

MULTIPLICATION WHEELS

These worksheets are great for practicing times tables at home. Simply print and have fun filling out the answers! Repeat as many times as you like.

You could even try timing yourselves. Record your time and see if you can get faster and faster.

Once you have mastered the first wheels, challenge yourself by designing your very own multiplication wheel.

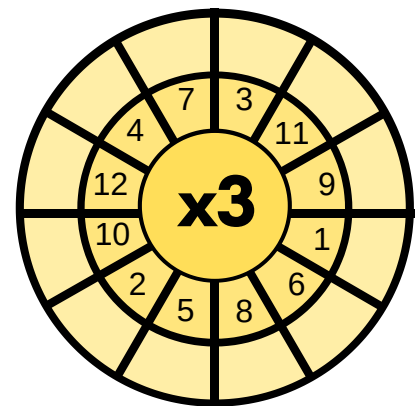

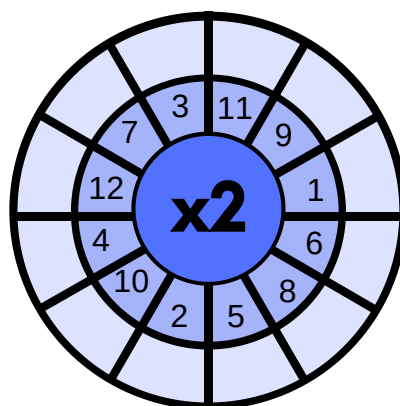

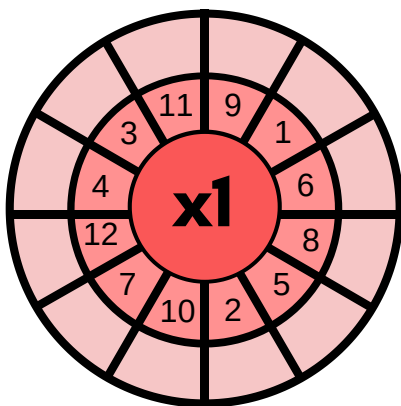

THIS WORKBOOK INCLUDES

*Printable multiplication worksheet.

