YOU WILL NEED:

- Templates
- Card
- Coloring Pens & Pencils
- 4 Large Beads
- Drinking Straw
- Glue
- String
- 8 Brads
- Adhesive Putty
- Pin

1

Glue the templates onto card. Color in to look like yourselves if you like! Then cut out.

2

Use a pin and some putty to make holes on the body and limbs where indicated on the template. Connect the limbs to the body using brads.

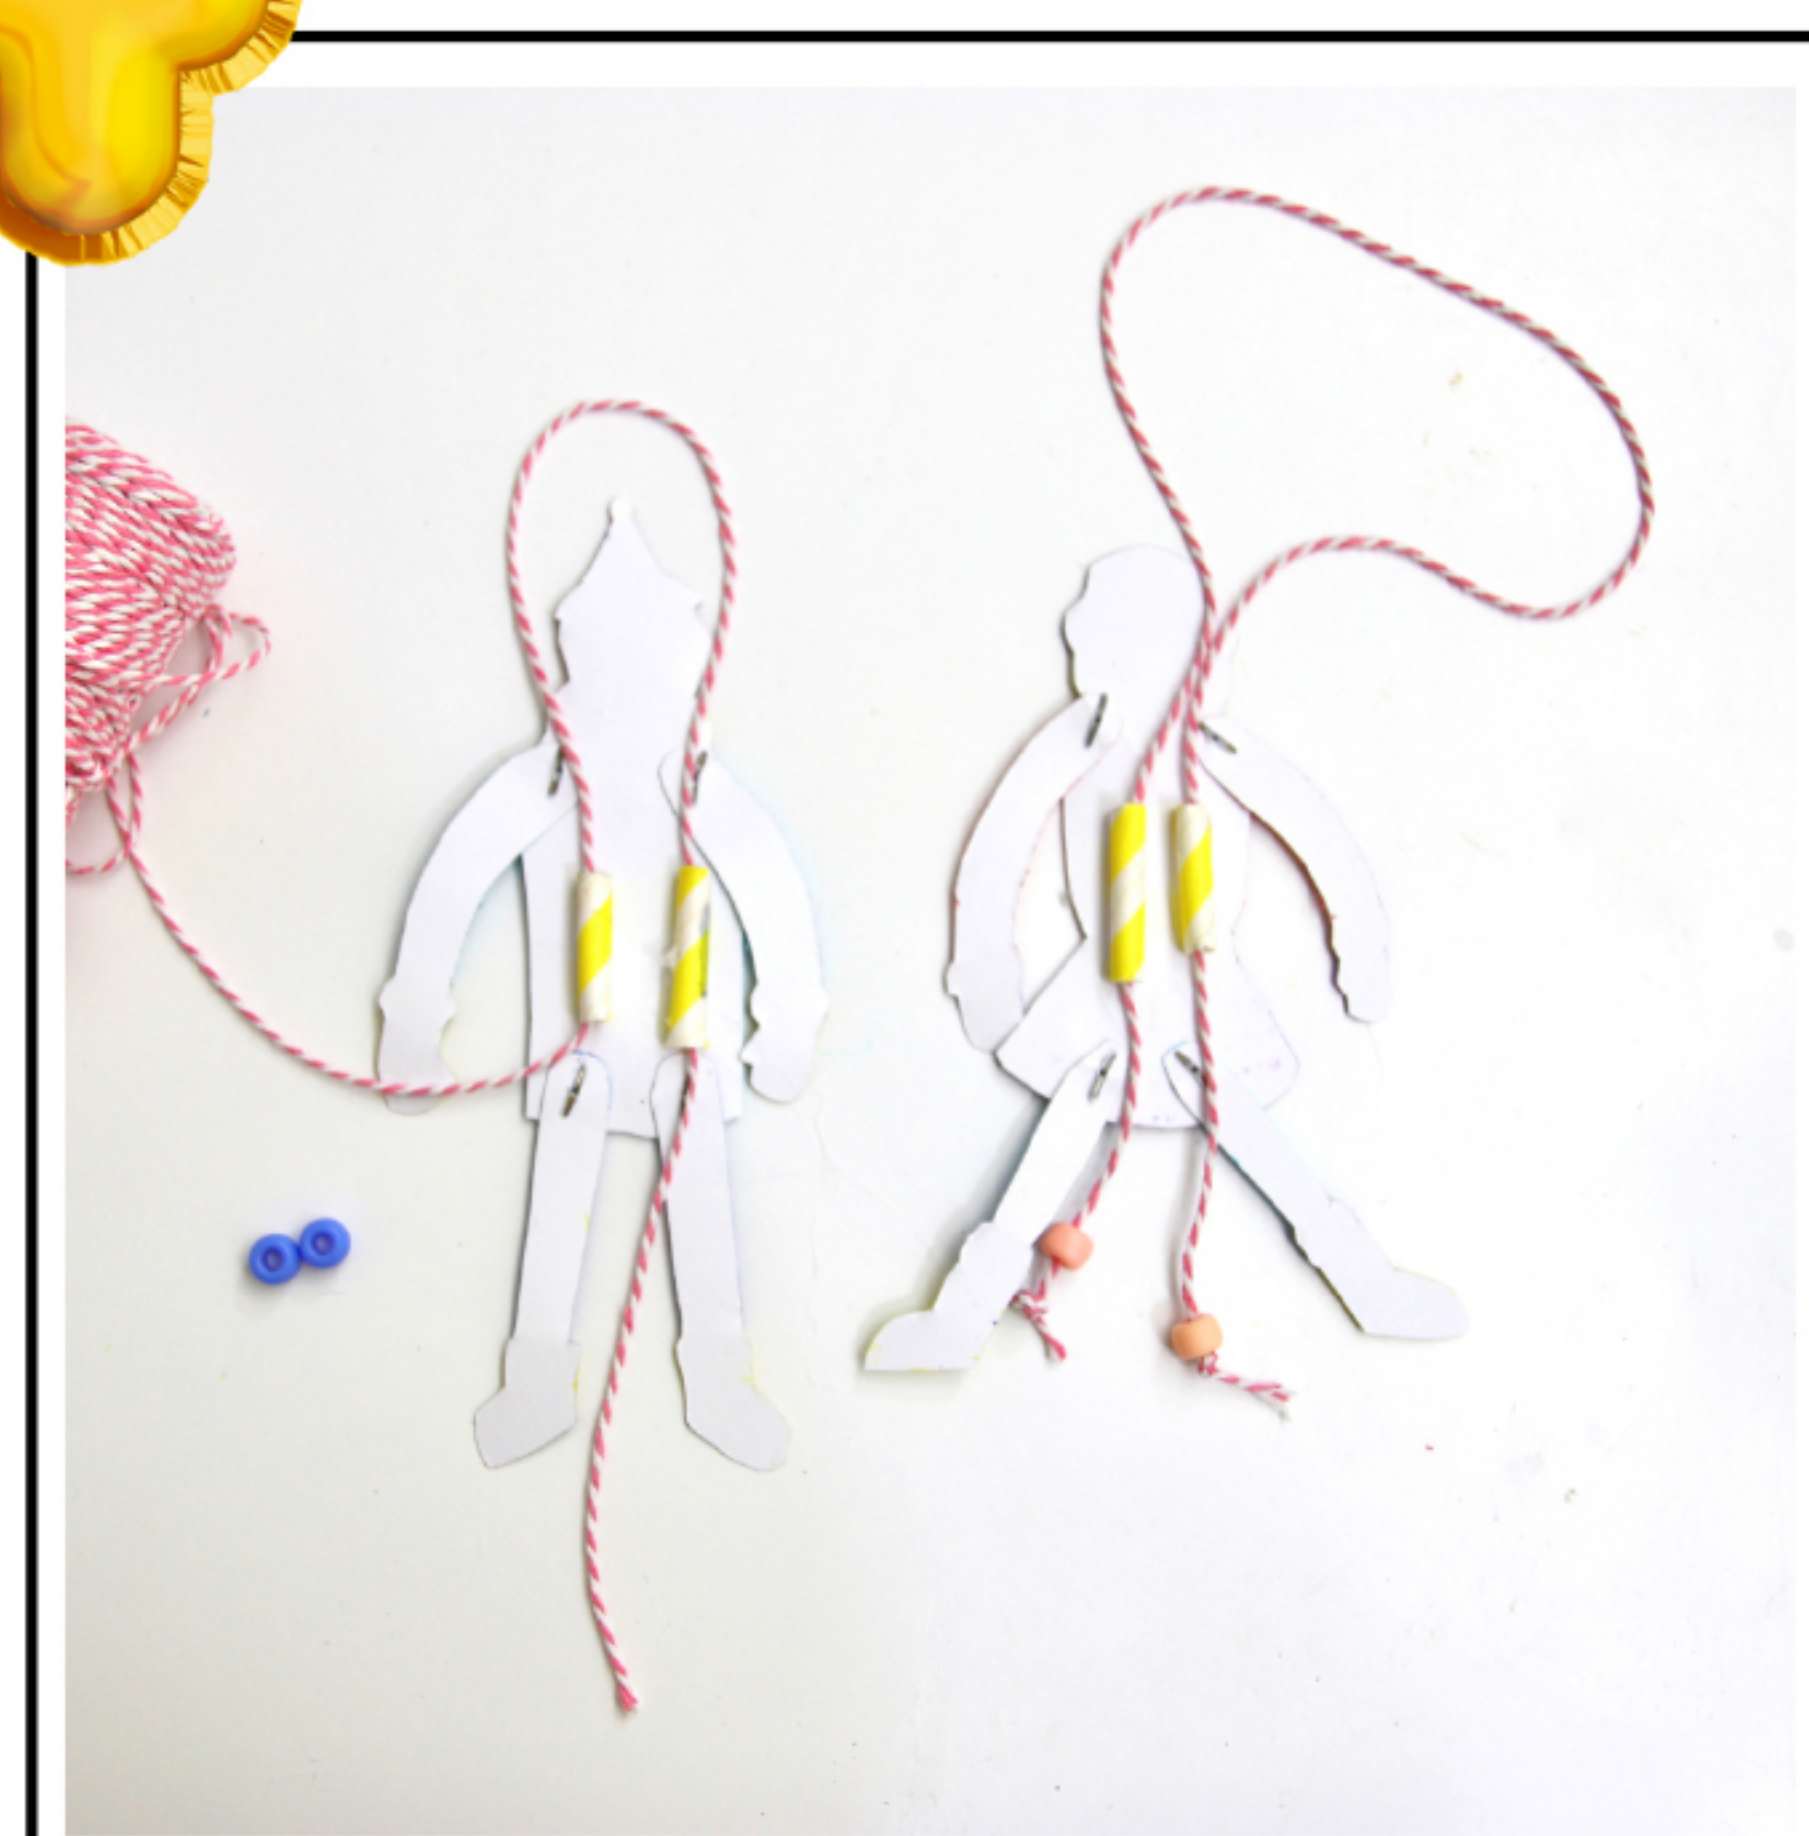

3

Cut four 1 inch pieces of straw. Glue two to the back of each character as shown.

4

Feed about 3/4 yard of string through the straws. Tie a bead to each end of the string to keep it in place.

HOW TO PLAY

Tape your party people to a wall or hang them on some coat hooks or a door knob. Tug on the ends of the string to make them magically climb to the top!
