

# GoldieBlox's STEAM HUNT

**STEAM is everywhere -- including at home! Find as many items that relate to STEAM!**

**-Find something that you use to do your homework online**

**-Find something that was built with a hammer and nails**

**-Find something that can help you solve math problems**

**-Find the technology that controls the lights in your home**

**-Find a living plant inside your house or backyard**

**-Find an animal that is interacting with its environment (a dog or cat counts!)**

**-Find matter that floats in water & isn't magnetic**

**-Find something that can be used to measure things**
