRODIGY). Indian Medical Gazette. 2015 Apr; 149 (4): 149-150. **Basis RDA 2010. Images are for representation purpose only.

Your kid's daily nutrition partner!

A combination of vitamins, minerals, protein, fiber, and clinically proven ingredients mix*, to support kids' nutrition. Sunfeast Kids Dailyshake by Nutrilite contains 23 Vitamins & Minerals as used in Nutrilite Kids Chewable. It's a good source of protein and dietary fiber. Contains clinically proven ingredients mix* to support your child's gut health.

Crafted with care for your child -
no added colours, no added preservatives, no artificial flavour.

- Gut health
- Brain function
- Immunity
- Energy metabolism
- Bone health

*Clinically proven ingredients mix [Oligofructose, Glucomannan and Vitamins (B1, B2, B6, B9, B12, K)]. Clinical study included kids aged between 8-13 years.

NUTRILITE

Nutrilite® Vitamin D Plus (D3+K2+Quercetin & Licorice)

Weakened bones are one of the most prevalent conditions in Indians and Vitamin D deficiency is a common cause for it. Nutrilite® Vitamin D Plus* is intended for adults with weakened bones. With 1900 IU of Vitamin D3, patented blend of Quercetin and Licorice and 20 mcg of Vitamin K2 in each tablet, this supplement contains vitamin D equivalent to the vitamin D present in 64 boiled eggs[^]. It has no artificial colours or flavours or preservatives.

[^]Poultry Eggs, Whole, Boiled (IFCT - Indian Food Composition Table, NIN, ICMR 2017). **FOOD FOR SPECIAL DIETARY USE (FOOD FOR WEAKENED BONES)**. *Nutriline Vitamin D Plus contains ingredients known to support weakened bones. Not for medicinal use. Product is required to be stored out of reach of children. Please do not exceed the recommended daily usage. Product not for parenteral use. Adolescents, elderly, pregnant or lactating women or anyone with a medical condition should consult with a physician before using this product. Not suitable for infants and children. NUTRILITE® Kids Drink Chocolate

Growing children need all kinds of nutrients in a proper manner, but at the same time, they are fussy about what they eat. Therefore, the delicious and convenient **NUTRILITE® Kids Drink** provides nutrients like protein, carbohydrates, vitamins, minerals, and other nutrients along with a regular diet that help your child grow up with stronger bones and muscles, healthy teeth, hair, and skin.

Available in Natural Chocolate flavour.

Nutrilite Range is under Nutraceutical/Health Supplement/FSDU categories. Nutrilite products are not for medicinal use. Not to exceed recommended daily usage. Not to be used as a substitute for varied diet. Products are required to be stored out of reach of children. Advised for children above 5 years of age. Children 5-12 years of age should not exceed one serving per day. Not suitable for infants. Anyone with medical condition should consult a physician before using the products. Regular balanced diet is important for children in their growing age. Images shown are for pictorial representation only. Please refer individual product label for product category & further information. For further information, please visit www.amway.in

NUTRILITE® Kids Chewables

Making children consume pulses, green and leafy vegetables, fruits, milk and milk products is a tough task as they are fussy eaters. Hence, we need to make choices that help our kids have an additional support of vitamins and minerals needed for optimal growth, along with a regular diet. **NUTRILITE® Kids Chewables** provides a range of vitamins and minerals. It may help you provide support in meeting the multivitamin and multimineral requirements of your kids.

