

Year-of-the-Tiger Headwear

Difficulty level: Medium

Steps

Step 1: Cut out the eyes, nose, and other elements, and paste them on the corresponding places of the orange paper, and then paste the tiger face on the gluing area of the red paper.

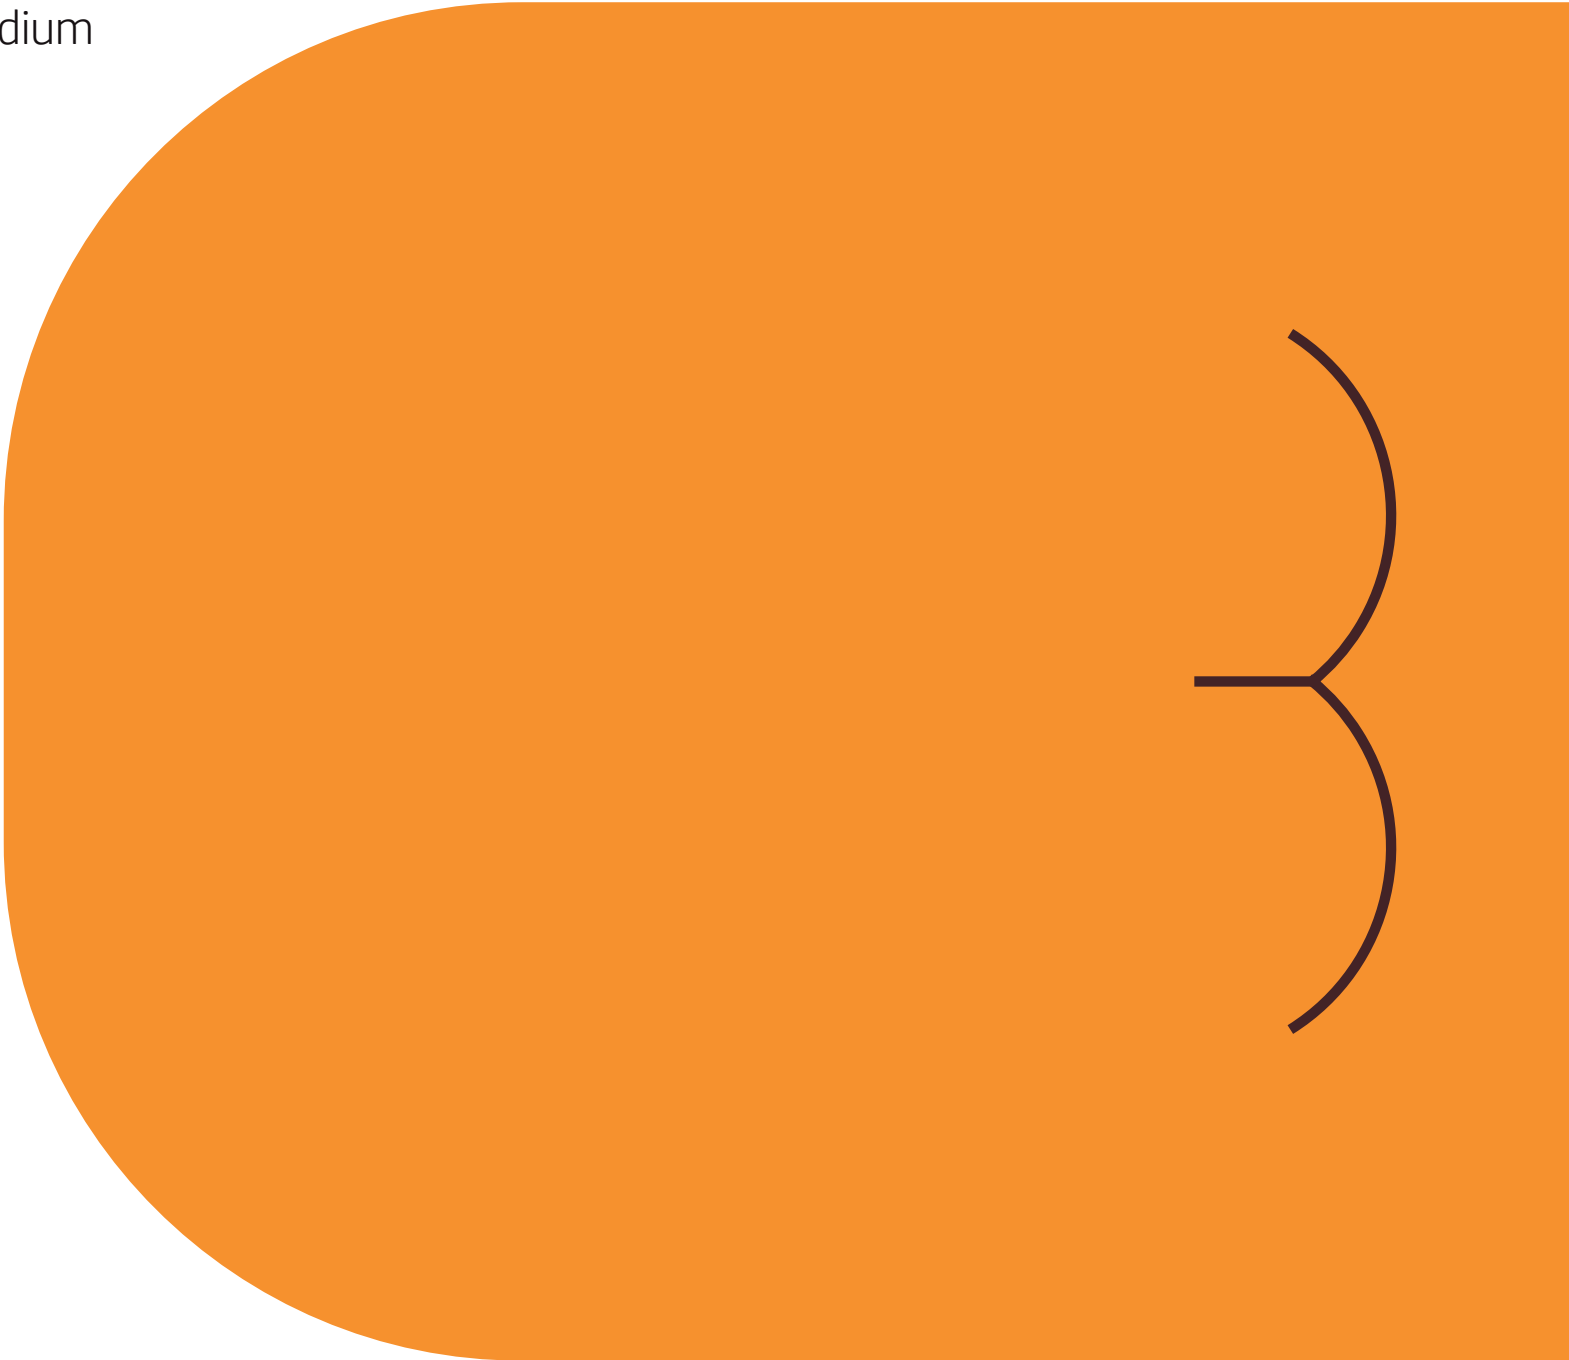

Step 2: Paste the ears onto the back of the tiger face and cover the gluing area.

Step 3: Place two thin threads around the red area and adjust them to the appropriate length according to the shape of the head.
