

# rainbow + raindrop wall hanging

## Materials:

Scissors

Printed Template

Glue or Tape

Tack

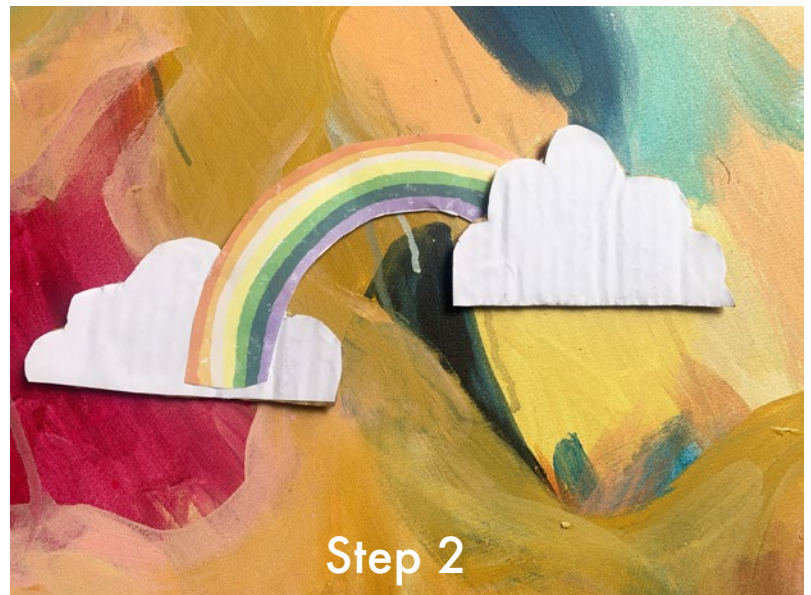

String/twine

## Instructions:

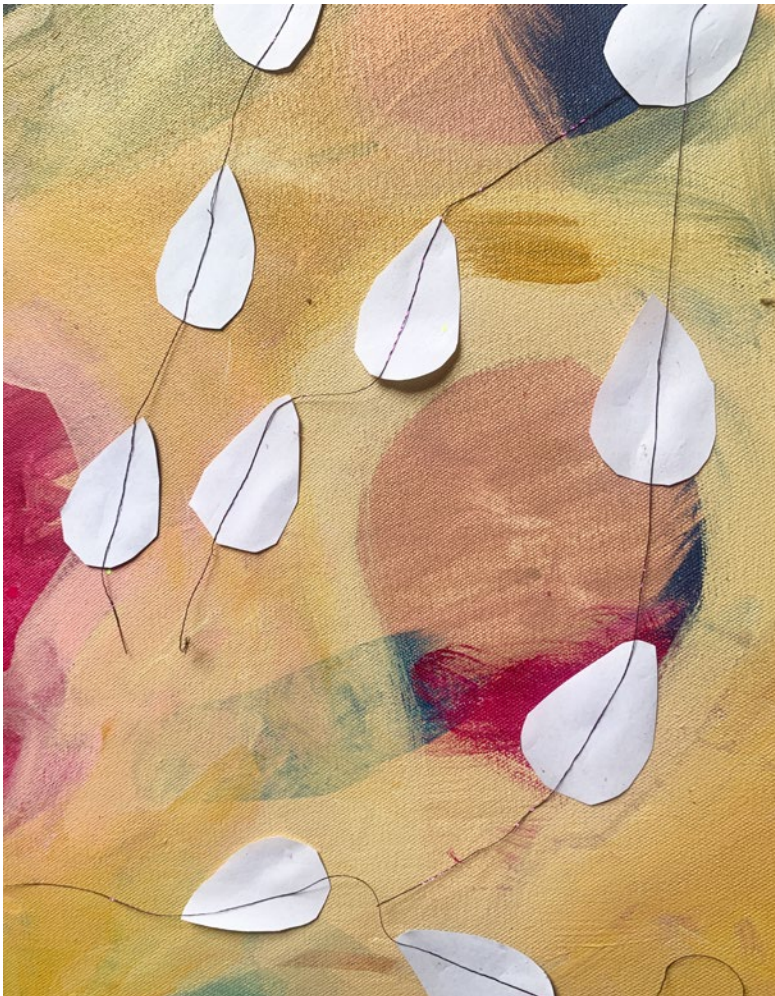

**Step 1:** print and cut out your template pieces of raindrops and a rainbow, as well as clouds. Glue the clouds to cardboard, and cut around the cardboard to thicken them.