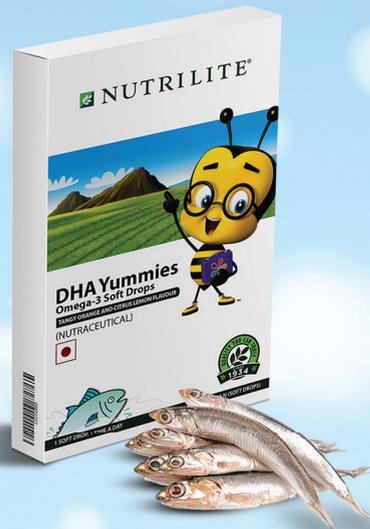

NUTRILITE® Kids Chewable Natural C

Vitamin C helps support the immune system, and in the development and maintenance of bones, cartilage, teeth, and gums and provides a lot of other functional benefits. **NUTRILITE® Kids Chewable Natural C** is a naturally flavoured product that will provide Vitamin C to support your kids' requirements. Moreover, our formula contains acerola cherry concentrate and also has a yummy flavour. It is a great tasting product, so your child will love it every day. Vitamin C also helps support iron absorption.

Nutrilite Range is under Nutraceutical/Health Supplement/FSDU categories. Nutrilite products are not for medicinal use. Not to exceed recommended daily usage. NUTRILITE

NUTRILITE® DHA Yummies

Most people think that they are giving their child enough of Omega-3 Fatty Acids to bring about proper brain and body development. In India, the daily diet of children may fall short of Omega-3 fatty acids (DHA)*. Fish oil supplements are the choice for parents around the world when it comes to bridging the Omega-3 gap.

NUTRILITE® DHA Yummies Omega-3 Soft Drops, in a kid-friendly chewable format, coupled with tangy orange and citrus lemon flavour is sure to have your child asking for more. Apart from DHA & EPA** it also has Vitamin D which is needed for normal growth and development of bones and contributes to the normal functioning of the immune system in children.

Docosahexaenoic Acid. Michael J. Weiser1,, Christopher M. Butt 1 and M. Hasan Mohajeri 2. Docosahexaenoic Acid and Cognition throughout the Lifespan. Nutrients 2016, 8, 99; doi:10.3390/nu8020099 **Eicosapentaenoic Acid.

NUTRILITE® Kids Chewable Concentrated Fruits and Vegetables

Fruits and vegetables are the core of a healthy diet, especially for growing children. Unfortunately, most of the children are not fond of fruits and vegetables. **NUTRILITE® Kids Chewable Concentrated Fruits and Vegetables** has Phytonutrients. Phytonutrients are rich in antioxidants, which are beneficial for the body.

Nutriline Range is under Nutraceutical/Health Supplement/FSDU categories. Nutrilite products are not for medicinal use. Not to exceed recommended daily usage. Not to be used as a substitute for varied diet. Products are required to be stored out of reach of children. Advised for children above 5 years of age. Children 5-12 years of age should not exceed one serving per day. Not suitable for infants. Anyone with medical condition should consult a physician before using the products. Regular balanced diet is important for children in their growing age. Images shown are for pictorial representation only. Please refer individual product label for product category & further information. For further information, please visit www.amway.in

NUTRILITE® Kids Chewable Iron

Children especially need Iron that helps the blood to carry Oxygen to the cells. Along with other nutrients, Iron plays an important role in development of mind and body. **NUTRILITE® Kids Chewable Iron** provides Iron in a chewable tablet form to support daily requirements. It contains ferrous fumarate which is easily absorbed by the body.

NUTRILITE® Kids Calcium Magnesium Cocoa

Calcium is one of the most important minerals in the human body, as it helps build strong bones and teeth. As parents, we know the early years are most important in child development. Almost half of our Skeletal framework is built during the adolescent stage and hence, it is important that kids get adequate Calcium in their diet. **NUTRILITE® Kids Calcium Magnesium Cocoa** contains 270 mg of Calcium and 50 mg of Magnesium, which contribute to normal muscle and nerve function.

Nutriline Range is under Nutraceutical/Health Supplement/FSDU categories. Nutrilite products are not for medicinal use. Not to exceed recommended daily usage. Not to be used as a substitute for varied diet. Products are required to be stored out of reach of children. Advised for children above 5 years of age. Pure and full of nutrients. Nutrilite™ sustainably grown botanicals are at the heart of Artistry Skin Nutrition™ formulas. When paired with breakthrough skin science, the results are remarkable.

