

# Write Sentences Using Adjectives

An **adjective** is a word that tells about a person, animal, place, thing, or idea. An adjective can tell what something looks, smells, tastes, sounds, or feels like.

**Example:** Christina looks at **fluffy** clouds on **sunny** days.

The adjectives are *fluffy* and *sunny*. Fluffy tells about the clouds, and sunny tells about the days.

**Directions:** Write three sentences using your favorite adjectives. Circle the adjectives you use. Then, draw a picture to go along with your sentence.