**Step 2:** glue or tape the rainbow to the back of one cloud, and the front of the other.

Step 2

**Step 3:** glue or tape your raindrops to string. It is up to you how many drops, and how long your strings are.

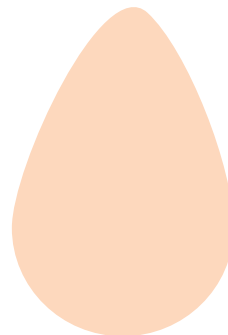

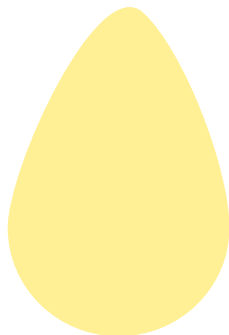

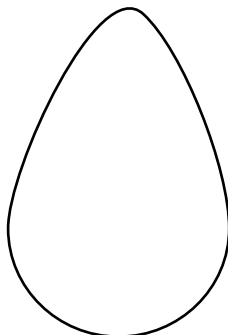

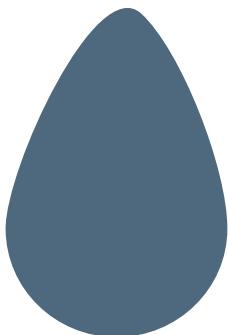

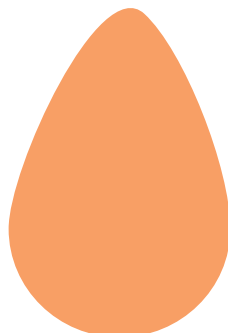

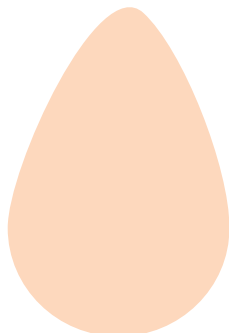

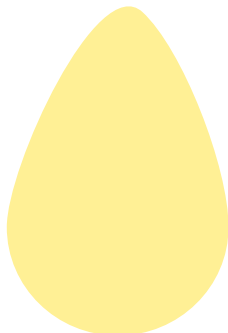

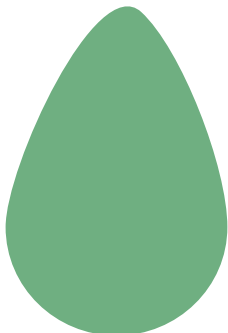

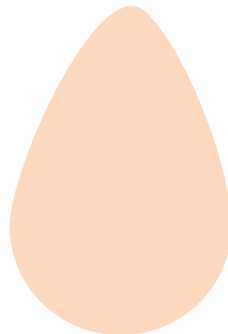

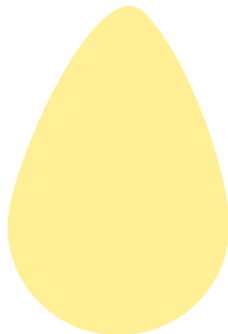

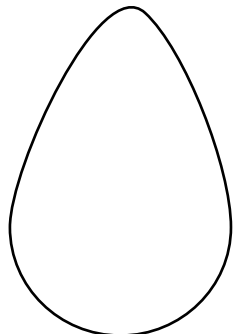

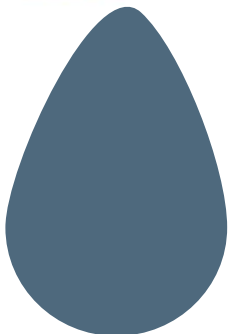

**Step 4:** Add your strings to the back of your cardboard with glue or tape.

**Step 5:** using tack you can attach your finished rainbow scene to your wall, to create an uplifting wall hanging!

You can also get creative and hang other items like drawings of birds, lightning or aeroplanes to your clouds.