CREATED WITH NO HARMFUL CHEMICALS AND CERTIFIED VEGAN

Artistry Skin Nutrition™ products are certified by the Vegan Society, finished products are not tested on animals, and are made with no mineral oils, parabens, phthalates, and sulfate surfactants.

CUSTOMIZED BASIS YOUR NEED

The Anti-Aging ranges are designed to suit your skin's unique needs and skin types.

WE ONLY USE THE GOOD STUFF.

We use Nutrilite™ farm sourced botanicals.
From Nutrilite™ sourced White Chia seed to Acerola Cherry
and Pomegranate, you'll only find supercharged, plant-based
ingredients in our products.

SUPERSTAR WHITE CHIA SEED.

Grown on our own farms, Nutrilite™ White Chia seed is
the super ingredient in all of our formulas. We use the
whole seed-extract, oils and gel-to help your
skin look its healthiest.

PERSONALIZED FOR YOU

The Anti-Aging ranges are designed to suit your skin's unique needs and skin types.

ARTISTRY

Renewing Foaming Cleanser

A rich, creamy cleanser transforms into a luxurious foam/lather; effectively **removes pollution (including/similar to PM 2.5) from skin.**

- Contains **White Chia Liposome** to help protect skin's innate barrier and **help maintain skin's natural moisture barrier.**
- Patented botanical ingredient blend of **Shiso Perilla** and **Aloe Vera**, **helps reduce skin irritation and helps soothe skin.**
- **Glycerin** helps to deliver intense moisture during cleansing.

Microbiome-friendly formula | Non-Stripping | Non-Drying

pH balanced | Biodegradable formula | Dermatologist Tested

How to Use: Use it as Step 1 in your Skin Care Regimen. **Dampen skin** with fresh warm water. **Dispense cleanser** onto palms and work into a lather. **Gently massage** over skin. **Rinse thoroughly** and pat dry. **Avoid direct contact with eyes. Safe to use in morning and at night.**

90% women agree, immediately after use, leaves skin feeling smooth, soft and conditioned#.

ARTISTRY™ SIGNATURE SELECT PERSONALIZED SERUM

MY SKIN. MY NEEDS.
MY PERSONALIZED
SERUM!

EVERY SKIN IS DIFFERENT
AND SO ARE ITS PROBLEMS.

With the vision of understanding
every skin problem and crafting
personalized skincare products,
we have introduced

THE FUTURE OF
SKINCARE

IT'S CONTEMPORARY. | IT'S ADVANCED. | IT'S JUST FOR YOU!

POWER OF UP TO 3 SERUMS IN 1

A powerful skincare serum that's
personalized for each woman basis
their unique skincare needs.

SELECT, MIX & PERSONALIZE
YOUR OWN SERUM.

BASE SERUM

5 AMPLIFIERS

Select up to 3 amplifiers and
mix them into the base serum

PERSONALIZED
SERUM

YOU CAN MAKE UP TO
25 COMBINATIONS

Images are for representation purpose only

ARTISTRY

HOW TO CREATE A PERSONALIZED SERUM?

1 SELECT
Select up to 3 highly concentrated Amplifiers based on your needs.

2 MIX
Mix the Amplifiers into the Base Serum. Simply twist Amplifiers ON, then twist OFF to activate!
To avoid bubbling effect, tap the bottle on a flat surface after adding each amplifier.

3 PERSONALIZE
With the power of upto 3 Serums in 1, experience a personalized Serum.

BASE SERUM

A strong foundation to unleash the power of Amplifiers by activating them & helping them penetrate into the layers of the skin's surface. Increases Amplifier penetration by up to **175%***

To be used only with the Amplifiers. Not designed to be used alone.

