# BIRTHDAY BOWS

harriet noble

1) Bend (not fold) the wings of the bow into its centre

2) Glue the bottom of the wings to the base (the ribbon tails)

3) Wrap the rectangle around them both and glue

1) Bend (not fold) the wings of the bow into its centre

2) Repeat for the smaller wings and glue on top of the larger wings
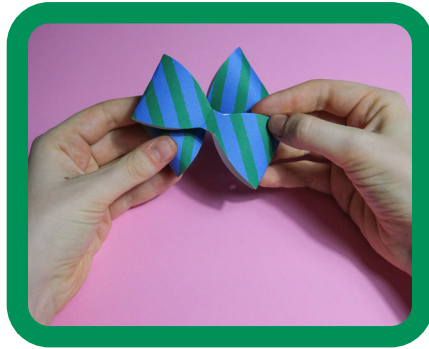

3) Place the wings onto the ribbon tails and glue.

4) Wrap the rectangle around them both and glue

1) Bend (not fold) the bow wings into themselves and glue in the centre. Repeat for the second wings
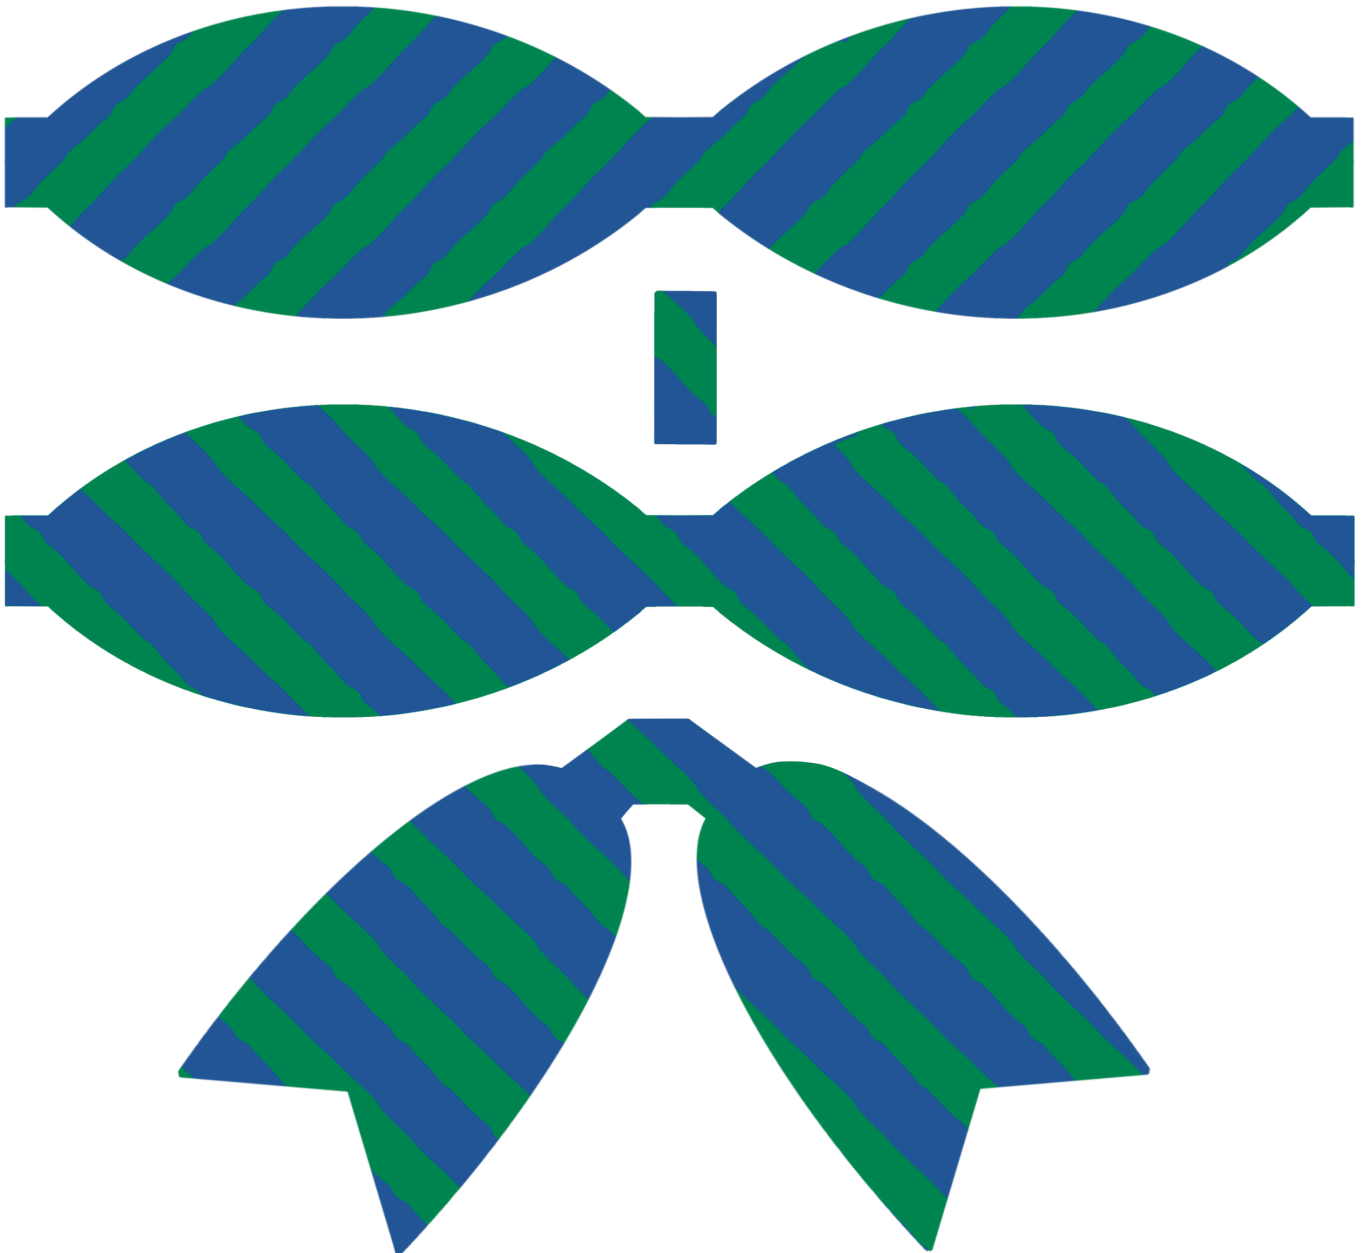

2) Place the now looped wings ontop of each other, at a diagonal angle and glue.

3) Place the wings onto the ribbon tails and glue.

4) Wrap the rectangle around them both and glue

COLOUR IN YOUR OWN BOW

Colur in the shapes you see here, and repeat the steps on the previous page!
