

# WE'RE ALL DIFFERENT

Inspired by *Kitty and Dragon*

Kitty is small. Dragon is huge! Kitty is neat. Dragon is very, VERY messy. But being different doesn't stop Kitty and Dragon from being best friends!

How are you different from your close friends or family? Think about one person, and make a list of all the ways you are similar and all the ways you are different. Ask that person to do the same, and then compare your lists. Did you come up with some of the same things? Did you learn anything that surprised you?

My friend or family member's name: \_\_\_\_\_

How are we the same?