ARTISTRY

ARTISTRY™ ESSENTIALS MOISTURE INTENSE MASQUE

A calming facial masque designed to help restore moisturization to dry, dehydrated skin. The formula is whipped crème based, containing light aromatherapy-type properties to aid in relaxation. It contains Nutrilite® approved Chamomile, known for its skin soothing properties.

Features & Benefits

- Provides an immediate moisture boost to the skin while maintaining hydration throughout the day
- Improves skin texture, smoothens & softens skin's surface
- Restores moisture barrier to prevent future drying
- Dermatologically tested
- Allergy Tested

ARTISTRY™ INTENSIVE SKINCARE RENEWING PEEL

It offers retexturizing benefits comparable to a professional chemical peel, but much gentler and performed in the convenience of your own home.

Features & Benefits

- Over a six-week period, Renewing Peel will deliver benefits comparable to those of a professional peel
- It is fueled by a safe, gentle and natural Mushroom enzyme that resurfaces the skin
- It removes the outer layer of dead skin cells, which helps other skincare products to work more effectively

Results

After just one use in clinical and consumer testing:

- 93% of women agreed their skin looks and feels softer and smoother

After six weeks in clinical and consumer testing:

- 100% saw an improvement in skin smoothness and texture
- 84% saw more radiant skin
- 84% raved that their skin looked younger

ATTITUDE

Amway
home™

Why switch to Amway Home products?

- High performance cleaning products, trusted and used by families all over the world for more than 60 years.
- Contains active ingredients derived from natural sources to help maintain a cleaner, healthier home.
- Great value and economical because the products are concentrated, meaning you use much less for the same cleaning.

Concentrated | Biodegradable | Dermatologist-tested

HOME CARE

LET YOUR CLOTHES LOOK NEW

Amway Home SA8 Liquid

INDIA'S **4.1** in LAUNDRY SOLUTION

Pre-treats

Cleans

Softens

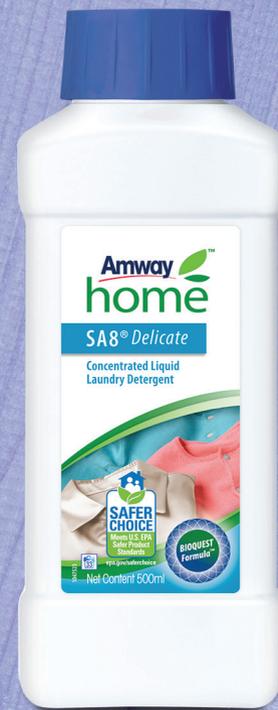

Brightens

Amway Home SA8 Liquid digs deeper to remove tough stains and leaves no harmful, irritating residue on clothes. Natural softener based on coconut derivatives keep clothes soft after every wash and fluorescent whitening agent helps keep colors from fading. Easy to rinse due to low foaming formula that saves water.* Cleans in all water temperature.

1 Litre of SA8 cleans up to 100 wash loads.*

*Quantity taken as per usage directions of the product. **During hand washing.

Amway Home SA8 Delicate

Amway Home SA8 Delicate is a liquid laundry detergent for gentle yet effective cleaning of your woolens, silks and expensive clothes.

Specially formulated to remove body oils and oily cosmetic stains. Easy to rinse due to low foaming formula that saves water, time and energy. It is dermatologically tested and leaves no irritating residue behind on the clothes.

Concentrated formula for economical cost per use (one 500ml pack of SA8 Delicate gives you 100 bucket washes). *To be used on: Silks, Chiffons, Wool, Lingerie, Hand Knitted Woolens etc. Cleans in all water temperature.

