NEW EMOJIS

A HOST of new emojis are coming – including an updated vaccine emoji.

As part of Apple's iOS 14.5 update, you'll be able to customise couples according to their race (so one person can be white and the other Asian, for example) and there will be more faces to choose from

These will include a dizzy face and a person with a beard. There will also be more heart emojis.

WOW!

MORE than 140,000 virus species have been found in the human gut!

Amazingly, more than half of them have never been seen before. That's a lot of research for scientists to get stuck into!

POLAR BEAR DAY

IT was International Polar Bear Day on 27 February.

The day aims to raise awareness about these majestic animals, the threats they face and what you can do to help them. You can check out some fun polar bear activities at wwf.org.uk.

HAVE you ever thought about where your food and drink come from?

Or how your clothes are made? Fairtrade Fortnight is all about making sure farmers and workers in developing countries get better prices, decent working conditions and fair terms. Look out for this symbol on items and you'll know it's been produced fairly!

HARRY POTTER TOUR
