## PAPER LEI

### TEMPLATES

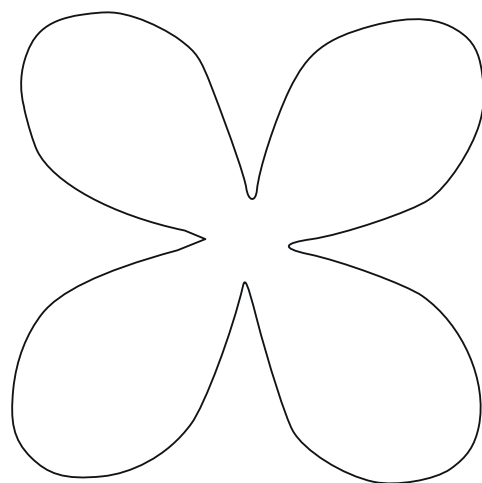

- Print the templates and cut all the details. You can cut more or fewer amount of pieces for a lei of different length.
- Remember to print at 100% scale to get the right size for the flowers and leaves.
- You can trace these and cut them out of stronger card if you prefer.

Fuksia and Coral,  
5 pieces each

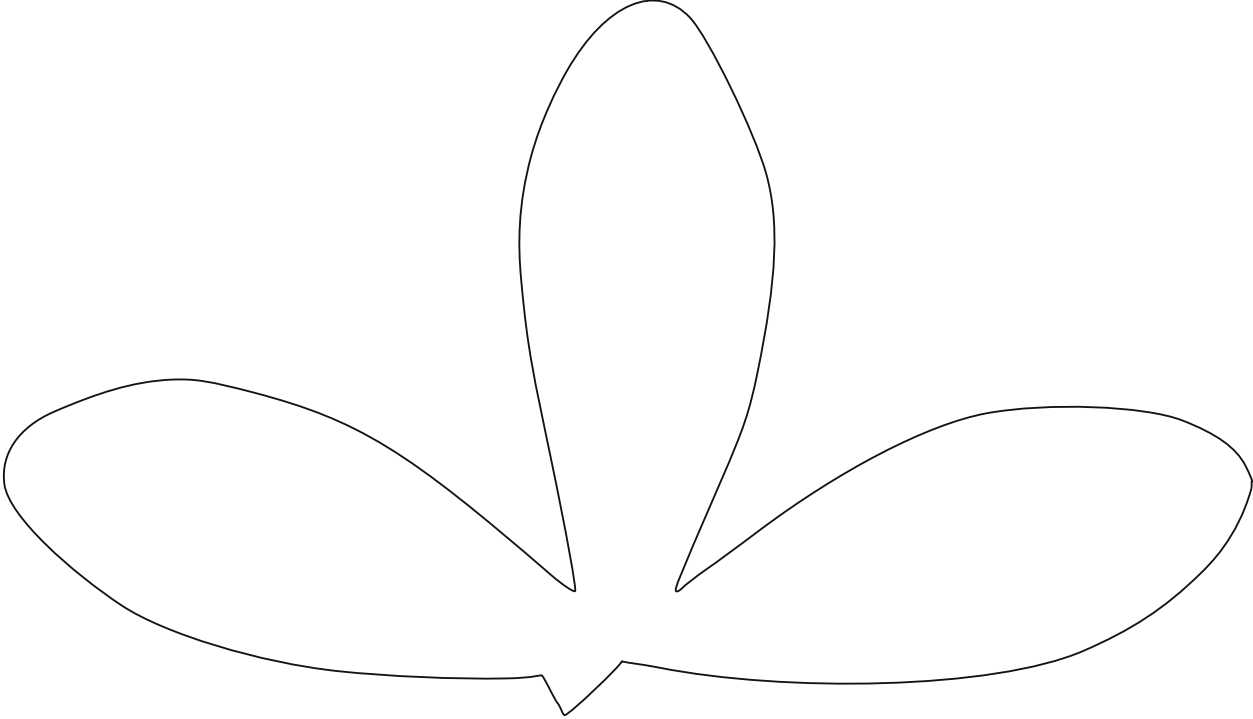

Yellow,  
10 pieces

Orange,  
30 pieces

# TUTORIAL PAPER LEI

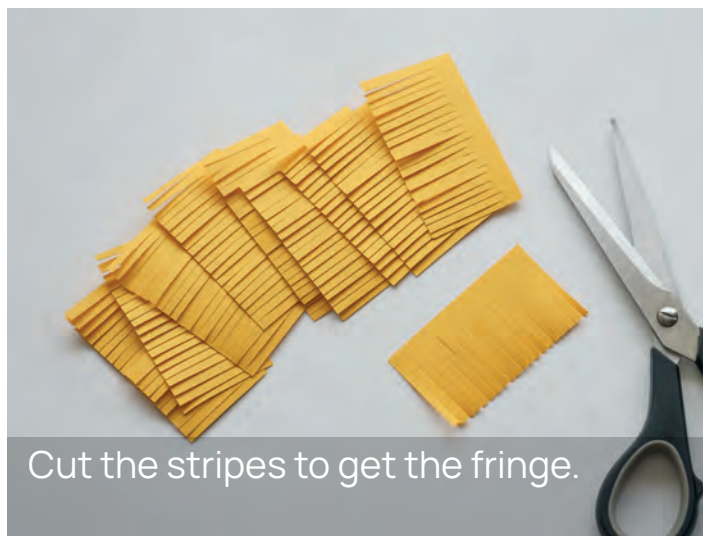

Salad,  
20 pieces

Salad,  
20 pieces

Roll rectangles and glue the tips. Use a knittingneedle or pen for convenience.

Assemble lei with thread and needle like at the picture.
