

## What You'll Need:

Printer  
8.5x11 white cardstock paper  
Scissors  
Hole Punch  
String  
Tape

## Instructions:

Print file on white cardstock.  
Using a pair of scissors, cut the pennants out.  
Punch out two circles on each pennant (where the string should go).  
String the pennants to create your party banner.  
Hang banner on the wall by securing it with tape.
