

These holiday paper ornaments are the perfect frame for your photos to display your memories on the tree, as a gift topper, or around the house. All you need to do is print, tape in the photo, add a string to hang and you're done!

Print out the “Holiday photo paper ornaments” printable. We recommend printing in color on card-stock 8.5” x 11” paper.

Cut along the lines of the ornaments - both around the outside of the ornament and the hole in the middle.

Tape a photo in the round hole in the center.

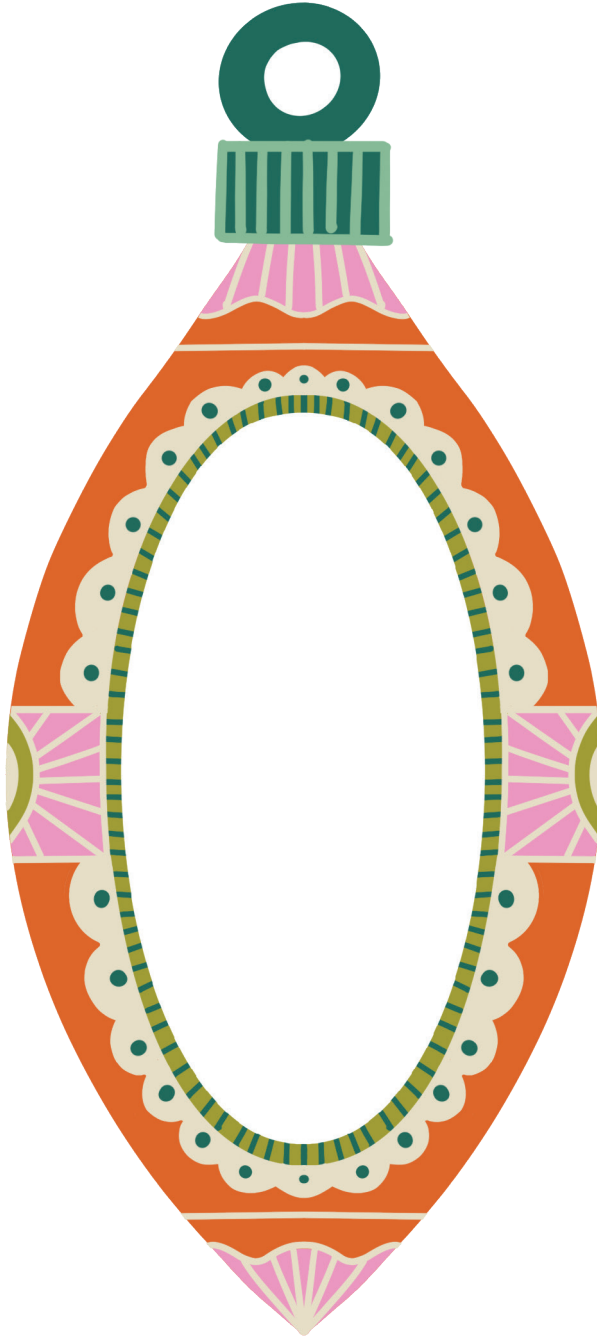

Tie a string to the top of the ornament.

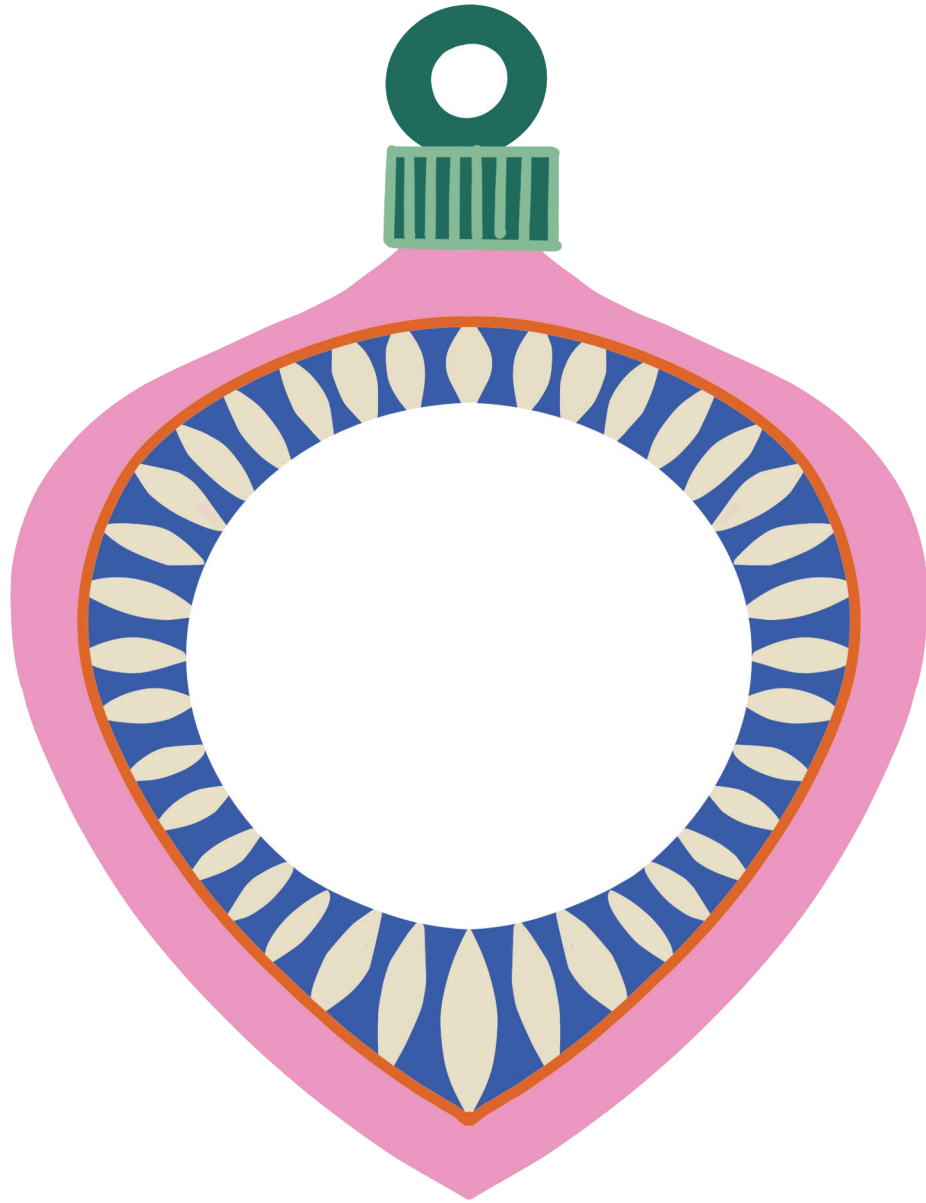

Display on the tree, around the house or use as a gift topper.
