

PRINTABLE

SUGAR SKULL MASKS

SUPPLIES

- Cardstock
- Scissors
- Markers or crayons
- Cord, twine or ribbon

COLOR!

Print the mask on cardstock

CUT!

Cut around the edges of the mask and inside of the eyes.

Open holes on both sides of the mask with a hole punch.

NOTE

The masks will fit most kids but are small for adults, print bigger if needed!

ATTACH CORD!

Fold the cord over and insert the loop edge on the hole.

Insert the other edge through the loop

Pull it up, do both sides and attach to with a know on the back of the head.

WEAR!
