

PAPER DOLL CHAIN

STEP 1 / Cut a rectangle shape around the design printed on your HP brochure paper 180g

STEP 2 / Fold the cootie in half along both diagonals

STEP 3 / Do this for every lines in a zig-zag folding way

STEP 4 / Cut around the visible design

STEP 5 / Unfold the paper doll chain

STEP 6 / Now you can hang your garland. If you want it to be longer you will simply have to print it once more and glue it to the first one
