

### Cupcake Toppers

1. Cut along the black lines
2. Tape a toothpick to the back of the topper

### Cake Garland Topper

1. Cut along the black lines into 9 separate diamond shapes.
2. Fold each diamond in half horizontally to make a triangle.
3. Tape or glue over a piece of string, or ribbon.
4. Tie each end of the string to a chopstick or skewer to insert in to cake.
