

# I have self-control!

Help Marshall decide if his behaviors demonstrate self-control.  
Cut the scenarios and sort them accordingly into the two coloured boxes below.

HAS SELF-CONTROL

NO SELF-CONTROL

He waits for his turn at the swing.

He hit his baby sister because she took his toy truck.

He speaks to his classmate while the teacher is teaching.

He was eager to eat but waited for everyone to be ready for dinner.

He secretly watched TV when he was supposed to be doing his homework.

He took a deep breath when he learnt that his favourite ice cream store was closed.