HOME CARE

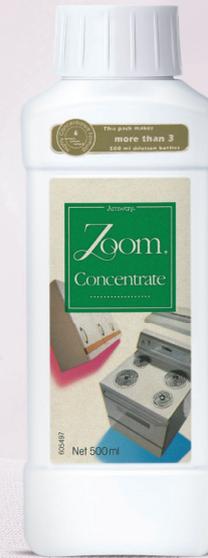

Amway Home L.O.C. Multi-Purpose Cleaner

Powerful and versatile surface cleaner that gets every washable surface effectively clean like floors, sinks, worktops, plastic furniture, appliances, washable walls, woodwork and windows. Contains natural cleaning ingredients derived from plants and minerals. Neutral pH and mild surfactant system. No harmful chemicals, residues or abrasives. Contains no phosphates, harsh acids, alkalis, dyes or chlorine bleach.

Amway Home Dish Drops

Amway Home Dish Drops is a concentrated hand dishwashing liquid which cuts and dissolves stubborn grease from your dishes effectively. It is suitable for all types of crockery. Leaves dishes clean and no harmful residue. Contains no phosphates, alkalis, harsh acids, dyes or chlorine bleach. It contains Aloe-Vera, Sisho & Alpha-hydroxy acids which takes care of your hands while doing your dishes.

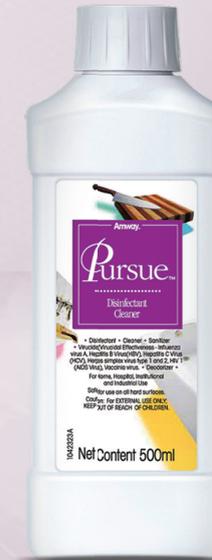

Zoom

Zoom is a concentrated all-purpose spray cleaner and degreaser which is effective for spot cleaning and tough to remove greasy dirt.

Pursue

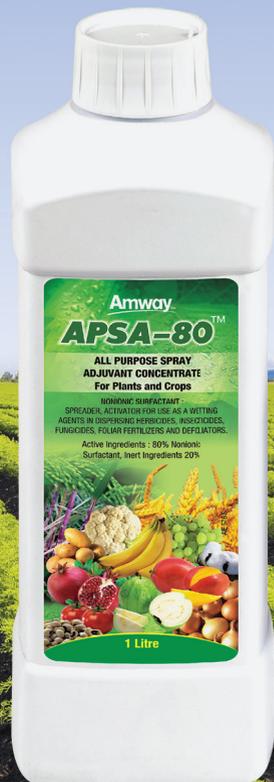

Disinfectant Cleaner Kills 99.99% Germs*
Pursue is a 'one-step' cleaner-disinfectant-sanitizer virucide-deodorizer. It sanitizes hard, non-porous food contact surfaces, without rinsing.

*When used as per directions in pack. Images used here are for representational purpose only.

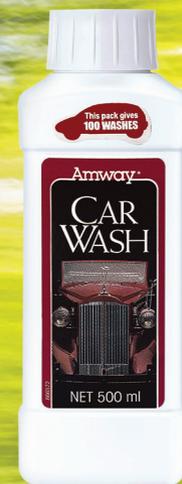

HOME CARE

APSA-80 Adjuvant Spray

APSA-80 is an all-purpose spray adjuvant that when mixed with pesticide (insecticide, fungicide and herbicide) or foliar fertilizer helps improve their effectiveness, leading to increased crop yield for the farmer. It contains biodegradable surfactants that reduce surface tension of water and improve its spreadability and penetration into the soil and acts as an irrigation aid for the farmers.

Images used here are for representational purpose only.

Car Wash Concentrated Liquid

Car Wash is a concentrated liquid for cleaning automobile exteriors. It contains wetting agents which help improve water penetration and help loosen dirt. Formulated to protect the paint, shine and protective polish of automotive surfaces. Car Wash does not leave any spots, streaks or film behind.

Silicone Glaze Auto Polish

Silicone Glaze is a polish for your car, appliances, laminated counter tops, ceramic tiles, bathroom fixtures and aluminium fixtures. It is formulated with silicones to give both high gloss and excellent durability. It is versatile and can be used on many surfaces and not just automobile exteriors.