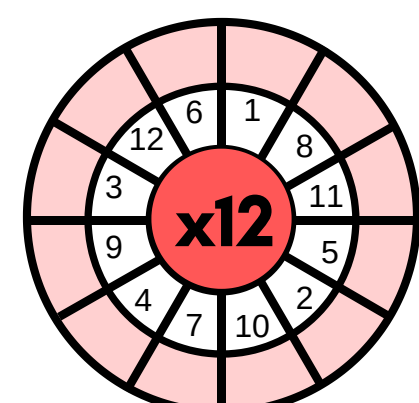

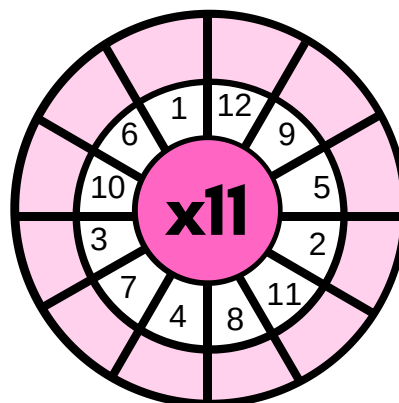

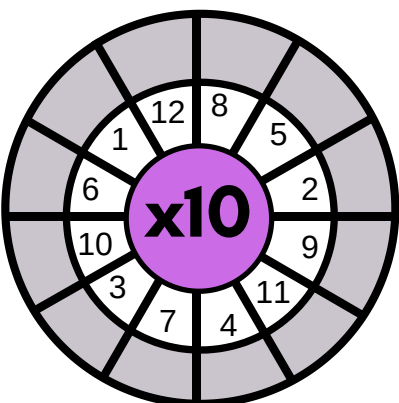

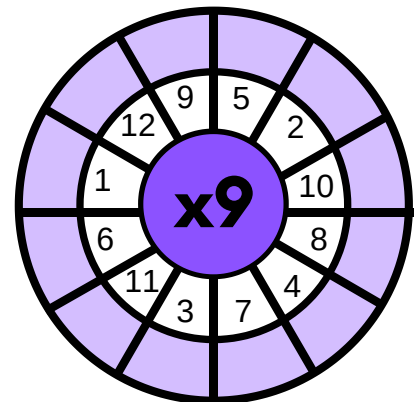

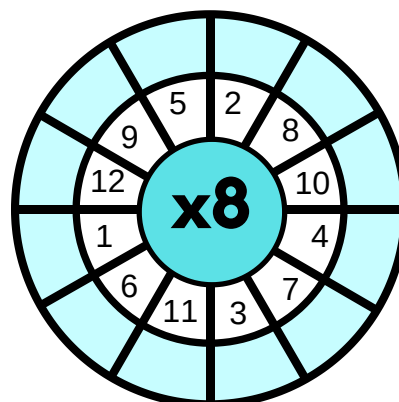

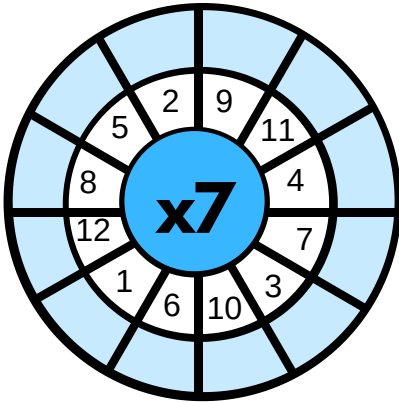

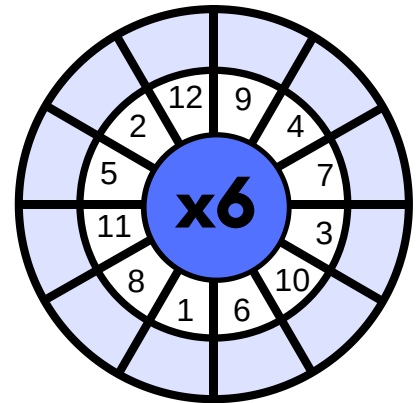

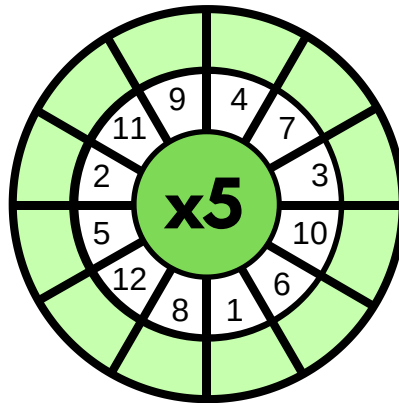

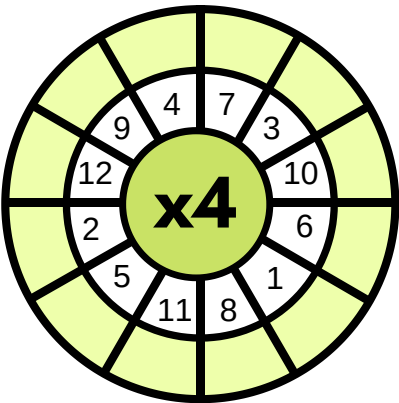

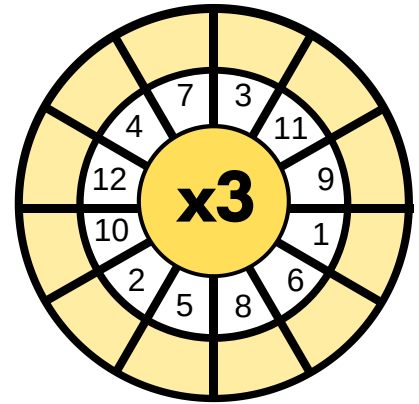

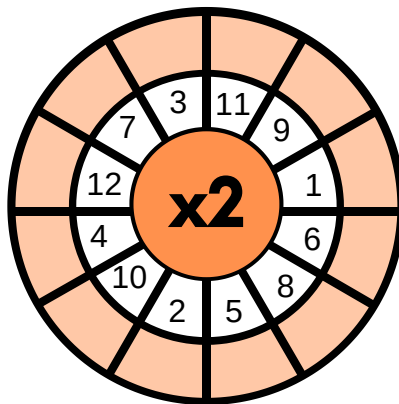

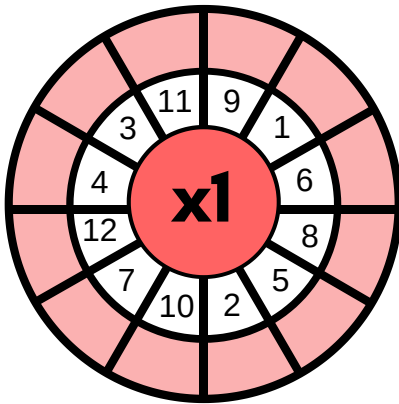

*Answer Sheet (No Peeking!).

*Your own multiplication wheels to design and fill in.

MULTIPLICATION WHEELS

Multiply the number in the centre by the middle number and write the answer in the space provided.
